The Auntie Sewing Squad Guide to Mask Making, Radical Care, and Racial Justice Mai-Linh K. Hong, 2021-11-02 The rise of the Auntie Sewing Squad a massive mutual aid network of volunteers who provided free masks in the wake of US government failures during the COVID 19 pandemic In March 2020 when the US government failed to provide personal protective gear during the COVID 19 pandemic the Auntie Sewing Squad

emerged Founded by performance artist Kristina Wong the mutual aid group sewed face masks with a bold social justice mission to protect the most vulnerable and most neglected Written and edited by Aunties themselves The Auntie Sewing Squad Guide to Mask Making Radical Care and Racial Justice tells a powerful story As the pandemic unfolded hate crimes against Asian Americans spiked In this climate of fear and despair a team of mostly Asian American women using the familial label Auntie formed online gathered momentum and sewed masks at home by the thousands The Aunties nimbly made and funneled masks to asylum seekers Indigenous communities incarcerated people farmworkers and others disproportionately impacted by COVID 19 When anti lockdown agitators descended on state capitals and eventually the US Capitol the Aunties dug in And as the nation erupted in rebellion over police violence against Black people the Aunties supported and supplied Black Lives Matter protesters and organizations serving Black communities Providing hundreds of thousands of homemade masks met an urgent public health need and expressed solidarity care and political action in a moment of social upheaval The Auntie Sewing Squad is a quirky fast moving and adaptive mutual aid group that showed up to meet a critical need Led primarily by women of color the group includes some who learned to sew from mothers and grandmothers working for sweatshops or as a survival skill passed down by refugee relatives The Auntie Sewing Squad speaks back to the history of exploited immigrant labor as it enacts an intersectional commitment to public health for all This collection of essays and ephemera is a community document of the labor and care of the Auntie Sewing Squad

Mask in the Mirror Nidhi Chawla,2010-04

The process of weaving a fictional dream can be painful and also joyful path to self discovery realizes an ordinary man when he sits down to reveal his thoughts and bring to life characters whose lives would confront and impact his heart and mind As the people of the imaginary world open the Writer s eyes to his own soul he relishes his intimate sentiments and sees the color of his emotions Caught in an imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection

and a touching saga of how fictional life can change the real life of an ordinary man *The Mask of Enlightenment* Stanley Rosen,2004-01-01 This landmark study is a detailed textual and thematic analysis of one of Nietzsche's most important but least understood works Stanley Rosen argues that in Zarathustra Nietzsche lays the groundwork for philosophical and political revolution proposing a change in humanity's condition that would be achieved by eliminating the decadent existing race and breeding a new race to take its place Rosen discusses Nietzsche's systematically duplicitous rhetoric of esoteric messages in Zarathustra and he places the book in the contexts of Greek Christian Enlightenment and postmodernist thought

The Mask of Socrates Paul Zanker,2024-03-29 This richly illustrated work provides a new and deeper perspective on the interaction of visual representation and classical culture from the fifth century B C to the fourth century A D Drawing on a variety of source materials including Greco Roman literature historiography and philosophy coupled with artistic renderings Paul Zanker forges the first comprehensive history of the visual representation of Greek and Roman intellectuals He takes the reader from the earliest visual images of Socrates and Plato to the figures of Christ the Apostles and contemporaneous pagan and civic dignitaries Through his interpretations of the postures gestures facial expressions and stylistic changes of particular pieces we come to know these great poets and philosophers through all of their various personas the prophetic wise man the virtuous democratic citizen or the self absorbed bon vivant Zanker's analysis of how the iconography of influential thinkers and writers changed demonstrates the rise and fall of trends and the movement of schools of thought and belief each successively embodying the most valued characteristics of the period and culture This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 Mask of the Sorcerer Darrell Schweitzer,2014-02-07 If ever your heart has said The great days are no more The golden afternoon of golden tales has faded into night and I came late born out of time to warm my hands at the embers that flicker and fade hour by hour read this Here are ghosts grim and gentle red gold of Ophir and fell weavings Here is a tale to keep Scheherazade talking a hundred years Gene Wolfe Darrell Schweitzer is a fine writer Not only is he skilled in the exotic use of the best trappings of Fantasy he employs a disquieting awareness of the dark nooks of the mind and soul Best of all Schweitzer is a story teller by whose smoky fire one may sit spell bound Tanith Lee Superlative Interzone Darrell Schweitzer has been three times nominated for the World Fantasy Award twice for Best Collection and once for the novella To Become a Sorcerer which forms the first four chapters of this book He is also the author of The White Isle The Shattered Goddess and nearly 300 short stories many of which are collected in such volumes as The Darrell Schweitzer Megapack An expert on fantastic fiction who has written books about Lord Dunsany and H P Lovecraft he also co edited the legendary Weird Tales magazine *A Mask for Privilege* , Why in America should the most sinister of European social diseases have taken root

Why should that disease have spread from its seemingly anachronistic beginning in the Gilded Age until it infected many of our great magazines and newspapers Until it determined not only where a man might stay the night but where he got his education and how he earned his living This book answers such questions by exposing the myths with which the anti Semite surrounds his position By taking away the mask of privilege it reveals the source of such prejudice for what it is the determination of the forces of special privilege with their hangers on to maintain their select and exclusive status regardless of the consequences to other human beings Like Carey McWilliams s other books on minorities in America *A Mask for Privilege* reveals the facts of discrimination so that the fogs of prejudice may be dispersed by the truth It traces the growth of discrimination and persecution in America from 1877 to 1947 shows why Jews are such good scapegoats and contrasts the Jewish stereotype too pushing too cunning with that of other minority groups Then it looks at the anti Semitic personality and concludes with Sartre that here is a man who is afraid of himself In his stirring new introduction Wilson Carey McWilliams calls this a work of recovery evoking names and moods and incidents now either half forgotten or lost to memory This brilliant analysis of anti Semitism is a documented and forceful attempt to inform Americans about the danger of the undemocratic antisocial practices in their midst and to suggest a positive program to arrest a course too similar to that which led to the Holocaust It transcends majority minority relations and becomes an analysis of antidemocratic practices which affect the whole fabric of American life

Beneath the Mask Robert N. Sollod, Christopher F. Monte, 2008-01-22 Beneath the Mask presents classic theories of human nature much as each theorist might if the theorist were to teach his or her ideas to people encountering them for the first time Through a theorist by theorist approach this Eighth Edition continues to explore the ideas of personality theorists developmentally incorporating the personal origins of ideas to illuminate links between the psychology of each theorist and that theorist s own psychology of persons Beneath the Mask presents the sequence of thinking for more than 20 theorists and demonstrates how the thinking that led to major theories is nested in the life experience of the theorists within the context of the surrounding culture The authors emphasize each theorist s life history as the basis for the ideas that constitute his or her theories making them easier to understand as pictures of human nature John P Wilson has revised the text in a manner that preserves and improves upon the best features of the late Robert N Sollod and Christopher Monte s work
