Seeing The Big Picture Exploring American Cultures On Film:

Seeing the Big Picture Ellen Summerfield, Sandra Lee, 2006 Seeing the Big Picture Revised Edition is designed to broaden students awareness understanding and appreciation of the many cultures and subcultures in the United States The authors have chosen popular films as tools for exposing students to aspects of cultures including those of African Americans Chinese Americans Mexican Americans and Muslim Americans Writing and discussion activities will help students explore the cultural points of view portrayed in each of the films Students are also advised to keep a film journal that will allow them to observe how their reactions and observations develop through the course of the class In addition to increasing students knowledge and understanding of cultural differences Seeingthe Big Picture will help students develop strong critical thinking and analytic abilities as they learn to recognize and question messages inherent in the films portrayals of different populations A unique feature of the text are the Points of View segments from directors insiders and students that appear throughout the text provoking perspectives students might not otherwise encounter This text is the ideal coursebook for undergraduate diversity electives and other multicultural awareness courses Hollywood's America Steven Mintz, Randy W. Roberts, 2010-03 Fully revised updated and extended this compilation of interpretive essays and primary documents teaches students to read films as cultural artifacts within the contexts of actual past events A new edition of this classic textbook which ties movies into the broader narrative of US and film history Ten new articles which consider recently released films as well as issues of gender and ethnicity Well organized within a chronological framework with thematic treatments to provide a valuable resource for students of the history of American film Fourth edition includes completely new images throughout **The Routledge Companion to International Management Education** Denise Tsang, Hamid H. Kazeroony, Guy Ellis, 2013-06-19 Crises and scandals in the world of international management have brought a new spotlight onto how the subject is taught studied and understood There has been a plethora of literature on international management but a lack of focus on how international management education IME can be shaped to respond to existing and future global business challenges The Routledge Companion to International Management Education gathers together contributors from academia industry and university administration involved in IME to introduce the domain of IME describe the emerging state in new geographical areas discuss the major issues and debates revolving around IME explore the linkage of technology and international management and shed light on the future of IME The diverse background of the contributors provides a global perspective that challenges the dominant Anglo American view with up to date specific insights originating from their indigenous view points which has often been neglected and inadequately covered The volume answers important questions such as Do we need a vision in IME What is the current state of IME How has IME grown in emerging market segments What roles does technology play in its recent development The volume provides thought provoking reading for educators administrators policy makers human resources professionals and researchers It will also give future international

management students a glimpse of IME from a global inside out perspective The Cambridge Handbook of Intercultural Training Dan Landis, Dharm P. S. Bhawuk, 2020-08-27 With the number of international migrants globally reaching an estimated 272 million United Nations report September 2019 the need for intercultural training is stronger than ever Since its first edition this handbook has evaluated the methodologies and suggested the best practice to develop effective programs aimed at facilitating cross cultural dialogue and boosting the economic developments of the countries mostly affected by migration This handbook builds and expands on the previous editions by presenting the rational and scientific foundations of intercultural training and focuses on unique approaches theories and areas of the world In doing so it gives students managers and other professionals undertaking international assignments a theoretical foundation and practical suggestions for improving intercultural training programs *Handbook of Intercultural Training* Dan Landis, Janet Bennett, Janet Marie Bennett, Milton J. Bennett, 2004 This handbook deals with the question of how people can best live and work with others who come from very different cultural backgrounds Handbook of Intercultural Training provides an overview of current trends and issues in the field of intercultural training Contributors represent a wide range of disciplines including psychology interpersonal communication human resource management international management anthropology social work and education Twenty four chapters all new to this edition cover an array of topics including training for specific contexts instrumentation and methods and training design **Moving Images** Jon Billsberry, Pauline Leonard, 2012-08-01 This book will inspire academics teachers and trainers to use film and television in their classrooms and to shows them how it might be done It brings together respected international scholars who recount their experiences of how they have used moving images in their classrooms defined widely to include distance learning with their explanations of why they chose this method of teaching and how they put their intentions into action The book also illustrates how particular subjects might be taught using film and television as an inspiration to demonstrate the range of opportunities that these media offer Finally this book considers some of the practical issues in using film and television in the classroom such as copyright technology and the representation of reality and drama in films This is a practical how to book that answers the questions of those people who have considered using film and television in their classroom but until now have shied away from doing so The opportunity to see how others have used film effectively breaks down psychological barriers and makes it seem both realistic and worthwhile Cultural Change & Your Church Michael Pocock, Joseph Henriques, 2007-02-01 In our communities composed of people from various cultures countries and backgrounds where does the church stand How representative is it And how can local churches best minister and evangelize within an increasingly multicultural society Cultural Change and Your Church is an invaluable resource for understanding the transformation of our cultural landscape and most importantly for learning how to embrace the resulting opportunities to minister to all people Michael Pocock and Joseph Henriques consider the Bible s examples and teaching related to diversity introduce several churches currently modeling cross cultural ministry

and suggest hands on ways for church leaders to encourage change and proactive thinking *HARDCASTLE:COMMUNITY PRACTICE 2E I/M P*, 2004-05-24 This manual is intended to help instructors to make the text a more effective tool for teaching social work skills and theories in community practice It covers the basics of practice perspectives and specific techniques mirroring the main text chapter by chapter Replete with a creative array of exercises simulations audiovisual and other instructional aids this manual is designed to make the material come alive **Cinemeducation** Matthew Alexander, Patricia Lenahan, Anna Pavlov, 2024-11-01 Whole System Working is an approach that enables people to find sustainable solutions to local problems It is also a theoretical approach to organizational development that views groups of people who share a common purpose as a living system Based on King s Fund work over four years with health agencies and their local partners in housing local government the independent sector transport and local people this book describes the founding principles which characterize the approach gives examples of its application in practice and answers common questions Ideology and Hegemony of English Foreign Language Textbooks Ömer Gökhan Ulum, Dinçay Köksal, 2020-01-27 This volume investigates ideological and hegemonic practices in globally and locally written English as a Foreign Language EFL textbooks and explores whether these textbooks reflect the values beliefs and norms of the native speaker society by examining their ideological components and the hegemonic practices by means of which the source society or state seeks to influence learners of the language It also attempts to clarify EFL teachers and students views on the underlying ideology and hegemonic practices in globally and locally written EFL textbooks Studies on the relationship between ideology hegemony and textbooks in applied linguistics have become more prevalent in recent decades as the emergence of critical theory critical pedagogy and critical thinking skills from the 1920s onwards has led scholars to adopt a more critical perspective towards EFL textbooks especially with regard to elements of ideology and hegemony These two terms encompass a plethora of components ranging from nationalism to religion At the same time the importance of metanarratives originating from the tenets of modernism has declined from the 1960s onwards the assumption being that the world has entered a new age called postmodernism and post structuralism that emphasizes the role of individuals and rejects efforts to reinforce post colonialism the effects of which can be seen in EFL textbooks Accordingly taking the elements of ideology and hegemony into account remains a vital aspect in the analysis of EFL textbooks Instructor's Manual to Accompany Community Practice: Theories and Skills for Social Workers, 2nd Ed David A.
