Harrison,2008-07-08 Which cultural values beliefs and attitudes best promote democracy social justice and prosperity How can we use the forces that shape cultural change such as religion education and political leadership to promote these values in the Third World and for underachieving minorities in the First World In this book Lawrence E Harrison offers intriguing answers to these questions in a valuable follow up to his acclaimed Culture Matters Drawing on a three year research project that explored the cultural values of dozens of nations from Botswana Sweden and India to China Egypt and Chile Harrison offers a provocative look at values around the globe revealing how each nation s culture has propelled or retarded their political and economic progress The book presents 25 factors that operate very differently in cultures prone to progress and those that resist it including one s influence over destiny the importance attached to education the extent to which people identify with and trust others and the role of women in society Harrison pulls no punches and many of his findings are controversial Contradicting the arguments of multiculturalists this book contends that when it comes to promoting human progress some cultures are clearly more effective than others It convincingly shows which values beliefs and attitudes work and how we can foster them Harrison takes up the question that is at the center of politics today Can we self consciously change cultures so they encourage development and modernization David Brooks New York TimesI can think of no better entrance to the topic both for what it teaches and the way it invites and prepares the reader to continue A gateway study David S Landes author of The Wealth and Poverty of Nations

Emotions, Communities, and Difference in Medieval Europe Maureen C. Miller,Edward Wheatley,2017-01-12 This book of eleven essays by an international group of scholars in medieval studies honors the work of Barbara H Rosenwein Professor emerita of History at Loyola University Chicago Part I Emotions and Communities comprises six essays that make use of Rosenwein s well known and widely influential work on the history of emotions and what Rosenwein has called emotional communities These essays employ a wide variety of source material such as chronicles monastic records painting music theory and religious practice to elucidate emotional commonalities among the medieval people who experienced them The five essays in Part II Communities and Difference explore different kinds of communities and have difference as their primary theme difference between the poor and the unfree between power as wielded by rulers or the clergy between the western Mediterranean region and the rest of Europe and between a supposedly great king and lesser ones

The Complete Catalogue of Known and Documented Work by William Merritt Chase (1849-1916) Ronald G. Pisano,William Merritt Chase,D. Frederick Baker,Marjorie Shelley,2006-01-01 The first in a beautiful four volume complete catalogue of all known works by the beloved American artist William Merritt Chase A perennial favorite of museum visitors the works of William Merritt Chase 1849 1916 embody the quintessential characteristics of American Impressionism outdoor landscapes a colorful palette and an energetic brushstroke He was also a portrait painter of the first rank a master of still life a renowned teacher and a leader of artists societies This gorgeous book the first of a four volume definitive catalogue features Chase s stunning paintings in pastel which constitute a major and

previously understudied body of work by the artist monotypes painted tiles and plates watercolors and prints Reconstructing Chase s oeuvre is a daunting task as the artist left few records of any kind and no documentation of his individual works exists Furthermore Chase s paintings and pastels have been forged in great numbers throughout the years and many of these works still surface on the art market Making this long awaited volume even more valuable is a list of every known exhibition of Chase s work during the artist s lifetime selected examples of major post 1917 exhibitions and an essay on Chase s innovative pastel technique
