Selected Letters 1907 1941

Melissa Bradshaw

Selected Letters 1907 1941:

The Selected Letters of Ezra Pound, 1907-1941 Ezra Pound, 1971 Originally published in 1950 under title *The Letters of Ezra Pound 1907 1941* Letters, 1907-1941 Ezra Pound, 1971 The Selected Letters, 1907-1941 Ezra Pound, 1971

The Selected Letters of Ezra Pound Ezra Pound, 1950 *The Letters of Ezra Pound, 1907-1941* Ezra Pound, 1974

American Poets and Poetry Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff d with the stuff that is coarse and stuff d with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points *Ezra Pound and Neoplatonism* P. Th. M. G. Liebrechts, 2004 This book is a detailed study of Ezra Pound s explicit and implicit use of elements of the Neoplatonic tradition in his prose and poetry and of the way it informed his poetics as well as his political and social economic views The book not only discusses the ideas of those Pound considered to be leading figures in the development of Neoplatonism such as Plotinus Dionysus the Areopagite Eriugena Dante Gernisthus Plethon and Thomas Taylor but more importantly it shows how and why Pound adapted and appropriated their notions to develop his interpretation of what he saw as an ongoing Neoplatonic tradition Through this adaptation of Neoplatonism Pound s work may be seen as an insightful commentary upon this religio philosophical tradition as well as a contribution to it **Amy Lowell, Diva Poet** Melissa Bradshaw, 2016-12-05 In her reassessment of Amy Lowell as a major figure in the modern American poetry movement Melissa Bradshaw uses theories of the diva and female celebrity to account for Lowell s extraordinary literary influence in the early twentieth century and her equally extraordinary disappearance from American letters after her death Recognizing Amy Lowell as a literary diva Bradshaw shows accounts for her commitment to her art her extravagant self promotion and self presentation and her fame which was of a kind no longer associated with poets It also

explains the devaluation of Lowell's poetry and criticism since a woman's diva status is always short lived and the accomplishments of celebrity women are typically dismissed and trivialized In restoring Lowell to her place within the American poetic renaissance of the nineteen teens and twenties Bradshaw also recovers a vibrant moment in popular culture when poetry enjoyed mainstream popularity audiences packed poetry readings and readers avidly followed the honors exploits and feuds of their favorite poets in the literary columns of daily newspapers Drawing on a rich array of letters memoirs newspapers and periodicals but eschewing the biographical interpretations of her poetry that have often characterized criticism on Lowell Bradshaw gives us an Amy Lowell who could not be further removed from the lonely victim of ill health and obesity who appears in earlier book length studies Amy Lowell as diva poet takes her rightful place as a powerful writer of modernist verse who achieved her personal and professional goals without capitulating to heteronormative ideals of how a woman should act think or appear

Amy Lowell, American Modern Adrienne Munich, Melissa Bradshaw, 2004 A collection of essays that explore the influence work and legacy of Pulitzer Prize winning American poet Amy Lowell

The Classics in Modernist Translation Lynn Kozak, Miranda Hickman, 2019-02-07 This volume sheds new light on a wealth of early 20th century engagement with literature of Graeco Roman antiquity that significantly shaped the work of anglophone literary modernism The essays spotlight translation a concept the modernists themselves used to reckon with the Classics and to denote a range of different kinds of reception from more literal to more liberal translation work as well as forms of what contemporary reception studies would term adaptation refiguration and intervention As the volume's essays reveal modernist translations of Classical texts crucially informed the innovations of many modernists and often themselves constituted modernist literary projects Thus the volume responds to gaps in both Classical reception and Modernist studies essays treat a comparatively understudied area in Classical reception by reviving work in a subfield of Modernist studies relatively inactive in recent decades but enjoying renewed attention through the recent work of contributors to this volume The volume's essays address work significantly informed by Classical materials including Homer Sophocles Euripides Sappho Ovid and Propertius and approach a range of modernist writers Pound and H D among the modernists best known for work engaging the Classics as well as Cummings Eliot Joyce Laura Riding and Yeats
