Seeing Chekhov Life And Art:

Seeing Chekhov Michael C. Finke, 2005 Chekhov's keen powers of observation have been remarked by both memoirists who knew him well and scholars who approach him only through the written record and across the distance of many decades To apprehend Chekhov means seeing how Chekhov sees and the author's remarkable vision is understood as deriving from his occupational or professional training and identity But we have failed to register let alone understand just what a central concern for Chekhov himself and how deeply problematic were precisely issues of seeing and being seen from the Introduction Michael C Finke explodes a century of critical truisms concerning Chekhov's objective eye and what being a physician gave him as a writer in a book that foregrounds the deeply subjective and self reflexive aspects of his fiction and drama In exploring previously unrecognized seams between the author's life and his verbal art Finke profoundly alters and deepens our understanding of Chekhov's personality and behaviors provides startling new interpretations of a broad array of Chekhov's texts and fleshes out Chekhov's simultaneous pride in his identity as a physician and devastating critique of turn of the century medical practices and ideologies Seeing Chekhov is essential reading for students of Russian literature devotees of the short story and modern drama and anyone interested in the intersection of literature psychology and medicine

Seeing Chekhov Michael C. Finke, 2018-07-05 Chekhov's keen powers of observation have been remarked by both memoirists who knew him well and scholars who approach him only through the written record and across the distance of many decades To apprehend Chekhov means seeing how Chekhov sees and the author's remarkable vision is understood as deriving from his occupational or professional training and identity But we have failed to register let alone understand just what a central concern for Chekhov himself and how deeply problematic were precisely issues of seeing and being seen from the Introduction Michael C Finke explodes a century of critical truisms concerning Chekhov's objective eye and what being a physician gave him as a writer in a book that foregrounds the deeply subjective and self reflexive aspects of his fiction and drama In exploring previously unrecognized seams between the author's life and his verbal art Finke profoundly alters and deepens our understanding of Chekhov's personality and behaviors provides startling new interpretations of a broad array of Chekhov's texts and fleshes out Chekhov's simultaneous pride in his identity as a physician and devastating critique of turn of the century medical practices and ideologies Seeing Chekhov is essential reading for students of Russian literature devotees of the short story and modern drama and anyone interested in the intersection of literature psychology and medicine

Interpreting Chekhov's Prose Leonard A. Polakiewicz, 2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov's prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with

Chekhov's astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms. These works are shown to be not mere clinical studies but genuine impressive works of art. The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time. Many of these works reveal an indisputable symbiosis of the doctor and the artist. Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist, a fitting description of him as well. Doctors, the most frequently portrayed characters in Chekhov's oeuvre, are appropriately subjected to extensive analysis, as are the themes of fate and death and dying that figure so prominently in Chekhov's work. Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as *The Island of Sakhalin*, a narrative of non-fictional sociological content.

The Routledge Companion to Stanislavsky Andrew White, 2013-10-08 Stanislavsky's system of actor training has revolutionised modern theatre practice and he is widely recognised to be one of the great cultural innovators of the twentieth century. *The Routledge Companion to Stanislavsky* is an essential book for students and scholars alike, providing the first overview of the field for the 21st century. An important feature of this book is the balance between Stanislavsky's theory and practice, as international contributors present scholarly and artistic interpretations of his work. With chapters including academic essays and personal narratives, the Companion is divided into four clear parts exploring Stanislavsky on stage as an acting teacher, as a theorist, and finally as a theatre practitioner. Bringing together a dazzling selection of original scholarship, notable contributions include Anatoly Smeliansky on Stanislavsky's letters, William D. Gunn on staging ideology at the Moscow Art Theatre, Sharon Marie Carnicke and David Rosen on opera, Rosemary Malague on the feminist perspective of new translations, W. B. Worthen on cognitive science, Julia Listengarten on the avant-garde, David Krasner on the System in America, and Dennis Beck on Stanislavsky's legacy in non-realistic theatre.

