Seeking Ezekiel Text Psychology

Rebecca Ver Straten-McSparran

Seeking Ezekiel Text Psychology:

Seeking Ezekiel David J. Halperin, 1993-11-19 In *Seeking Ezekiel* David J Halperin argues that the biblical Book of Ezekiel provides substantial information about its author's psychology and reveals his personality in considerable depth. Psychoanalytic investigation of the book yields a coherent portrait of its author: a marvelously gifted yet profoundly disturbed man tormented by inner conflicts over his sexual longings and fears. Ezekiel Halperin argues was dominated by a pathological dread and loathing of female sexuality. He expresses this emotional stance in the symbolic language of dreams: his vision of a temple polluted by idolatry in a thin disguise of historical allegory; his obscenely graphic representations of Israel and Jerusalem as promiscuous wives; and in his self-described behavior at his wife's death. Ezekiel also demonstrates a deeply ambivalent attitude toward a dominant male figure. Normally he projects the positive elements of his ambivalence onto his God; its negative elements onto other males. Yet the reverse can also take place, and this does much to explain the disturbing cruelty and arbitrariness of Ezekiel's God. Any psychological study of a man dead for 2500 years will run into formidable methodological difficulties. Halperin establishes the legitimacy of his approach by arguing that it permits the solution of a wide range of long recognized textual problems. The implications of Halperin's study extend far beyond the boundaries of Biblical scholarship. The sexual pathology that he attributes to Ezekiel has afflicted humanity for most of its history, tainting the relations of men and women the world over. Ezekiel's powerful influence on posterity has done its part in strengthening the grip of this pathology. By understanding Ezekiel, people may come to a better understanding of his sickness within themselves and thus eventually come to find healing.

Seeking Ezekiel David Joel Halperin, 1993 In *Seeking Ezekiel* David J Halperin argues that the biblical Book of Ezekiel provides substantial information about its author's psychology and reveals his personality in considerable depth. Psychoanalytic investigation of the book yields a coherent portrait of its author: a marvelously gifted yet profoundly disturbed man tormented by inner conflicts over his sexual longings and fears. Ezekiel Halperin argues was dominated by a pathological dread and loathing of female sexuality. He expresses this emotional stance in the symbolic language of dreams: his vision of a temple polluted by idolatry in a thin disguise of historical allegory; his obscenely graphic representations of Israel and Jerusalem as promiscuous wives; and in his self-described behavior at his wife's death. Ezekiel also demonstrates a deeply ambivalent attitude toward a dominant male figure. Normally he projects the positive elements of his ambivalence onto his God; its negative elements onto other males. Yet the reverse can also take place, and this does much to explain the disturbing cruelty and arbitrariness of Ezekiel's God. Any psychological study of a man dead for 2500 years will run into formidable methodological difficulties. Halperin establishes the legitimacy of his approach by arguing that it permits the solution of a wide range of long recognized textual problems. The implications of Halperin's study extend far beyond the boundaries of Biblical scholarship. The sexual pathology that he attributes to Ezekiel has afflicted humanity for most of its history, tainting the relations of men and women the world over. Ezekiel's powerful influence on

posterity has done its part in strengthening the grip of this pathology By understanding Ezekiel people may come to a better understanding of his sickness within themselves and thus eventually come to find healing **A Chorus of Prophetic**

Voices Mark McEntire, 2015-08-24 While there are many textbooks about the prophetic literature most have taken either a historical or literary approach to studying the prophets A Chorus of Prophetic Voices by contrast draws on both historical and literary approaches by paying careful attention to the prophets as narrative characters It considers each unique prophetic voice in the canon in its fully developed literary form while also listening to what these voices say together about a particular experience in Israel's story It presents these four scrolls Isaiah Jeremiah Ezekiel and the Book of the Twelve as works produced in the aftermath of destruction works that employ prophetic characters and as the words uttered during the crises The prophetic literature became for Israel living in a context of dispersion and imperial domination a portable and adaptable resource at once both challenging and comforting This book provides the fullest picture available for introducing students to the prophetic literature by valuing the role of the original prophetic characters the finished state of the books that bear their names the separate historical crises in the life of Israel they address and the chorus of prophetic voices one hears when reading them as part of a coherent literary corpus Reading Prophetic Books Marvin A. Sweeney, 2014-07-15 In this

