Browning's Lyrics Eleanor Cook, 1974-12-15 Browning's lyrics are favourite choices for anthologies but are rarely examined closely This is the first full length study of the lyrics and includes detailed analyses of such well known poems as Love Among the Ruins Two in the Campagna A Serenade at the Villa A Toccata of Galuppi's By the Fireside and James Lee's Wife Eleanor Cook explores Browning's use of repeated images and themes in the lyrics examines these patterns in other poems and in his letters and analyses their growth and change in all his work She demonstrates how the lyrics may be linked with Browning's other work and shows something of his essential artistic unity His imaginary is found to be more consistent and complex than is usually assumed Students of Browning will find this work stimulating and instructive while lovers of Browning will read it with pure pleasure The reader will return to many of the poems with a richer sense of their continuing vitality In an earlier form this study was awarded the first A S P Woodhouse Prize by the University of Toronto *The Contemporary Review*, 1926 **A Study of Elizabeth Barrett Browning** Lilian Whiting, 1899 The Literary Digest International Book Review Clifford Smyth, 1924 **Browning Studies** Vernon Charles Harrington, 1915 **The Dramatic Index**, 1915 **The Poems of Browning: Volume Three** John Woolford, Daniel Karlin, Joseph Phelan, 2014-04-08 The Poems of Browning is a multi volume edition of the poetry of Robert Browning 1812-1889 resulting from a completely fresh appraisal of the canon text and context of his work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the origins and development of Browning's art Annotations and headnotes in keeping with the traditions of Longman Annotated English Poets are full and informative and provide details of composition publication sources and contemporary reception Volumes one 1826-1840 and two 1841-1846 presented the poems from his early years up to his marriage to Elizabeth Barrett including the dramatic poem Paracelsus 1835 which first brought him to wide attention and Sordello 1840 which confirmed him as a poet of ambition and imagination Volume three 1847-1861 of The Poems of Browning covers the years of Browning's life in Italy with his wife Elizabeth Barrett Browning During the fifteen years of his marriage and self imposed exile Browning produced Christmas Eve and Easter Day 1850 a major statement of his religious philosophy and Men and Women 1855 his greatest collection of shorter poems The poems of Men and Women like all Browning's work are steeped in his wide and idiosyncratic knowledge of literature music art history and popular culture but a new and distinctive touch comes from the sights sounds and textures of ordinary life in Italy Based on a comprehensive study of textual and contextual sources including a significant amount of hitherto undiscovered or unpublished manuscripts of poems and letters this volume offers the most complete and informative edition of works that are central to Browning's achievement In addition Browning's most important work of critical prose the Essay

on Shelley is presented in an appendix with full annotation and poems which refer to specific works of painting or sculpture are illustrated with colour plates Volumes four presents the poetry Browning produced during the decade following the death of his wife including *Dramatis Personae* which heralded a re evaluation of his critical reputation and *The Ring and the Book* which many consider to be his greatest work *The Poems of Browning* represents the most informative and up to date edition of the works of one of England s greatest poets **The Dramatic Index for ...** Frederick Winthrop Faxon, Mary Estella Bates, Anne C. Sutherland, 1916 Issues for 1912 16 1919 accompanied by an appendix *The Dramatic books and plays in English* title varies slightly This bibliography was incorporated into the main list in 1917 18 *Browningmania, America's Love for Robert Browning* Hédi Jaouad, 2014-11-28 In the 1880s and 1890s the Victorian poet Robert Browning was the lion of the day in the United States particularly in Rochester Browning s work was widely read and discussed Even today there are still many in America who consider themselves Browningsites and many of them belong to Browning clubs and societies This book the fruit of thorough and patient archival digging brings together various fragmentary local sources and quaint memorabilia hitherto unknown to scholars It vividly recovers the spirit of the fascination with Browningmania and more broadly Victoriana that Rochesterians and Americans in general evinced in the last two decades of the nineteenth century and early part of the twentieth century Browning s popularity undeserved many thought remains nonetheless a unique phenomenon in literary and cultural history well worthy of study and comprehension Although several books and articles were devoted to this subject none offers a sustained explanation of how and why Browning became such an iconic figure This book fills a gap in the scholarship and critical reception of Browning This study offers Browning scholars and Victorianists in general a new perspective on some long neglected but crucial material It will be of particular interest to students and scholars in Reception and American studies as well as cultural and literary historians Because it brings together many local anecdotes and memorabilia this book will also find appreciative readers among the general public especially in upstate New York region particularly Rochester **Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God** Linda M. Lewis, 1998 Lewis English Bethany College studies Browning s religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest Using insights from contemporary feminist thought she argues that Browning s religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest Draws on Browning s most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets Annotation copyrighted by Book News Inc Portland OR *Robert Browning as a Religious Poet* Vincent P.