Freedom from Violence and Lies Michael C. Finke, 2021-11-11 An enlightening, nuanced and accessible introduction to the life and work of one of the greatest writers of short fiction in history, Anton Chekhov's stories and plays endure far beyond the Russian context as outstanding modern literary models. In a brief, remarkable life, Chekhov rose from lower-class provincial roots to become a physician, leading writer, and philanthropist, all in the face of a progressive fatal disease. In this new biography, Michael C. Finke analyzes Chekhov's major stories, plays, and nonfiction in the context of his life, both fleshing out the key features of Chekhov's poetics of prose and drama and revealing key continuities across genres as well as between his lesser-studied early writings and the later works. An excellent resource for readers new to Chekhov, this book also presents much original scholarship and is an accessible, comprehensive overview of one of the greatest modern dramatists and writers of short fiction in history.

For the Common Good and Their Own Well-being Alison Karen Smith, 2014 Every subject of the Russian Empire had an official legal place in society, marked by his or her social estate or *soslovie*. This book looks at the many ways that *soslovie* affected individual lives and traces its legislation and administration from the early eighteenth through to the early twentieth century.

Chekhov's Letters Carol Apollonio, Radislav Lapushin, 2018-10-15 Of the thirty volumes in the authoritative Academy edition of Chekhov's collected works fully twelve are devoted to the writer's letters This is the first book in English or Russian addressing this substantial though until now neglected epistolary corpus The majority of the essays gathered here represent new contributions by the world's major Chekhov scholars written especially for this volume or classics of Russian criticism appearing in English for the first time The introduction addresses the role of letters in Chekhov's life and characterizes the writer's key epistolary concerns After a series of essays addressing publication history translation and problems of censorship scholars analyze the letters' generic qualities that draw upon variously prose poetry and drama Individual thematic studies focus on the letters as documents reflecting biographical cultural and philosophical issues The book culminates in a collection of short at times lyrical essays by eminent scholars and writers addressing a particularly memorable Chekhov letter Chekhov's Letters appeals to scholars writers and theater professionals as well to a general audience

Chekhov Becomes Chekhov Bob Blaisdell, 2022-12-06 A revelatory portrait of Chekhov during the most extraordinary artistic surge of his life In 1886 a twenty six year old Anton Chekhov was publishing short stories humor pieces and articles at an astonishing rate and was still a practicing physician Yet as he honed his craft and continued to draw inspiration from the vivid characters in his own life he found himself to his surprise and occasional embarrassment admired by a growing legion of fans including Tolstoy himself He had not yet succumbed to the ravages of tuberculosis He was a lively frank and funny correspondent and a dedicated mentor And as Bob Blaisdell discovers his vivid articles stories and plays from this period when read in conjunction with his correspondence become a psychological and emotional secret diary When Chekhov struggled with his increasingly fraught engagement young couples are continually making their raucous way in and out of relationships on the page When he was overtaxed by his medical duties his doctor characters explode or implode Chekhov's talented but drunken older brothers and Chekhov's domineering father became transmuted into characters yet their emergence from their families' serfdom is roiling beneath the surface Chekhov could crystalize the human foibles of the people he knew into some of the most memorable figures in literature and drama In Chekhov Becomes Chekhov Blaisdell astutely examines the psychological portraits of Chekhov's distinct carefully observed characters and how they reflect back on their creator during a period when there seemed to be nothing between his imagination and the paper he was writing upon

