**The Fall of Autumn Leaves** Ronald A. Williams, 2021-11-19 Cameron Walkes is a Barbadian born novelist who hasn't sold anything for nearly a year when he is encouraged to write an autobiography A reluctant Cameron knows he is facing many obstacles What lessons could he teach How could he explain the recurrent dreams that had gradually increased his stress Despite his trepidation Cameron writes the first words of his autobiography later that night As his life story laboriously begins to take shape Cameron traces his development from a poor fishing village in Barbados through athletic and teaching careers and finally to attain a role as president of an American college While chronicling his pursuit of the American Dream Cameron also details why he left academia to take up writing as a profession and shares a glimpse into his mindset as his physical prowess declines leaving him with no choice but to face his own mortality But just as life comes full circle fate intervenes and provides an unexpected ending to Cameron's story In this intriguing novel a Barbadian immigrant who reluctantly begins penning his autobiography in an effort to boost his writing career embarks on a journey inward to reflect on his experiences Gospels of Yesterday Robert Alexander Watson, 1889 **Heirs of Yesterday** Barbara Cantalupo, Lori Harrison-Kahan, 2020-11-03 A reissue of the controversial novel about middle class Jewish life in Old San Francisco Originally

published in 1900 and set in fin de siècle California. *Heirs of Yesterday* by Emma Wolf 1865-1932 uses a love story to explore topics such as familial loyalty, the conflict between American individualism and ethnic religious heritage, and anti-Semitism in the United States. The introduction co-authored by Barbara Cantalupo and Lori Harrison Kahan includes biographical background on Wolf based on new research and explores key literary, historical, and religious contexts for *Heirs of Yesterday*. It incorporates background on the rise of Reform Judaism and the late nineteenth-century Jewish community in San Francisco while also considering Wolf's relationship to the broader literary movement of realism and to other writers of her time. As Cantalupo and Harrison Kahan demonstrate, the publication history and reception of *Heirs of Yesterday* illuminate competing notions of Jewish American identity at the turn of the twentieth century. Compared to the familiar ghetto tales penned by Yiddish-speaking Eastern European immigrant writers, *Heirs of Yesterday* offers a very different narrative about turn-of-the-twentieth-century Jewish life in the United States. The novel's central characters, physician Philip May and pianist Jean Willard, are not striving immigrants in the process of learning English and becoming American. Instead, they are native-born citizens who live in the middle-class community of San Francisco's Pacific Heights, where they interact socially and professionally with their gentile peers. Tailored for students, scholars, and readers of women's studies, Jewish studies, and American literature and history, this new edition of *Heirs of Yesterday* highlights the art, historical value, and controversial nature of Wolf's work.
