Seeking Heart:

Honest - Seeking - Hearts Janet Whitehead,2021-11-03 We humans find it hard to believe God has our best in mind when life gives us painful experiences This book is about a terrible tragedy that happened to my family God used this tragedy to reveal precious truths about Himself and in the process I learned a lot about myself There are many hinderances to fellowship with God but they are all on our side Only embracing the mystery of life and allowing God to have His way will give us peace I have been inspired by other authors I pray this book will inspire its readers to get honest with God about themselves and seek Him with all their heart

Say Yes to God Kay Warren,2010-10-05 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same Say Yes to God formerly titled Dangerous Surrender will help you find the answer You have expectations for how your life will play out and you hope those plans will become realities But what if God s plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God s Kay Warren had a plan Together with her husband Rick Warren author of the megaseller The Purpose Driven Life she planned that after her kids were grown she d travel the world teaching and encouraging couples in ministry It was a good plan But it wasn t what God had in mind for her In her own startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God s call and then to surrender herself to God She cried out to God Why are you bothering me with this There s nothing I can do about it I m just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn t let go If you ve ever struggled with knowing and doing God s will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you say yes to God Along the way she ll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God s hands Giving in to God isn t easy It s not for cowards It s the boldest riskiest step you ll ever take This dangerous surrender can bring both joy and pain both heartache and ecstasy but it enables you to know God in a far deeper way than ever before I had to make a conscious decision Would I retreat to my comfortable life and to my settled plans Or would I surrender to God s call and let my heart engage with the cause to which he called me one that I was pretty sure would include buckets of pain and sorrow I felt like I was standing on the edge of a giant precipice I couldn t go back and yet the way forward looked like stepping into a void Kay Warren took that step choosing to say yes to God That decision transformed her life and reshaped her future She invites you to do the same You ll benefit most by discussing this book with others A Readers Group Discussion Guide is provided in the back of the book Additional help can be found at www.kaywarren.com

Money in the Bible, Nesara, the Federal Reserve Bill Stone, 2022-04-15 We re going to talk about NESARA with you today Corruption and the Federal Reserve So you ve undoubtedly seen some of my work before No we have a complete money list for you to review Because I enjoy performing that portion you can look at the gold back standard Nesara and the Bible When it comes to the Federal Reserve the majority of people have never heard of it Whoa whoa whoa whoa whoa whoa whoa whoa whoa who People are taught and the majority of people are taught that money

is uninteresting It is not something I study That s something I delegated to my financial planner I could also hire a banker to do it for me Isn t the bank aware of this I recall transferring our accounts to a new bank I had a bank vice president come in and ask me a lot of questions about this And we ve had a lot of conversations And the person next to her was having a hard time He responds Yeah but doesn t the Federal Reserve handle the money He didn t have adequate information on the subject Now the reality of what s to come as NESARA will explain in a minute However when that time arrives you ll need to alter your money related cognitive process So let s take a look at the Federal Reserve s history So guy 1912 April 1912 is a fascinating period for purchasing I ve been a Christian for a long time but I recall doing a lot of research because I had dyslexia and learning was difficult for me I put in a lot of effort And I began reading when I was a teenager Before that I hadn t read much at all I mean just a smidgeon but not much But I was getting into end of the world scenarios But I was also studying a variety of other subjects There were numerous elites in the past and there are still many today They re multi billionaires What s more intriguing is that they were opposed to the Federal Reserve And we ll get to that in a minute The majority of them were anti Federal Reserve Now this is a central bank so you should know a little about history In 1775 we as Americans threw over the tea in the Boston Tea Party because we were being taxed We despised the concept of a world without representation By the way we all despise that concept And we despised the Stamp Act and all the other attempts by the crown to dictate to the colonies what they could and could not do as well as what they would take from them