volume Marvin A Sweeney builds upon his former work Form and Intertextuality in Prophetic and Apocalyptic Literature FAT 45 2005 He introduces further studies that take up several key issues including the reading of prophetic books in their final literary form and the significance of textual versions for this reading He also observes the intertextual relationships between the prophets and other works of biblical and post biblical literature and the reception of the prophetic books Following an introduction that lays out methodological perspective it includes the title essay for the volume Reading Prophetic Books as well as selections of papers devoted to Isaiah Jeremiah in both its Masoretic and Septuagint forms Ezekiel individual books from the Twelve Prophets and the reading of biblical texts in Qumran Rabbinic and Targumic literature **Congress**

Volume Ljubljana 2007 André Lemaire, 2009-12-14 This volume presents all the main lectures of the XIXth Congress of the International Organization for the Study of the Old Testament IOSOT held in Ljubljana July 2007 It is a very good sample of the main trends and progress of current biblical research on masoretic tradition Hebrew philology textual criticism literary criticism especially in prophetic books ancient Judaism formation of the collections of Ancient Scriptures and biblical themes especially according to the orthodox tradition of interpretation The thirty one authors are among the main international figures of current biblical exegesis and their contributions are representative of the study of the Old Testament at the beginning of the third millennium *The Prophets* Stephen L. Cook, John T. Strong, Steven S. Tuell, 2022-03-01 The prophets remain figures of enduring interest and importance in contemporary Judaism Christianity and even secular society The Prophets introduces students to the rise of prophecy in ancient Israel possible ancient Near Eastern parallels the messages of individual prophets and the significance of the compositional and editorial history of the prophetic writings The book guides

students into leading questions and issues in contemporary scholarship and surveys different contemporary approaches to the messages of the prophets Part 1 introduces the prophets and prophecy in context The rise of prophecy the role of the prophet key themes and the fate of prophecy are explored Part 2 profiles Israel's prophets during the eighth century the exile and the postexilic period This section will also look at each book of the prophets and how the prophetic writings fit within the complete Hebrew Bible and the Old Testament These chapters also provide insights into interpreting the prophetic writings today including Jewish and Christian interpretations prophecy and prediction and the secular legacy of Israelite prophecy This textbook includes numerous images charts and maps to enhance the experience of the students **Exclusive Inclusivity** Dalit Rom-Shiloni, 2013-07-18 The sixth and fifth centuries BCE were a time of constant re-identifications within Judean communities both in exile and in the land it was a time when Babylonian exilic ideologies captured a central position in Judean Jewish history and literature at the expense of silencing the voices of any other Judean communities Proceeding from the later biblical evidence to the earlier from the Persian period sources Ezra Nehemiah Haggai Zechariah and Deutero Isaiah to the Neo-Babylonian prophecy of Ezekiel and Jeremiah **Exclusive Inclusivity** explores the ideological transformations within these writings using the sociological rubric of exclusivity Social psychology categories of ethnicity and group identity provide the analytical framework to clarify that Ezekiel the prophet of the Jehoiachin Exiles was the earliest constructor of these exclusive ideologies Thus already from the Neo-Babylonian period definitions of otherness were being set to shape the self-understanding of each of the post-586 communities in Judah Yehud and in the Babylonian Diaspora as the exclusive People of God As each community reidentified itself as the in-group arguments of otherness were adduced to disregard and delegitimize the sister community The polemics against foreigners in the Persian period literature are the ideological successors to the earlier ideological conflict **Hard Words for Desperate Times** Caleb Gundlach, 2020-01-31 The challenge of reading the Old Testament as Christian Scripture is nowhere more evident than in the book of Ezekiel Its judgmental attitude harsh words and bizarre imagery provoke Christian readers who familiar with the gospel are unsure of what to do with such a strange book This volume from the Wycliffe Studies in Gospel Church and Culture series offers some Christ-centered reflections on the book of Ezekiel showing us that even here the same God present to us in Jesus Christ can be heard through an attentive listening to what Ezekiel is saying to us From words of judgement and bizarre imagery of heaven to redemptive forecasts of a hopeful future these meditations cover the difficult terrain of Ezekiel's visions and draw out a life-giving and Christ-centered reading of his strange message **Soul and Psyche** Wayne G. Rollins, 1999 The first introduction to the history and method of biblical psychological interpretation **Prophecy and Apocalyptic** D. Brent Sandy, Daniel M. O'Hare, 2007-11 A current and accessible guide to the literature on Old Testament prophecy **Prophecy and the Prophets in Ancient Israel** Oxford Old Testament Seminar, 2010-06-03 This important work on Prophecy and the Prophets in Ancient Israel is the product of an impressive international team of twenty-three outstanding scholars most of