Reading Darwin in Imperial Russia Brendan G. Mooney, Stephen M. Woodburn, Andrew M. Drozd, 2023-01-30 A 2023 Choice Reviews Outstanding Academic Title Reading Darwin in Imperial Russia Literature and Ideas expands upon the cataloging efforts of earlier scholarship on Darwin's reception in Russia to analyze the rich cultural context and vital historical background of writings inspired by the arrival of Darwin's ideas in Russia Starting with the first Russian translation of The Origin of Species in 1864 educated Russians eagerly read Darwin's works and reacted in a variety of ways From enthusiasm to skepticism to hostility these reactions manifested in a variety of published works starting with the translations

themselves as well as critical reviews opinion journalism literary fiction and polemical prose The reception of Darwin spanned reverent didactic ironic and sarcastic modes of interpretation This book examines some of the best known authors of the second half of the nineteenth century Dostoevsky Chernyshevsky Chekhov and others less well known or nearly forgotten Danilevsky Timiriazev Markevich Strakhov to explore the multi faceted impact of Darwin s ideas on Russian educated society While elements of Darwin s Russian reception were comparable to other countries each author reveals distinctly Russian concerns tied to the meaning and consequences of the challenge posed by Darwinism The scholars in this volume demonstrate not only what the authors wrote but why they took their unique perspectives

Breaking Ground Sara Dickinson,2006 *Breaking Ground* examines travel writing s contribution to the development of a Russian national culture from roughly 1700 to 1850 as Russia struggled to define itself against Western Europe Russian examples of literary travel writing began with imitative descriptions of grand tours abroad but progressive familiarity with the West and with its literary forms gradually enabled writers to find other ways of describing the experiences of Russians en route Blending foreign and native cultural influences writers responded to the pressures of the age to Catherine II Napoleon and Nicholas I for example both by turning inward to focus on domestic touring and by rewriting their relationship to the West This book tracks the evolution of literary travel writing in this period of its unprecedented popularity and demonstrates how the expression of national identity the discovery of a national culture and conceptions of place both Russian and Western European were among its primary achievements These elements also constitute travel writing s chief legacy to prose fiction breaking ground for the later masterpieces of writers such as Turgenev Dostoevsky and Tolstoy For literary scholars historians and other educated readers with interests in Russian culture travel writing comparative literature and national identity

Writing Fear Katherine Bowers,2022-03-01 In Russia gothic fiction is often seen as an aside a literary curiosity that experienced a brief heyday and then disappeared In fact its legacy is much more enduring persisting within later Russian literary movements *Writing Fear* explores Russian literature s engagement with the gothic by analysing the practices of borrowing and adaptation Katherine Bowers shows how these practices shaped literary realism from its romantic beginnings through the big novels of the 1860s and 1870s to its transformation during the modernist period Bowers traces the development of gothic realism with an emphasis on the affective power of fear She then investigates the hybrid genre s function in a series of case studies focused on literary texts that address social and political issues such as urban life the woman question revolutionary terrorism and the decline of the family By mapping the myriad ways political and cultural anxiety take shape via the gothic mode in the age of realism *Writing Fear* challenges the conventional literary history of nineteenth century Russia

Facets of Russian Irrationalism between Art and Life ,2016-04-08 Russia is an enigmatic mysterious country situated between East and West not only spatially but also mentally Or so it is traditionally perceived in Western Europe and the Anglophone world at large One of the distinctive features of Russian culture is its irrationalism which revealed itself

diversely in Russian life and thought literature music and visual arts and has survived to the present day Bridging the gap in existing scholarship the current volume is an attempt at an integral and multifaceted approach to this phenomenon and launches the study of Russian irrationalism in philosophy theology literature and the arts of the last two hundred years together with its reflections in Russian reality Contributors Tatiana Chumakova David Gillespie Arkadii Goldenberg Kira Gordovich Rainer Gr bel Elizabeth Harrison Jeremy Howard Aleksandr Ivashkin Elena Kabkova Sergei Kibal nik Oleg Kovalov Alexander McCabe Barbara Olaszek Oliver Ready Oliver Smith Margarita Odesskaia Ildik M ria R cz Lyudmila Safronova Marilyn Schwinn Smith Henrieke Stahl Olga Stukalova Olga Tabachnikova Christopher John Tooke and Natalia Vinokurova

