Ranger,2023-04-28 Dance and Society in Eastern Africa 1890 1970 The Beni Ngoma explores the cultural phenomenon of Beni ngoma a dance deeply connected to eastern Africa's history and colonial experience Combining military inspired music drill style choreography and dynamic social hierarchies Beni ngoma reflects and critiques colonial influences This study traces its origins in Swahili traditions its evolution across rural and urban settings and its adaptation into forms like Mganda and Kalela Using archival research oral histories and fieldwork the book reveals how this vibrant cultural form became a powerful expression of African creativity and resilience during a period of profound social transformation Written by a former University of Dar es Salaam professor the book offers a fresh approach to understanding the colonial experience in eastern Africa through the lens of popular culture It situates Beni ngoma within the broader context of social and cultural changes examining its role in negotiating identity resistance and adaptation Highlighting the interplay between African traditions and colonial modernity Dance and Society in Eastern Africa invites readers to reconsider how festive practices illuminate the lived experiences of those navigating change This book is ideal for history enthusiasts and cultural scholars seeking an engaging and insightful perspective on eastern Africa's past This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 **Christianity in**

Tropical Africa C. G. Baëta,2018-08-16 Originally published in 1968 this volume discusses the issues and problems relevant to Christianity in Tropical Africa It includes historical studies of the earlier Catholic and Protestant missions and their relationship with African communities traders and colonial administrations the social and psychological aspects of conversion and responses to the teaching of the gospel and the impact of Christian teaching on indigenous beliefs the analysis of modern trends such as separatism The Cambridge History of Africa J. D. Fage,Roland Anthony Oliver,A. D. Roberts,1975 This

seventh volume in The Cambridge History of Africa examines the period 1905 40 in African history **An Ethos of Blackness** Vivaldi Jean-Marie,2023-09-26 Rastafari is an Afrocentric social and religious movement that emerged among Afro Jamaican communities in the 1930s and has many adherents in the Caribbean and worldwide today This book is a groundbreaking account of Rastafari demonstrating that it provides a normative conception of Blackness for people of African descent that resists Eurocentric and colonial ideas Vivaldi Jean Marie examines Rastafari's core beliefs and practices arguing that they constitute a distinctively Black system of norms and values at once an ethos and a cosmology He traces

Rastafari's origins in enslaved people's strategies of resistance Jamaican Revivalism and Garveyism showing how it incorporates ancestral religious traditions and emancipatory politics An Ethos of Blackness draws out the significance of practices such as avoiding technological exploitation of natural artifacts and the belief in living in harmony with the natural order Jean Marie considers Rastafari's theology exploring its reinterpretation of biblical scriptures and its foundations in the rejection of Christianity's Eurocentrism and racism However he insists before Rastafari can fulfill its promise of liberation for people of African descent it must confront its failure to include women and redress sexism Through rigorous and sensitive reflections on Rastafari culture and cosmology this book offers deeply original insights into the Black theological imagination

U.S. Relations with South Africa: An Annotated Bibliography Y G-M Lulat, 1990-12-31 A comprehensive two volume annotated bibliography of books and monographs journal articles government documents documents of nongovernmental organizations and substantive magazine and newspaper articles published since the late nineteenth century Annotated entries contain a short abstract a table of contents and information on reviews Each volume contains an author and subject index and a periodical is included in Volume Two Topics covered include US Foreign Policy Southern Africa in US South African Relations Nuclear Technology and Other Sectors of Trade and Economic Relations Education Scientific and Cultural Exchanges African Americans and South Africa Divestment Disinvestment and Sanctions Divestment Disinvestment and Sanctions Comparative Studies This two volume work is part of a larger project that included publication of a nearly 700 page book titled United States Relations with South Africa A Critical Overview from the Colonial Period to the Present which is a critical overview of relations between the United States and South Africa going nearly as far back as the very beginning of their inception as permanent European colonial intrusions and it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geopolitical location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Collected Seminar Papers ,1988 **Becoming Rasta** Charles Price, 2009-09-01 An exploration into why and how Jamaicans become Rastafari in spite of increasing incrimination of the religion So much has been written about the Rastafari yet we know so little about why and how people join the Rastafari movement Although popular understandings evoke images of dreadlocks reggae and marijuana Rastafarians were persecuted in their country becoming a people seeking social justice Yet new adherents continued to convert to Rastafari despite facing adverse reactions from their fellow citizens and from their British rulers Charles Price draws on in depth interviews to reveal the personal experiences of those who adopted the religion in the 1950s to 1970s one generation past the movement's emergence By talking with these Rastafari elders he seeks to understand why and how Jamaicans became Rastafari in spite of rampant discrimination and what sustains them in their faith and identity Utilizing new conceptual frameworks Price explores the identity development of Rastafari demonstrating how shifts in the movement's identity from social pariah to exemplar of Blackness have led some of

the elder Rastafari to adopt embrace and internalize Rastafari and blackness as central to their concept of self African Nationalism in the Twentieth Century Hans Kohn,Wallace Sokolsky,1965 *Black Liberation* George M.

Fredrickson,1996-10-31 When George M Fredrickson published *White Supremacy A Comparative Study in American and South African History* he met universal acclaim David Brion Davis writing in The New York Times Book Review called it one of the most brilliant and successful studies in comparative history ever written The book was honored with the Ralph Waldo Emerson Prize the Merle Curti Award and a jury nomination for the Pulitzer Prize Now comes the sequel to that acclaimed work In *Black Liberation* George Fredrickson offers a fascinating account of how blacks in the United States and South Africa came to grips with the challenge of white supremacy He reveals a rich history not merely of parallel developments but of an intricate transatlantic web of influences and cross fertilization He begins with early moments of hope in both countries Reconstruction in the United States and the liberal colonialism of British Cape Colony when the promise of suffrage led educated black elites to fight for color blind equality A rising tide of racism and discrimination at the turn of the century however blunted their hopes and encouraged nationalist movements in both countries Fredrickson teases out the connections between movements and nations examining the transatlantic appeal of black religious nationalism known as Ethiopianism and the pan Africanism of Du Bois and Garvey He brings to vivid life the decades of struggle organizing and debate as blacks in the United States looked to Africa for identity and South Africans looked to America for new ideas and hope The book traces the rise of Communist influence in black movements in the two nations in the 1920s and 30s and the adoption of Gandhian nonviolent protest after World War II The story of India s struggle however was not to be repeated in either America or South Africa in one nation nonviolence revealed its limitations encouraging splits in the civil rights movement in the other it failed fostering an armed struggle against white supremacy Fredrickson brings the story up through the present exploring the divergence between African American identity politics and the nonracialism that has triumphed in South Africa In a career spanning thirty years George Fredrickson has won recognition as the leading scholar of the struggle over racial domination in the United States and South Africa In *Black Liberation* he provides the essential companion volume to his award winning *White Supremacy* telling the story of how blacks fought back on both sides of the Atlantic *Branch Library Book News* ,1935
