Selected Poems Of Horace:

Selected Poems of Horace George F. Whicher, 1949 Selected poems of Horace Horace, 1945 **Selected Poems of Horace** Quintus Flaccus, 2015-04-08 Roman poet Horace's works rendered into Chinese Selected Poems of Horace Gregory Horace Gregory, 1951 **Dryden: Selected Poems** Paul Hammond, David Hopkins, 2020-08-17 Dryden Selected Poems is drawn from Paul Hammond and David Hopkins's remarkable five volume *The Poems of John Dryden* and includes a generous selection of his most important work. The great satires *MacFlecknoe* and *Absalom and Achitophel* are included in full as are his religious poems *Religio Laici* and *The Hind and the Panther* along with a number of Dryden's translations from Horace, Ovid, Homer and Chaucer. Each poem is accompanied by a headnote which gives details of composition, publication and reception. The first-rate annotations provide information on matters of interpretation and give details of allusions that might prove baffling to contemporary readers. Some 300 years after his death, Dryden Selected Poems will enable new generations of readers to discover the poet of whom Eliot wrote we cannot fully enjoy or rightly estimate a hundred years of English poetry unless we fully enjoy Dryden.

The Complete Odes and Satires of Horace Horace, 2016-06-30 Horace has long been revered as the supreme lyric poet of the Augustan Age. In his perceptive introduction to this translation of Horace's Odes and Satires, Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later. Horace shares with Italians of today a distinctive delight in the senses, a fundamental irony, a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation. In many ways as Alexander puts it, Horace is the quintessential Italian. The voice we hear in this graceful and carefully annotated translation is thus one that emerges with clarity and dignity from the heart of an unchanging Latin culture. Alexander is an accomplished poet, novelist, biographer and translator who has lived in Italy for more than thirty years. Translating a poet of such variety and vitality as Horace calls on all his literary abilities. Horace Quintus Horatius Flaccus 65-8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus and Caesar. His poetry ranges over politics, the arts, religion, nature, philosophy and love, reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside. Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness, accuracy and charm, avoiding affectations of archaism or modernism. He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages. This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft.

Selected Poems Pierre Ronsard, 2002-08-29 One of France's most influential love poets, Pierre de Ronsard embraced a variety of themes from politics, science and philosophy to bawdy and risqué material that outraged religious reformers. Drawing on classical and Italian poetic models and on powerful imagery from ancient

mythology Ronsard created verse that revolutionized the French poetic tradition His style ranges from the sublime rhetoric of the Pindaric odes and hymns to the lyricism and sensuality of his sonnets Ronsard s poetry has influenced many twentieth century writers and artists including W B Yeats Sylvia Plath and Henri Matisse The dual language format of this new edition provides English speaking readers with an enhanced perspective on one of the most innovative voices in the history of European poetry **Some Poems of Catullus.