Border Crossing Alexander Burry, 2016-04-08 Each time a border is crossed there are cultural political and social issues to be considered Applying the metaphor of the border crossing from one temporal or spatial territory into another Border Crossing Russian Literature into Film examines the way classic Russian texts have been altered to suit new cinematic environments In these essays international scholars examine how political and economic circumstances from a shifting Soviet political landscape to the perceived demands of American and European markets have played a crucial role in dictating how filmmakers transpose their cinematic hypertext into a new environment Rather than focus on the degree of accuracy or fidelity with which these films address their originating texts this innovative collection explores the role of ideological political and other cultural pressures that can affect the transformation of literary narratives into cinematic offerings

Febris Erotica Valeria Sobol, 2011-05-01 The destructive power of obsessive love was a defining subject of eighteenth and nineteenth century Russian literature In *Febris Erotica* Sobol argues that Russian writers were deeply preoccupied with the nature of romantic relationships and were persistent in their use of lovesickness not simply as a traditional theme but as a way to address pressing philosophical ethical and ideological concerns through a recognizable literary trope Sobol examines stereotypes about the damaging effects of romantic love and offers a short history of the topos of lovesickness in Western literature and medicine Read an interview with the author http://www.rorotoko.com/index.php/article_valeria_sobol_interview_febris_erotica_lovesickness_russian_literary_imagin

Legacies of the Stone Guest Alexander Burry, 2023-06-13 The story of Don Juan first appeared in writing in seventeenth century Spain reaching Russia about a century later Its real impact however was delayed until Russia's most famous poet Alexander Pushkin put his own unique and uniquely inspirational spin on the tale Published in 1830 *The Stone Guest* is now recognized with other Pushkin masterpieces as part of the Russian literary canon Alexander Burry traces the influence of Pushkin's brilliant innovations to the legend which he shows have proven repeatedly fruitful through successive ages of Russian literature from the Realist to the Silver Age Soviet and contemporary periods Burry shows that rather than creating a simple retelling of an originally religious tale about a sinful consummate seducer Pushkin offered open ended scenes re envisioned and complicated characters and new motifs that became recursive and productive parts of Russian literature in ways that even Pushkin himself could never have

predicted **Narrative Psychiatry** Bradley Lewis,2011-03-01 Psychiatry has lagged behind many clinical specialties in recognizing the importance of narrative for understanding and effectively treating disease With this book Bradley Lewis makes the challenging and compelling case that psychiatrists need to promote the significance of narrative in their practice as well Narrative already holds a prominent place in psychiatry Patient stories are the foundation for diagnosis and the key to managing treatment and measuring its effectiveness Even so psychiatry has paid scant scholarly attention to the intrinsic value of patient stories Fortunately the study of narrative outside psychiatry has grown exponentially in recent years and it is now possible for psychiatry to make considerable advances in its appreciation of clinical stories Narrative Psychiatry picks up this intellectual opportunity and develops the tools of narrative for psychiatry Lewis explores the rise of narrative medicine and looks closely at recent narrative approaches to psychotherapy He uses philosophic and fictional writings such as Anton Chekhov s play *Ivanov* to develop key terms in narrative theory plot metaphor character point of view and to understand the interpretive dimensions of clinical work Finally Lewis brings this material back to psychiatric practice showing how narrative insights can be applied in psychiatric treatments including the use of psychiatric medications Nothing short of a call to rework the psychiatric profession Narrative Psychiatry advocates taking the inherently narrative centered patient psychiatrist relationship to its logical conclusion making the story a central aspect of treatment *Picturing the Ottoman Armenian World* David Low,2022-06-30 The Armenian contribution to Ottoman photography is supposedly well known with histories documenting the famous Ottoman Armenian run studios of the imperial capital that produced Orientalist visions for tourists and images of modernity for a domestic elite Neglected however have been the practitioners of the eastern provinces where the majority of Ottoman Armenians were to be found with the result that their role in the medium has been obscured and wider Armenian history and experience distorted Photography in the Ottoman East was grounded in very different concerns with the work of studios rooted in the seismic social political and cultural shifts that reshaped the region and Armenian lives during the empire s last decades The first study of its kind this book examines photographic activity in three sites on the Armenian plateau Erzurum Harput and Van Arguing that local photographic practices were marked by the dominant activities and movements of these places it describes a medium bound up in educational endeavours mass migration and revolutionary politics The camera both responded to and became the instrument of these phenomena Light is shone on previously unknown practitioners and more vitally a perspective gained on the communities that they served The book suggests that by contemplating the ways in which photographs were made used circulated and seen we might form a picture of the Ottoman Armenian world **Anton Chekhov** Rose Whyman,2010-09-13 Anton Chekhov offers a critical introduction to the plays and productions of this major playwright Rose Whyman provides an insightful assessment of Chekhov s life and work and places his innovative theatrical approach in a modern critical and cultural context **New Poetics of Chekhov's Major Plays** Harai Golomb,2014-01-01 This text attempts to map the unique structure and meaning

