The Seed Grows Heather Gemmen, 2003 A simple version of the biblical parable of the sower and the seed accompanied by suggested activities for building faith and language skills Parables in Rhyme Mike McGarvey, 2011 Introduces a unique approach to the parables of Jesus by developing them into easy to read poems **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 *The Parables of Jesus in Rhymes* Renata Walker, 2019-10-24 What is God's Kingdom going to be like When the End of Time will come near It will be like ten anxious brides waiting for their groom to appear These stories told by Jesus reveal profound spiritual truths presented in an easy to understand way by being wrapped into the scenes from everyday life The realistic illustrations created by the author provide the sense of familiarity with the characters and the situations presented in the book Rhymes for Doing Time James Perkins, 2023-10-11 Rhymes for Doing Time provides a unique opportunity to use real life situations that come up every day in prison or upon release to help a prisoner develop a closer walk with God and to make their time easier knowing that they may be just an inmate to the guards or even to the world but they are or can become a child of the Most High God The book has a page for every day and is formatted so that it describes a situation that happened to a prisoner describing how he or she reacted to different situations that came up Then it shows a situation that happened to a person or persons in the Bible and then it draws a practical or a spiritual application between the two It gives people a chance to realize that the Bible is living and practical and it shows them that the same God back in Bible times hasn't changed one bit The book also has inspirational poems that were written by the author to uplift his friends They are perfect for prisoners to send to their families in cards and letters for everything from birthdays to holidays

Andrews, 2023-07-16 BIBLICAL EXEGESIS Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people's confidence in the Bible *The Poems of Dylan Thomas* Dylan Thomas, 2017-10-31
