Lukas In Love:

A Love Song for the Sad Man in the White Coat Roe Horvat, 2017-12-15 Simon had always expected love to feel different than this Whether it was his Catholic upbringing or the poetry he'd read Simon had thought that true love would be uplifting fulfilling that it would give a meaning to his loitering and add joy to his leisure But not this kind of love This love was a flesh eating monster sharp clawed and evil eyed ravishing his mind with medieval cruelty Dr Simon Mr z is a respected specialist and lecturer at the Charles University in Prague He is a serious man responsible His students call him The Cruel Doctor Frost not because he's unkind but because of his unwavering ice cold composure As a psychiatrist he values sanity And sanity can be found in work restraint and self control Not many know of that one time in the past when The Cruel Doctor Frost lost his cool His ill advised secret affair with a student left Simon deeply wounded Since that day every minute of Simon's life has been a struggle to remain sane functioning He's managed so far as long as he is needed as long as his work makes a difference Simon can scrape together enough strength to get up in the morning and run off the nightmares But when his friends begin drifting away his beloved protégé becomes independent and the man who bereaved Simon of his precious sanity might return Simon's mind and body stop responding to his impressive willpower

Galaxies of Love 1 Norbert Reinwand, Lukas has always been fascinated by the stars Even as a little boy he kept a telescope in his room and spent his nights using it to explore heaven He dreamed of becoming an astronomer and the to unravel mysteries of the universe He wanted to know if it was out there there were other beings who like him looked up and wondered if they were alone He had reached his goal He worked as an astronomer in an observatory in the Alps equipped with one of the most powerful telescopes in the world was He had access to the latest data and technology available to him allowed to go deeper into space than ever before He was part of one international team searching for signs of extraterrestrial life He was happy and content with his job But one night should change everything

Death and Love Julie Reshe, Todd McGowan, 2025-05-22 Death and Love brings together notable psychoanalytic and philosophical theorists to explore the connection between death and love The book examines how these phenomena shape human existence and relationships challenging the conventional dichotomy between life affirming and death driven dimensions The volume features contributions from international scholars who illustrate these ideas through various lenses including literature film and theology The chapters consider the role of the death drive in shaping social bonds the transformative power of love beyond individual existence and the notion that both philosophically and psychoanalytically love aligns with the realm of death Death and Love will be essential reading for academics and students of philosophy psychoanalysis existentialism theology and psychology It will also be of interest to psychoanalysts in practice and in training and to all readers wishing to explore this thought provoking topic
