Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life *Media and Religion* Daniel A. Stout, 2013-06-17 This text examines the history theory cultural context and professional

aspects of media and religion While religion has been explored more fully in psychology sociology anthropology and the humanities there is no clear bridge of understanding to the communication discipline Daniel A Stout tackles this issue by providing a roadmap for examining this understudied area so that discussions about media and religion can more easily proceed Offering great breadth this text covers key concepts and historical highlights world religions denominations and cultural religion and religion and specific media genres The text also includes key terms and questions to ponder for every chapter and concludes with an in class learning activity that can be used to encourage students to explore the media religion interface and review the essential ideas presented in the book Media and Religion is an ideal introduction for undergraduate students in need of a foundation for this emerging field

**Knowledge and Ignorance** Folke Dovring,1998-03-25 Dovring explores the limits of science as causes of ignorance Some topics examined in these essays are problems with our ways of knowing and the impact of emotion on objectivity He argues that reality consists of designs of things and processes While most designs we might think of cannot exist those that can exist add up to a tool box of creation which contains the detailed laws of nature many of them synergisms Reality must conform to this web of necessities hence the danger of unchecked virtual reality These lines of thought are then applied to evolution as creation and history In a final essay Dovring explores topics upon which science should concentrate This book will be of interest to scientists as well as the lay public interested in the theory of science and questions of truth and faith

Karma Karen Reed Hadalski,2011 Karma isn t a mystery Karma isn t an esoteric philosophy Karma is a natural law the Law of Cause and Effect and just like gravity it is constantly at work in the world and in your life whether you know it or believe in it or not The book you are holding will give you the knowledge and tools necessary to discover and understand the playing out of karma in your physical mental psychological social and spiritual life It will help you to make sense of your life circumstances and provide a road map for traveling to a more fulfilling joyous and purposeful future

*Sundial* Barbara E. Bryden,2005 *Edgar Cayce in Context* K. Paul Johnson,2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective

**Race and Practice in Archaeological Interpretation** Charles E. Orser, Jr., 2013-04-19 Scholars who investigate race a label based upon real or perceived physical differences realize that they face a formidable task The concept has been contested and condoned debated and denied throughout modern history Presented with the full understanding of the complexity of the issue Race and Practice in Archaeological Interpretation concentrates on the archaeological analysis of race and how race is determined in the archaeological record Most archaeologists even those dealing with recent history have usually avoided the subject of race yet Charles E Orser Jr contends that its study and its implications are extremely important for the science of archaeology Drawing upon his considerable experience as an archaeologist and using a combination of practice theory as interpreted by Pierre Bourdieu and spatial theory as presented by Henri Lefebvre Orser argues for an explicit archaeology of race and its interpretation The author reviews past archaeological usages of race including a case study from early nineteenth century Ireland and explores the way race was used to form ideas about the Mound Builders the Celts and Atlantis He concludes with a proposal that historical archaeology cast as modern world archaeology should take the lead in the archaeological analysis of race because its purview is the recent past that period during which our conceptions of race developed

[Common Phantoms](#) Alicia Puglionesi, 2020-08-25 Sances clairvoyance and telepathy captivated public imagination in the United States from the 1850s well into the twentieth century Though skeptics dismissed these experiences as delusions a new kind of investigator emerged to seek the science behind such phenomena With new technologies like the telegraph collapsing the boundaries of time and space an explanation

seemed within reach As Americans took up psychical experiments in their homes the boundaries of the mind began to waver Common Phantoms brings these experiments back to life while modeling a new approach to the history of psychology and the mind sciences Drawing on previously untapped archives of participant reported data Alicia Puglionesi recounts how an eclectic group of investigators tried to capture the most elusive dimensions of human consciousness A vast though flawed experiment in democratic science psychical research gave participants valuable tools with which to study their experiences on their own terms Academic psychology would ultimately disown this effort as both a scientific failure and a remnant of magical thinking but its challenge to the limits of science the mind and the soul still reverberates today Beyond Heaven and Earth Steven H Propp,2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and sances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah s Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE **Virginia Myths and Legends** Emilee Hines,2015-11-01 Part of our new and growing Mysteries and Legends series Mysteries and Legends of Virginia explores unusual phenomena strange events and mysteries in Virginia s history Each episode included in the book is a story unto itself and the tone and style of the book is lively and easy to read for a general audience interested in Virginia history **Nine Simple Laws to Create Joy and Grace** Aaron L.
