## **Selected Letters Of Marianne Moore:**

*Selected Letters of Marianne Moore* Marianne Moore, 1998-11-01 Marianne Moore's correspondence makes up the largest and most broadly significant collection of any modern poet. It documents the first two thirds of this century reflecting shifts from Victorian to modernist culture, the experience of the two world wars, the Depression and postwar prosperity and the changing face of the arts in America and Europe. Moore wrote letters daily for most of her life: long, intense letters to friends and family; shorter but always distinctive letters to an ever-widening circle of acquaintances and fans. At the height of her celebrity, she would occasionally write as many as fifty letters a day. Both Moore and her correspondents appreciated the value of their exchange, so that an extraordinary number of letters—approximately thirty thousand—have been preserved. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Complete Poems** Marianne Moore, 1994-11-01 Teems with sharp observation, profound moral insight, high satiric wit, and all manner of aesthetic delight. *The New York Times Book Review* A Penguin Classic. This definitive edition brings together all the works that Pulitzer Prize-winning Marianne Moore wished to preserve, covering more than sixty years of writing and incorporating the final revisions she made to the texts. The poems demonstrate Moore's wide range of interests, moving from witty images of animals, sporting events, and social institutions to thoughtful meditations on human nature. In entertaining, informative notes, Moore reveals the inspiration for complete poems and individual lines within them. [May Sarton Selected Letters 1955 To 1995](#) May Sarton, 2002-06-04 All her life May Sarton carried on a voluminous private correspondence with family, friends, and lovers. Early childhood into middle age covers topics of theater, study, travel, teaching, and the anguish as World War II approaches. Later joys of flowers, affection for animals, and illustrious acquaintances and intimates, both here and abroad, are shown.

**The Letters of T. S. Eliot** T. S. Eliot, 2015-07-14 This fifth volume of the collected letters of poet, playwright, essayist, and literary critic Thomas

Stearns Eliot covers the years 1930 through 1931 It was during this period that the acclaimed American born writer earnestly embraced his newly avowed Anglo Catholic faith a decision that earned him the antagonism of friends like Virginia Woolf and Herbert Read Also evidenced in these correspondences is Eliot s growing estrangement from his wife Vivien with the writer s newfound dedication to the Anglican Church exacerbating the unhappiness of an already tormented union Yet despite his personal trials this period was one of great literary activity for Eliot In 1930 he composed the poems Ash Wednesday and Marina and published Coriolan and a translation of Saint John Perse s Anabase the following year As director at the British publishing house Faber Faber and editor of The Criterion he encouraged W H Auden Stephen Spender Louis MacNeice and Ralph Hodgson published James Joyce s *Haveth Childers Everywhere* and turned down a book proposal from Eric Blair better known by his pen name George Orwell Through Eliot s correspondences from this time the reader gets a full bodied view of a great artist at a personal professional and spiritual crossroads

*The Figure of the Animal in Modern and Contemporary Poetry* Michael Malay,2018-06-05 This book argues that there are deep connections between poetic thinking and the sensitive recognition of creaturely others It explores this proposition in relation to four poets Marianne Moore Elizabeth Bishop Ted Hughes and Les Murray Through a series of close readings and by paying close attention to issues of sound rhythm simile metaphor and image it explores how poetry cultivates a special openness towards animal others The thinking behind this book is inspired by J M Coetzee s *The Lives of Animals* In particular it takes up that book s suggestion that poetry invites us to relate to animals in an open ended and sympathetic manner Poets according to Elizabeth Costello the book s protagonist return the living electric being to language and doing so compel us to open our hearts towards animals and the claims they make upon us There are special affinities for her between the music of poetry and the recognition of others But what might it mean to say that poets to return life to language And why might this have any bearing on our relationship with animals Beyond offering many suggestive starting points Elizabeth Costello says very little about the nature of poetry s special relationship with the animal one aim of this study then is to ask of what this relationship consists not least by examining the various ways poets have bodied forth animals in language
