Shelley, 2018-05-04 Excerpt from Selected Poems of Percy Bysshe Shelley Edited With Introduction and Notes NO one can attempt to deal with Shelley in editorial fashion without being conscious at almost every step of the great value of Professor Dowdell's biography of the poet and of much of the other material mentioned in the Bibliography I have tried however in preparing the Introduction and Notes to maintain that independence of judgment which should characterize all Shelleys and to produce a text suitable indeed for student use and conforming to classroom requirements yet based on other than formally pedagogic principles Literature it seems is not getting itself taught in our higher schools as vitally as we would like despite immense critical apparatus Is it because we are too judicial Is it because a poem like a person invites affection before it yields its content About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **SELECTED POEMS OF PERCY BYSSHE SHELLEY** PERCY BYSSHE.