whom are well known established names while a few are able younger scholars beginning to make their mark on the field The volume approaches its subject from a remarkable number of different angles with essays ranging from Israel s ancient Near Eastern background right through to the New Testament but the majority of essays concentrate on Prophecy and the Prophets in the Old Testament Particular attention is paid to the following subjects Prophecy amongst Israel s Ancient Near Eastern Neighbours Female Prophets in both Israel and the Ancient Near East Israelite Prophecy in the Light of modern Sociological Anthropological and Psychological Insights Deuteronomy 18 9 22 the Prophets and Scripture Elijah Elisha and Prophetic Succession the Theology of Amos Hosea and the Baal cu All the contributions previously unpublished arise from papers delivered at the Oxford Old Testament seminar

Introduction to the Prophets Paul L. Redditt, 2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt s Introduction to the Prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes

How to Read the Bible Marc Zvi Brettler, 2010-01-01 Master Bible scholar and teacher Marc Brettler argues that today s contemporary readers can only understand the ancient Hebrew Scripture by knowing more about the culture that produced it And so Brettler unpacks the literary conventions ideological assumptions and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature Brettler surveys representative biblical texts from different genres to illustrate how modern scholars have taught us to read these texts Using the historical critical method long popular in academia he guides us in reading the Bible as it was read in the biblical period independent of later religious norms and interpretive traditions Understanding the Bible this way lets us appreciate it as an interesting text that speaks in multiple voices on profound issues This book is the first Jewishly sensitive introduction to the historical critical method Unlike other introductory texts the Bible that this book speaks about is the Jewish one with the three part TaNaKH arrangement the sequence of books found in modern printed Hebrew editions and the chapter and verse enumerations used in most modern Jewish versions of the Bible In an afterword the author discusses how the historical critical method can help contemporary Jews relate to the Bible as a religious text in a more meaningful way

Ezekiel's Sign-Acts Tyler D. Mayfield, Penelope Barter, 2024-11-04 The Ezekiel passages describing the instructions for and dramatization of divine messages Ezekiel 3 5 12 24 37 are among the most bizarre in the Hebrew Bible The prophet is commanded to embody his message of judgment to

Jerusalem and these actions clarify the oracles they surround Yet these sign acts are frequently overlooked within Ezekiel studies which tend to focus on the book's strange visions and controversial oracles This volume addresses the growing diversity in approaches in Ezekiel studies by inviting international senior and junior scholars to focus on the texts concerning Ezekiel's sign acts It aims to redirect scholarly attention to these often ignored texts which stand so central to understanding the nature of prophecy as well as the overall book of Ezekiel *Readings from the Edges* Jean-Pierre Ruiz, 2011 Weaving together a range of border themes migration postcolonialism living in exile and the immigrant experience these readings bring fresh new insights to scholars clergy and others with backgrounds in contemporary theology and biblical study

The Oxford Handbook of the Reception History of the Bible Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown

Lars von Trier's Cinema Rebecca Ver Straten-McSparran, 2021-11-11 This book offers a bold and dynamic examination of Lars von Trier's cinema by interweaving philosophy and theology with close attention to aesthetics through style and narrative It explores the prophetic voice of von Trier's films juxtaposing them with Ezekiel's prophecy and Ricoeur's symbols of evil myth and hermeneutics of revelation The films of Lars von Trier are categorized as extreme cinema inducing trauma and emotional

rupture rarely paralleled while challenging audiences to respond in new ways This volume argues that the spiritual biblical content of the films holds a key to understanding von Trier s oeuvre of excess Spiritual conflict is the mechanism that unpacks the films notorious excess with explosive centrifugal force By confronting the spectator with spiritual conflict through evil von Trier s films truthfully and prophetically expose the spectator s complicity in personal and structural evil forcing self examination through theological themes analogous to the prophetic voice of the transgressive Hebrew prophet Ezekiel his prophecy and its form of delivery Placed in context with the prophetic voices of Dante Milton Dostoyevsky O Connor and Tarkovsky this volume offers a theoretical framework beyond von Trier It will be of great interest to scholars in film studies film and philosophy film and theology

