Selling Happiness:

Selling Happiness Ellen Johnston Laing, 2004-01-01 As the first substantial investigation of commercial art in China *Selling Happiness* explains how the early twentieth century Chinese public came to accept Western style art as mainstream and the heretofore ignored process by which the Chinese art world became in some sectors at least thoroughly cosmopolitan. A monumental study of the most important genre of modern Chinese commercial art this volume will appeal not only to historians of Chinese art but also to those interested in literary economic and social history. It will be an essential resource for comparative studies of visual culture. **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved

Selling Happiness Ellen Johnston Laing, 2004-08-31 From the early twentieth century until the Communist takeover in 1949 Shanghai commercial artists created thousands of colorful posters and black and white advertisements that formed an essential part of modern life in the city. This visually appealing and richly illustrated work describes the origin and evolution of modern commercial art in China focusing on colorful advertisement calendar posters that featured distinctive feminine images. It makes clear how essential commercial art and its institutional backing were to the development of modern art and even modern society in China over the past century. *Selling Happiness* discusses not only advertising art but also the production and marketing of the calendar poster. These posters like other advertisements were rendered in a Western realistic technique and were wildly and widely popular. Ordinary people throughout China often acquired them to decorate their homes. Laing outlines how the Chinese commercial artist who rarely attended formal Western art classes gained skills in Western representational art. In the final chapter of the book she explains how the styles developed by the commercial poster artists during the 1920s and 1930s became the basis for certain types of propaganda art under the Chinese Communists in the 1950s and 1960s.

Finding Happiness in Los Angeles Oliver Markus Malloy, If you're a fan of Dave Chappelle or John Oliver you'll love this book. After writing a book about his bizarre adventures in America's underbelly Oliver finally finds love among his readers on Goodreads. I think it will become a standard for people who are dealing with loved ones struggling with addictions. **Bridges** Amazon Review Dear Reader You're a little late to the party. Where the hell have you been? This is already the third and final part of the trilogy and you're only joining us now. Tsk tsk tsk. Let me get you up to speed on what you've missed so far. In book one *Going to New York* you missed the utterly fascinating nay spellbinding saga of me growing up in Germany and later emigrating to New York. I was a brooding troubled teenage hacker. Wow. Good stuff. It's almost like my life was the perfect kind of crazy to make a really awesome book. Anyway being a teenage hacker came in handy later in life. I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage. In New York I was married to Donna a girl I had met online. She was an agoraphobic prone to temper tantrums. And fun was had by all which led to a divorce 16 years later. That's where the story gets really interesting. I began dating. It didn't go well. I was no good at it. OK truth be told I was really bad at it. Apparently I had terrible

taste in women A heroin addicted hooker named Alice broke my heart and robbed me of my will to live Doesn't sound very fun does it But it's a fun read I promise Dark but fun Mesmerizing even Brokenhearted I moved from New York to Florida That's where the first book ends The second book you missed I'm not mad at you I'm just disappointed is called The Heroin Scene in Fort Myers which is a very fitting title believe me Sometimes I'm a slow learner so I dated my way through the heroin scene in Florida and I couldn't figure out for years why I wasn't finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I'm not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn't have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn't killed myself yet Seriously it's a fun read I promise At the end of the book I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That's where the second book ended And now for our third and final act

and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs
