Zachary Manis,2024-08-27 The Christian tradition teaches that some people will suffer eternally in hell But why Doesn't an all powerful God have the ability to prevent this from happening to anyone Wouldn't a perfectly good and loving God want to prevent it And doesn't the traditional teaching about hell function as a threat coercing those who truly believe it These questions convey the problem of hell the most disturbing of all theological problems and one of the most difficult to solve *Thinking Through the Problem of Hell* is a rigorous yet accessible treatment of the issue The solution that it develops called the divine presence model is that heaven and hell are the various ways that the righteous and the wicked experience the presence of God after the final judgment In its fully developed form the divine presence model addresses a whole host of theological issues the purpose of suffering the meaning of salvation the nature of free will and self deception and the reason that God remains partially hidden in this life even to those who earnestly seek Him This is a book for those who refuse pat simplistic answers to the hardest questions of the Christian faith *My Journey Through Scripture* Sandra Marquez,2023-04-21 For anyone who has ever felt like giving up Walking away seemed like the easiest thing to do at the time didn't it This life is just too difficult how will I ever survive this storm Surely this is the one that will cause me to sink In *My Journey through Scripture* Sandra shares deep heartfelt stories of her journey through sorrow and pain as well as many wonderful testimonies of everyday life and struggles In the midst of it all she learned to laugh again the importance of enjoying the simple things in life and spending time with those close to her It was in her desperate moments when the enemy tried to destroy her over and over again that she found a way to let out all her emotions It was through journaling her experiences that she felt a sense of peace and strength to move ahead It was on the pages and pages of her writings that she wrote out the scriptures that helped her through her most difficult times Each and every one of us is on a journey and though each person's journey is different one thing is for sure we will all face obstacles along the way If you've ever found yourself in this situation be reminded that you are not alone God is always near even in the moments when you feel lonely and afraid Through her stories and testimonies you will come to realize how vital it is to cling to the Word of God It is in the most desperate and trying situations you encounter that you will experience God's love peace and faithfulness You do not walk alone God will always give you his light to guide you on the path ahead *Sacred Music selected from the compositions of Tye, Tallis, Gibbons, Ravenscroft and adapted to portions of the different versions of the book of Psalms* ,1842 [Coffee on the Porch with Jesus](#) Beverly R.