Marxist Criticism of the Hebrew Bible: Second Edition Roland Boer, 2014-12-18 The only large scale critical introduction to Western Marxism for biblical criticism Roland Boer introduces the core concepts of major figures in the tradition specifically Althusser Gramsci Deleuze and Guattari Eagleton Lefebvre Lukacs Adorno Bloch Negri Jameson and Jameson Throughout Boer shows how Marxist criticism is relevant to biblical criticism in terms of approaches to the Bible and in the use of those approaches in the interpretation of specific texts In this second edition Boer has added chapters on Deleuze and Guattari and Negri Each chapter has been carefully revised to make the book more useful on courses while maintaining challenges and insights for postgraduate students and scholars Theoretical material has been updated and sharpened in light of subsequent research and a revised conclusion considers the economies of the ancient world in relation to biblical societies

Fathers and Daughters in the Hebrew Bible Johanna Stiebert, 2013-03-28 The father daughter dyad features in the Hebrew Bible in all of narratives laws myths and metaphors In previous explorations of this relationship the tendency has been to focus on discrete stories notable among them Judges 11 the story of Jephthah s human sacrifice of his daughter and Genesis 19 the dark tale of Lot s daughters seduction of their father By taking the full spectrum into account however the daughter emerges prominently as not only expendable and exploitable as an emphasis on daughter sacrifice or incest has suggested but as cherished and protected by her father Depictions of daughters are multifarious and there is a balance of very positive and very negative images While not uncritical of earlier feminist investigations this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis Alongside careful textual analysis Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour shame model of parallels with Roman family studies and of the application and meaning of patriarchy Following semantic analysis of the primary Hebrew terms for father and daughter as well as careful examination of inter family dynamics and the daughter s role vis vis the son s alongside thorough investigation of both Judges 11 and Genesis 19 and also of the metaphor of God the father of daughters Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date

The Fox and the Flies Charles van Onselen, 2010-08-09 A chance encounter with Silver s career in South Africa set Charles van Onselen on a twenty five year

obsession a journey to reconstruct the shadowy life and times of in some ways to match wits with a devious master criminal From Russian Poland in the 1860s where Silver was born Joseph Lis to London in the 1880s turn of the century New York Argentina and Africa van Onselen recaptures the dangerous demimonde of the Atlantic world Silver s notoriety was found among the most confidential correspondence of a dozen countries what those in law enforcement kept to themselves however was how their officers had attempted to use Silver as an informer to infiltrate syndicates built on vice only to have him outwit them as he moved in the risky space between police and prostitutes Such is the meticulousness of van Onselen s research that *The Fox and the Flies* is as rich in history as it is in the detail and drama of Silver s career as layer after layer of his life and times are revealed And it has an extraordinary pay off for van Onselen contends that Joseph Silver s darkest secret of all lay in London in the autumn of 1888 when before he embarked on his legendary life of crime he was indeed Jack the Ripper

Seeking Ezekiel Text Psychology Introduction

Seeking Ezekiel Text Psychology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Seeking Ezekiel Text Psychology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Seeking Ezekiel Text Psychology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Seeking Ezekiel Text Psychology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Seeking Ezekiel Text Psychology Offers a diverse range of free eBooks across various genres. Seeking Ezekiel Text Psychology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Seeking Ezekiel Text Psychology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Seeking Ezekiel Text Psychology, especially related to Seeking Ezekiel Text Psychology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Seeking Ezekiel Text Psychology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Seeking Ezekiel Text Psychology books or magazines might include. Look for these in online stores or libraries. Remember that while Seeking Ezekiel Text Psychology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Seeking Ezekiel Text Psychology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Seeking Ezekiel Text Psychology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seeking Ezekiel Text Psychology eBooks, including some popular titles.

FAQs About Seeking Ezekiel Text Psychology Books

What is a Seeking Ezekiel Text Psychology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Seeking Ezekiel Text Psychology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Seeking Ezekiel Text Psychology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Seeking Ezekiel Text Psychology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Seeking Ezekiel Text Psychology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
