

**I met my younger self for coffee at 10:15.
She stumbled in right on time,
I anxiously arrived 20 minutes early.**

**I wore my colorful shirt and mom jeans,
she wore all black and covered her clothes in a
giant sweatshirt and
she was thinner than I remember.**

**She sees me and starts shaking (she's so
nervous).
She couldn't believe we made it out alive
and found a way to exist that doesn't center
around wanting to die.
You can see the bags under her eyes,
and the bags under mine.
Some things don't really ever change but I tell
her that almost everything else has.
I told her to start taking her life into her own
hands
and she grabbed mine instead.**

**We left the coffee shop early but promised to
keep in touch.
I walked her to her car and told her to drive
home and take herself seriously, she doesn't
know her strength ...
We won't meet again for 15 more years,
but at least I got the chance to remind her
that she is going to survive herself,
because I know she doesn't believe it.**

book a bundle of legal documents and letters relating to the trial on a second hand market stall in Florence sparked an imaginative engagement with this sordid tale of domestic cruelty adultery and greed which grew through four years of arduous labour into an epic peopled not by gods and warriors but by concrete recognisably human beings Fusing the technique of the dramatic monologue the form he had made his own with the grandeur of classical epic and the vivid realism of the modern novel Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself the forging of the golden ring of the poem from the pure crude fact of its historical original This edition comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning's poems does full justice to the scope and depth of Browning's achievement The headnote in volume 5 gives an authoritative account of the poem's composition publication sources and reception making use of hitherto unpublished letters and textual material In addition to giving readers help where needed with historical and linguistic comprehension the notes track Browning's formidable range of allusion from the most erudite to the most vulgar The appendices in volume 6 present a selection from the original sources a list of variants from extant proofs and key passages from Browning's fascinating and revealing correspondence with one of the earliest readers of the poem Julia Wedgwood The aim is to enable readers not just to understand the poem as an object of study but to take pleasure in its abounding intellectual and emotional energies
