Deborah Heller,2016-03-03 Bringing together top specialists in the field this edited volume challenges the theory that the eighteenth century British intellectual women known as the Bluestockings were an isolated phenomenon spanning the period from the 1750s through the 1790s On the contrary the contributors suggest the Bluestockings can be conceptualized as belonging to a chain of interconnected networks taking their origin at a threshold moment in print media and communications development and extending into the present The collection begins with a definition of the Bluestockings as a social role rather than a fixed group a movement rather than a static phenomenon an evolving dynamic reaching into our late modern era Essays include a rare transcript of a Bluestocking conversation new previously unknown Bluestockings brought to light for the first time and descriptions of Bluestocking activity in the realms of natural history arts and crafts theatre industry travel and international connections The concluding essay argues that the Blues reimagined and practiced women s work in ways that adapted to and altered the course of modernity decisively putting a female imprint on economic social and cultural modernization Demonstrating how the role of the Bluestocking has evolved through different historical configurations yet has structurally remained the same the collection traces the influence of the Blues on the Romantic Period through the nineteenth century and proposes the reinvention of Bluestocking practice in the present *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a

workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries   *The English Short Story in Canada* Reingard M. Nischik,2017-04-11 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro   Canadian Reference Sources Mary E. Bond,Martine M. Caron,1996 This bibliography cites those Canadian and foreign reference sourcesthat describe Canadian people institutions organizations publications art literature languages and history It lists booksof a general nature as well as works in the disciplines of history andthe humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in everysubject area when available The contents of the book are indexed fourways by name title French subject and English subject And tofacilitate browsing the major reference books those dealing with morethan one subject or a large geographical region are alsocross referenced Two entries have been created for each bilingual document in orderto provide access and bibliographical descriptions in both ofCanada s official languages Entries for unilingual works include acitation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non printformats previous editions and title changes and related works Canadian Reference Sources will be an invaluable referencetool for future scholars and researchers   **Wider Boundaries of Daring** Di Brandt,Barbara Godard,2011-09-08 Wider Boundaries of Daring The Modernist Impulse in Canadian Women s Poetry announces a bold revision of the genealogy of Canadian literary modernism by foregrounding the originary and exemplary contribution of women poets critics cultural activists and experimental prose writers Dorothy Livesay P K Page Miriam Waddington Phyllis Webb Elizabeth Brewster Jay Macpherson Anne Wilkinson Anne Marriott and Elizabeth Smart In the introduction editor Di Brandt champions particularly the achievements of Livesay Page and Webb in setting the visionary parameters of Canadian and international literary modernism The writers profiled in Wider Boundaries of Daring are the real founders of Canadian modernism the contributors of this volume argue both for their innovative aesthetic and literary experiments and for their extensive cultural activism They founded literary magazines and writers groups wrote newspaper columns and created a new forum for intellectual debate on public radio At the same time they led busy lives as wives and mothers social workers and teachers editors and

critics and competed successfully with their male contemporaries in the public arena in an era when women were not generally encouraged to hold professional positions or pursue public careers The acknowledgement of these writers formidable contribution to the development of modernism in Canada and along with it wider boundaries of daring for women and other people previously disadvantaged by racial ethnic or religious identifications has profound implications for the way we read and understand Canadian literary and cultural history and for the shape of both national and international modernisms   **The United States Catalog** ,1924   *Irish Literature* Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett   *Canadian Exploration Literature* Germaine Warkentin,2007 This anthology is an entry point into the beginnings of a literate response to the awe and wonder inspired by an unfolding geography   **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1895   *A Supplement to Allibone's Critical Dictionary of English Literature and British and American Authors ...* John Foster Kirk,1891
