Selfless Love:

Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch Julia Theresa Meszaros, 2016 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover's personal well being This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch *Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch* enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover's self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love

Love Within Limits Lewis B. Smedes, 1978 This is a print on demand book and is therefore non returnable An exploration of how ideal love selfless love can work within the limits of our ordinary lives Using the magnificent lines of 1 Corinthians 13 as his guide Smedes discusses the areas of life into which love must fit in order to do its work Includes discussion questions

Buddhist Modernities Hanna Havnevik, Ute Hüsken, Mark Teeuwen, Vladimir Tikhonov, Koen Wellens, 2017-02-17 The transformations Buddhism has been undergoing in the modern age have inspired much research over the last decade The main focus of attention has been the phenomenon known as Buddhist modernism which is defined as a conscious attempt to adjust Buddhist teachings and practices in conformity with the modern norms of rationality science or gender equality This book advances research on Buddhist modernism by attempting to clarify the highly diverse ways in which Buddhist faith thought and practice have developed in the modern age both in Buddhist heartlands in Asia and in the West It presents a collection of case studies that taken together demonstrate how Buddhist traditions interact with modern phenomena such as colonialism and militarism the market economy global interconnectedness the institutionalization of gender equality and recent historical events such as de industrialization and the socio cultural crisis in post Soviet Buddhist areas This volume shows how the re invention of traditions constitutes an important pathway in the development of Buddhist

Barrett,2020-02-20 In a fallen world politics will be a brutal at times violent sport Grandstanding demonizing misleading and lying are the native language of political debate Violence is historically how political conflicts are ultimately resolved This fact raises important questions about our faith Should Christians participate in politics and government If so how should we participate Evangelism Politics argues that Christians should participate in politics and government but their ultimate goal in doing so is evangelism not political change The way Christians participate in politics is therefore generally more important than the specific policies they advocate for In short Christian participation in politics should be marked by the fruit of the spirit At the same time Christians should not be naive in thinking godly engagement in politics guarantees political success Ungodly tactics are effective and Christians will be at a political disadvantage when they refuse to use such methods Nevertheless Christians should refuse to use them because they see God not the government as their ultimate protector and provider and godly engagement in politics as a way of providing an evangelistic witness to society that fulfills the Great Commission **The Balance** Claire,Dluuwiixwaay,Jesus of Nazareth,2023-02-14 The sixth Chosen One of ancient prophesy is now walking earth as an unknown woman living a normal life When her channel opens however Varahn suddenly faces the reality that heaven exists and her ordinary life is upended Varahn is told she's been chosen by the Holy Spirit to protect earth from a total extinction of life Varahn knows human activities are already rushing earth to ecological and climate catastrophe The process of extinction is actively underway Although she cherishes her home she's completely overwhelmed to think such an urgent and momentous responsibility would depend upon her Is this real How can she possibly reverse this trajectory Varahn's every day felt experience is of earth But once she's chosen a heavenly split of her consciousness appears at the center of the homeomorphic hologram asleep in the very place last occupied by the Absolute God of the Hebrew Torah and the Christian Old Testament Others in heaven mistakenly conclude Varahn must be Absolute Goddess seeking to control All That Is They attack her pre emptively in ways that threaten to make her crucial task impossible Jesus of Nazareth is profoundly concerned for both Varahn and the healing of earth When a disbelieving Varahn decides to start a diary soon after her channel opens Jesus recognizes that despite it being perceived as a fantasy should He and the Holy Spirit channel back to Varahn the heavenly view of her story Varahn
