Paul Celan John Felstiner, 2001-01-01 Paul Celan Europe's most compelling postwar poet was a German speaking East European Jew His writing exposes and illumines the wounds that Nazi destructiveness left on language John Felstiner's sensitive and accessible book is the first critical biography of Celan in any language It offers new translations of well known and little known poems including a chapter on Celan's famous Deathfugue plus his speeches prose fiction and letters The book also presents hitherto unpublished photos of the poet and his circle Drawing on interviews with Celan's family and friends and his personal library in Normandy and Paris as well as voluminous German commentary Felstiner tells the poet's gripping story his birth in 1920 in Romania the overnight loss of his parents in a Nazi deportation his experience of forced labor and Soviet occupation during the war and then his difficult exile in Paris The life's work of Paul Celan emerges through readings of his poems within their personal and historical matrix At the same time Felstiner finds fresh insights by opening up the very process of translating Celan's poems To present this poetry and the strain of Jewishness it displays Felstiner uncovers Celan's sources in the Bible and Judaic mysticism his affinities with Kafka Heine Hölderlin Rilke and Nelly Sachs his fascination with Heidegger and Buber his piercing translations of Shakespeare Dickinson Mandelstam Apollinaire First and last Felstiner explores the achievement of a poet surviving in his mother tongue the German language that had passed Celan said through the thousand darknesses of deathbringing speech

Collected Prose Paul Celan, 2003 Paul Celan 1920-1970 stands as one of the greatest post war European poets a writer whose painful struggle with the possibilities and limitations of German his native language has helped to define the response of poetry in the aftermath of the Holocaust The writings and aphorisms on poetry and art illuminate the sources of his language he explores the condition of being a stranger in the world the necessity and limitation of discourse enlarging our understanding of the poet and his vocation A spare and reluctant prose writer Celan speaks with a quiet authority that insists on the centrality of poetry in the modern world **BOOK JACKET**

Paul Celan and Martin Heidegger James K. Lyon, 2006-02-22 This work explores the troubled relationship and unfinished intellectual dialogue between Paul Celan regarded by many as

the most important European poet after 1945 and Martin Heidegger perhaps the most influential figure in twentieth century philosophy It centers on the persistent ambivalence Celan a Holocaust survivor felt toward a thinker who respected him and at times promoted his poetry Celan although strongly affected by Heidegger s writings struggled to reconcile his admiration of Heidegger s ideas on literature with his revulsion at the thinker s Nazi past That Celan and Heidegger communicated with each other over a number of years and in a controversial encounter met in 1967 is well known The full duration extent and nature of their exchanges and their impact on Celan s poetics has been less understood however In the first systematic analysis of their relationship between 1951 and 1970 James K Lyon describes how the poet and the philosopher read and responded to each other s work throughout the period He offers new information about their interactions before during and after their famous 1967 meeting at Todtnauberg He suggests that Celan who changed his account of that meeting may have contributed to misreadings of his poem Todtnauberg Finally Lyon discusses their two last meetings after 1967 before the poet s death three years later Drawing heavily on documentary material including Celan s reading notes on more than two dozen works by Heidegger the philosopher s written response to the poet s Meridian speech and references to Heidegger in Celan s letters Lyon presents a focused perspective on this critical aspect of the poet s intellectual development and provides important insights into his relationship with Heidegger transforming previous conceptions of it *Encounters with Paul Celan's Poetry* Pajari Räsänen,2021-09-21 Encounters with Paul Celan s Poetry The Other s Time consists of encounters with poetry with its readers and with the other that poetry seeks to encounter What does it mean when Celan insists that every real encounter every true encounter happens in memory of the poetic encounter the secret of the encounter This book presents close readings of various poems often attempting textual and intellectual dialogue with philosophers who read Celan or who were read by Celan such as Jacques Derrida Werner Hamacher Edmund Husserl Hans Georg Gadamer and Maurice Merleau Ponty *Paul Celan* Paul Celan,2005-03-14 The best introduction to the work of Paul Celan this anthology offers a broad collection of his writing in unsurpassed English translations along with a wealth of commentaries by major writers and philosophers The present selection is based on Celan s own 1968 selected poems though enlarged to include both earlier and later poems as well as two prose works The Meridian Celan s core statement on poetics and the narrative Conversation in the Mountains This volume also includes letters to Celan s wife the artist Gis le Celan Lestrange to his friend Erich Einhorn and to Ren Char and Jean Paul Sartre all appearing here for the first time in English **Paul Celan** Petre Solomon,2019-02-28 In the immediate aftermath of World War II Paul Celan moved to Bucharest where he spent more than two years working as a translator at Carta Rusa publishing house During that time he was introduced to poet and translator Petre Solomon and began a close friendship that would endure many years despite the distances that separated them and the turbulent times in which they lived In this poignant memoir Solomon recalls the experiences he shared with Celan and captures the ways in which Bucharest profoundly influenced Celan s evolution as a poet He recounts the publication of the

famous Todesfuge for the first time in the Romanian magazine Agora and his fertile connection with the Romanian surrealist movement Through Solomon's vivid recollection and various letters Celan sent to friends readers also get an intimate glimpse of Celan's personality one characterized by a joyful appreciation of friendship and a subtle sense of humor Translated from the original Tegla's edition makes this remarkable memoir available to a much deserved wider audience for the first time

Poesis in Extremis Daniel Feldman, Efraim Sicher, 2024-02-08 How can genocide be witnessed through imaginative literature How can the Holocaust affect readers who were not there Reading the work of major figures such as Elie Wiesel Paul Celan Avrom Sutzkever Ida Fink Wladyslaw Szlengel Itzhak Katzenelson and Czeslaw Milosz Poesis in Extremis poses fundamental questions about how prose and poetry are written under extreme conditions either in real time or immediately after the Holocaust Framed by discussion of literary testimony with Wiesel's literary memoir Night as an entry point this innovative study explores the blurred boundary of fact and fiction in Holocaust literature It asks whether there is a poetics of the Holocaust and what might be the criteria for literary witnessing Wartime writing in particular tests the limits of poesis in extremis when poets faced their own annihilation and wrote in the hope that their words like a message in a bottle would somehow reach readers Through Poesis in Extremis Daniel Feldman and Efraim Sicher probe the boundaries of Holocaust literature as well as the limits of representation
