Lagerwey, 2020-11-24 Examines the bleak television comedies that illustrate the obsession of the white left with its own anxiety and suffering At the same time that right wing political figures like Donald Trump were elected and reactionary socio economic policies like Brexit were voted into law representations of bleakly comic white fragility spread across television screens American and British programming that featured the abjection of young middle class liberal white people such as *Broad City* *Casualty* *You're the Worst* *Catastrophe* *Fleabag* and *Transparent* proliferated to wide popular acclaim in the 2010s Taylor Nygaard and Jorie Lagerwey track how these shows of the white left obsessed with its own anxiety and suffering are complicit in the rise and maintenance of the far right particularly in the mobilization representation and sustenance of structural white supremacy on television Nygaard and Lagerwey examine a cycle of dark television comedies the focus of which are horrible white people by putting them in conversation with similar upmarket comedies from creators and casts of color like *Insecure* *Atlanta* *Dear White People* and *Master of None* Through their analysis they demonstrate the ways these non white centric shows negotiate prestige TV's dominant aesthetics of whiteness and push back against the centering of white suffering in a time of cultural crisis Through the lens of media analysis and feminist cultural studies Nygaard and Lagerwey's book opens up new ways of looking at contemporary television consumption and the political cultural and social repercussions of these horrible white people shows both on and off screen

A Hero in All of Us? Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are *Only Murders in the Building* *Game of Thrones* *The Good Lord Bird* *The Boys* and *Severance* What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one *A Hero in All of Us* Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves

A Club of Their Own Eli

Lederhendler, Gabriel N. Finder, 2016-10-05 Volume XXIX of Studies in Contemporary Jewry takes its title from a joke by Groucho Marx I don't want to belong to any club that will accept me as a member The line encapsulates one of the most important characteristics of Jewish humor the desire to buffer oneself from potentially unsafe or awkward situations and thus to achieve social and emotional freedom By studying the history and development of Jewish humor the essays in this volume not only provide nuanced accounts of how Jewish humor can be described but also make a case for the importance of humor in studying any culture A recent survey showed that about four in ten American Jews felt that having a good sense of humor was an essential part of what being Jewish means to them on a par with or exceeding caring for Israel observing Jewish law and eating traditional foods As these essays show Jewish humor has served many functions as a form of insider speech It has been used to ridicule to unite people in the face of their enemies to challenge authority to deride politics and politicians in America to ridicule conspicuous consumption in Israel to contrast expectations of political normalcy and bitter reality However much of contemporary Jewish humor is designed not only or even primarily as insider speech Rather it rewards all those who get the punch line A Club of Their Own moves beyond general theorizing about the nature of Jewish humor by serving a smorgasbord of finely grained historically situated and contextualized interdisciplinary studies of humor and its consumption in Jewish life in the modern world