that comprise Chekhov's immensely rich artistic universe. The prime components of his theatrical technique and fictional world are explored to uncover the basic principles governing the Chekhov's universe. **Chekhov's Children** Nadya L. Peterson, 2021-08-15. Anton Chekhov's representations of children have generally remained on the periphery of scholarly attention. Yet his stories about children, which focus on communication and the emergence of personhood, also illuminate the process by which the author forged his own language of expression and occupy a uniquely important place within his work. *Chekhov's Children* explores these stories dating from Chekhov's early writings in the 1880s as a distinct body of work unified by the theme of maturation and by the creation of a literary model of childhood. Nadya Peterson describes the evolution of Chekhov's model and its connection with the prevalent views on children in the literature, education, medicine, and psychology of his time. As with his later writing, Chekhov's portrayals of young protagonists exhibit complexity, diversity, and a broad reach across the writer's cultural and literary landscape, dealing with such themes as the distinctiveness of a child's perspective, the relationship between the worlds of children and adults, the nature of child development, socialization, gender differences, and sexuality. While reconstructing a particular literary model of childhood, this book brings to light a body of discourse on children, childhood, development, and education prominent in Russia in the late nineteenth century. *Chekhov's Children* accords this topic the significance it deserves by placing Chekhov's model of childhood within the broad context of his time and reassessing established notions about the child's place in the author's oeuvre.

If you ally need such a referred **Seeing Chekhov Life And Art** book that will have enough money you worth, get the certainly best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are after that launched, from best seller to one of the most current released.

Seeing Chekhov Life And Art Introduction

Seeing Chekhov Life And Art Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Seeing Chekhov Life And Art Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Seeing Chekhov Life And Art : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Seeing Chekhov Life And Art : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Seeing Chekhov Life And Art Offers a diverse range of free eBooks across various genres. Seeing Chekhov Life And Art Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Seeing Chekhov Life And Art Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Seeing Chekhov Life And Art, especially related to Seeing Chekhov Life And Art, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Seeing Chekhov Life And Art, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Seeing Chekhov Life And Art books or magazines might include. Look for these in online stores or libraries. Remember that while Seeing Chekhov Life And Art, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Seeing Chekhov Life And Art eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Seeing Chekhov Life And Art full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seeing Chekhov Life And Art eBooks, including some popular titles.

FAQs About Seeing Chekhov Life And Art Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Seeing Chekhov Life And Art is one of the best book in our library for free trial. We provide copy of Seeing Chekhov Life And Art in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Seeing Chekhov Life And Art. Where to download Seeing Chekhov Life And Art online for free? Are you looking for Seeing Chekhov Life And Art PDF? This is definitely going to save you time and cash in something you should think about.
