Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems *The Poems of Ben Jonson*

Ben Jonson, 1936 **The Poems of Ben Jonson** Tom Cain, Ruth Connolly, 2021-11-29 Ben Jonson who was with Shakespeare and Marlowe one of three principal playwrights of his age was also one of its most original and influential poets Known best for the country house poem *To Penshurst* and his moving elegy *On my First Son* his work inspired the whole generation of seventeenth century poets who declared themselves the Sons of Ben This edition brings his three major verse publications *Epigrams* 1616 *The Forest* 1616 and *Underwood* 1641 together with his large body of uncollected poems to create the largest collection of Jonson's verse that has been published It thus gives readers a comprehensive view of the wide range of his achievement from satirical epigrams through graceful lyrics to tender epitaphs Though he is often seen as the preeminent English poet of the plain style Jonson employed a wealth of topical and classical allusion and a compressed syntax which mean his poetry can require as much annotation for the modern reader as that of his friend John Donne This edition not only

provides comprehensive explanation and contextualization aimed at student and non specialist readers alike but presents the poems in a modern spelling and punctuation that brings Jonson s poetry to life *The Complete Poems* Ben Jonson,1975

Selected Poems Robert Herrick,2003 A great survivor among the Cavalier poets most of his poems were composed in a remote Devonshire parish Even so the body of his poetry is large and his religious vocation hardly shows in the almost innocent exuberance of his fine verse **Selected Poetry** Ben Jonson,1992 **New Selected Poems** Thom

Gunn,2018-11-13 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there s nothing archaic quaint or sepia toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn s dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn s inimitable career *John Skelton* John Skelton,2020-11-25 This book presents a collection of works of John Skelton the first great modern English poet who wrote in a vigorous vernacular taking literary English out of the medieval world and enriching it with new forms and tones It provides notes and glossary illuminating Skelton s works for the reader
