Selected Poems And Tragedies:

Selected Poems Sophocles, 2018-06-26 Sophocles tragedies from Antigone to Oedipus Tyrannus are filled with highly wrought vivid and emotionally powerful poetry Yet most translations sacrifice the poetry to convey only the sense of the lines as dramatic speech This is the first book in English to present Sophocles exclusively as a poet and the only volume to reveal the full force and beauty of his verse With a fresh and consistent attention to structure language and rhythm across Sophocles writings Reginald Gibbons has translated a selection of odes from Sophocles surviving plays as well as fragments from his lost works What emerges is a genuinely new sense of a Sophocles who was as much poet as dramatist Bringing the Greek poet and his world surprisingly close to us these translations also restore a sense of the long continuity of poetry Complete with an introduction this edition reveals Sophocles poetic brilliance as never before **Select Poems and**

Tragedies (Classic Reprint) Victor Hugo, 2017-12-15 Excerpt from Select Poems and Tragedies I was holding him fast by the bridle In knots stood each muscle and vein My brow was all lined with my efforts His headlong career to restrain A horse of a glorious lineage Astarte like born of the foam Daily fed from Aurora s bright chalice Brought straight from her own starry home A steed mighty and grand in his movements Untamable bounding on high Ever filling with resonant neighings The vault of the deep azure sky To heaven each genius his bowl lifts And kindling his torch from the sky On the back of this wonderful monster Is seated and borne up on high All thy poets and prophets in order Thou knowest O earth by the scars Of the burnings received from his harness Which shineth all over with stars About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Selected Poems** Kenneth Patchen, 1957 Poems of humor protest love and wonder by one of America s most original voices

Selected Poems Henry Wadsworth Longfellow, 1988-01-01 Longfellow was the most popular poet of his day This selection includes generous samplings from his longer works Evangeline The Courtship of Miles Standish and Hiawatha as well as his shorter lyrics and less familiar narrative poems For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Hölderlin and the Poetry of Tragedy** Jeremy Tambling, 2014-01-01 Hölderlin 1770 1843 is the magnificent writer whom Nietzsche called my favourite poet His writings and poetry have been

formative throughout the twentieth century and as influential as those of Hegel his friend At the same time his madness has made his poetry infinitely complex as it engages with tragedy and irreconcilable breakdown both political and personal with anger and with mourning This study gives a detailed approach to Hlderlin s writings on Greek tragedy especially Sophocles whom he translated into German and gives close attention to his poetry which is never far from an engagement with tragedy Hlderlin s writings always fascinating enable a consideration of the various meanings of tragedy and provide a new reading of Shakespeare particularly Julius Caesar Hamlet and Macbeth the work proceeds by opening into discussion of Nietzsche especially *The Birth of Tragedy* Since Hlderlin was such a decisive figure for Modernism to say nothing of modern Germany he matters intensely to such differing theorists and philosophers as Walter Benjamin Theodor Adorno Martin Heidegger Maurice Blanchot and Jacques Derrida all of whose views are discussed herein Drawing upon the insights of Hegelian philosophy and psychoanalysis this book gives the English speaking reader ready access to a magnificent body of poetry and to the poet as a theorist of tragedy and of madness Hlderlin s poetry is quoted freely with translations and commentary provided This book is the first major account of Hlderlin in English to offer the student and general reader a critical account of a vital body of work which matters to any study of poetry and to all who are interested in poetry s relationships to madness It is essential reading in the understanding of how tragedy pervades literature and politics and how tragedy has been regarded and written about from Hegel to Walter Benjamin
