The Development of Ethics: Volume 1 Terence Irwin, 2007-09-20 Volume 1 From Socrates to the Reformation Punk USA Kevin Prested, 2022-08-16 Updated and revised second edition with new interviews and photographs Through hundreds of exclusive and original interviews Punk USA documents the empire that was built overnight as Lookout launched a teenaged Green Day sold millions of records and rode the wave of the second coming of punk rock until it all came crashing down In 1987 Lawrence Livermore founded independent punk label Lookout Records to release records by his band The Lookouts Forming a partnership with David Hayes the label released some of the most influential recordings from California s East Bay punk scene Originally operating out of a bedroom Lookout created The East Bay Punk sound with bands such as Crimpshrine Operation Ivy The Mr T Experience and many more The label helped to pave the way for future punk upstarts and as Lookout grew young punk entrepreneurs used the label as a blueprint to try their hand at record pressing As punk broke nationally in the mid 90s the label went from indie outfit to having more money than it knew how to manage and the label struggled as much with success as it did from any other difficulty Kevin Prested chronicles it all even handedly through interviews and a careful combing of the records This definitive book is perfect for anyone who is curious about the unlikely improbable inside scoop on how musical careers are made and unmade Harriet Martineau Harriet Martineau, 1990

Harriet Martineau versatile woman of letters philosopher and economist was at the heart of Victorian literary and social life This is the first wide ranging selection of her letters to a variety of correspondents most of them major figures in Victorian political and literary history Controversial because of Martineau s lifelong resistance to the future publication of her private correspondence the letters reveal her outspoken views on contemporary writers the working classes women s role in society political change illness mesmerism and her own writing Her opinions on literary realism and George Eliot biography and Mrs Gaskell s *Life of Charlotte Bronte* and Elizabeth Barrett s contribution to modern poetry are among the topics aired in these unashamedly forthright and often bigoted letters Yet in her Autobiography Harriet Martineau agrees with her friends that it would be rather an advantage to her than otherwise to be known by her private letters They allow the modern reader to enter fully into the spirit of Victorian social and literary controversy **The Wire** , 2007 *Maximum Rocknroll* , 2006
