Luxury And Austerity Historical Studies 21

Jane Ohlmeyer

Luxury And Austerity Historical Studies 21:

The Course of Irish History T. W. Moody, F. X. Martin, Dermot Keogh, 2023-09-14 First published over forty years ago and now updated to cover the Celtic Tiger economic boom of the 2000s and subsequent worldwide recession this new edition of a perennial bestseller interprets Irish history as a whole Designed and written to be popular and authoritative critical and balanced it has been a core text in both Irish and American universities for decades It has also proven to be an extremely popular book for casual readers with an interest in history and Irish affairs Considered the definitive history among the Irish themselves it is an essential text for anyone interested in the history of Ireland

The Shaping of Ulster Presbyterian Belief and Practice, 1770-1840 Andrew R. Holmes, 2006-11-02 A historical study of the most influential and important Protestant group in Northern Ireland the Ulster Presbyterians Andrew R Holmes argues that to understand Ulster Presbyterianism is to begin to understand the character of Ulster Protestantism more generally and the relationship between religion and identity in present day Northern Ireland He examines the various components of public and private religiosity and how these were influenced by religious concerns economic and social changes and cultural developments He takes the religious beliefs and practices of the laity seriously in their own right and thus allows for a better understanding of the Presbyterian community more generally

Social change and everyday life in Ireland, 1850-1922 Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader

Sixteenth-Century Ireland (New Gill History of Ireland 2) Colm Lennon, 2005-09-27 Colm Lennon s Sixteenth Century Ireland the second instalment in the New Gill History of Ireland series looks at how the Tudor conquest of Ireland by Henry VIII and the country s colonisation by Protestant settlers led to the incomplete conquest of Ireland laying the foundations for the sectarian conflict that persists to this day In 1500 most of Ireland lay outside the ambit of English royal power Only a small area around Dublin The Pale was directly administered by the crown The rest of the island was run in more or less autonomous fashion by Anglo

Norman magnates or Gaelic chieftains By 1600 there had been a huge extension of English royal power First the influence of the semi independent magnates was broken second in the 1590s crown forces successfully fought a war against the last of the old Gaelic strongholds in Ulster The secular conquest of Ireland was therefore accomplished in the course of the century But the Reformation made little headway The Anglo Norman community remained stubbornly Catholic as did the Gaelic nation Their loss of political influence did not result in the expropriation of their lands Most property still remained in Catholic hands England s failure to effect a revolution in church as well as in state meant that the conquest of Ireland was incomplete The seventeenth century with its wars of religion was the consequence Sixteenth Century Ireland Table of Contents Introduction Town and County in the English Part of Ireland c 1500 Society and Culture in Gaelic Ireland The Kildares and their Critics Kildare Power and Tudor Intervention 1520 35 Religion and Reformation 1500 40 Political and Religious Reform and Reaction 1536 56 The Pale and Greater Leinster 1556 88 Munster Presidency and Plantation 1565 95 Connacht Council and Composition 1569 95 Ulster and the General Crisis of the Nine Years War 1560 1603 From Reformation to Counter Reformation 1560 1600 The Ends of Life Keith Thomas,2010-02-25 How should we live That question was no less urgent for English men and women who lived between the early sixteenth and late eighteenth centuries than for this book s readers Keith Thomas s masterly exploration of the ways in which people sought to lead fulfilling lives in those centuries between the beginning of the Reformation and the heyday of the Enlightenment illuminates the central values of the period while casting incidental light on some of the perennial problems of human existence Consideration of the origins of the modern ideal of human fulfilment and of obstacles to its realization in the early modern period frames an investigation that ranges from work wealth and possessions to the pleasures of friendship family and sociability The cult of military prowess the pursuit of honour and reputation the nature of religious belief and scepticism and the desire to be posthumously remembered are all drawn into the discussion and the views and practices of ordinary people are measured against the opinions of the leading philosophers and theologians of the time The Ends of Life offers a fresh approach to the history of early modern England by one of the foremost historians of our time It also provides modern readers with much food for thought on the problem of how we should live and what goals in life we should pursue **Protestant Millennialism, Evangelicalism and Irish Society, 1790-2005** C. Gribben,A. Holmes,2006-07-10 This volume documents the evolution and impact of one of the most enduring sources and symbols of sectarian conflict in Ireland Protestant millennialism The volume explores new sources and offers new conclusions setting a new research agenda and emphasizing the vitality of religious discourse in Irish studies **Prisoners of Hope?** Crawford Gribben,Timothy C. F. Stunt,2007-09-01 A fervent millennial hope has often existed at the heart of Protestant evangelicalism Varieties of eschatology have exercised a profound impact on the movement s theology and history Although millennialism had a respected lineage within conservative Protestantism it flourished with enormous energy in the early nineteenth century as evangelicals responded to the threat of

the American and European revolutions and the cultural pessimism of the Romantic movement By mid century the millennialism that had first been articulated for the defense of Protestant conservatism had paved the way for the subversion of historic theology and church practice as a growing confidence in biblical inerrancy and the literal hermeneutic challenged many of the historical assumptions of the evangelical faith This volume of essays expands on neglected aspects of the impact of the evangelical millennialism in Britain and Ireland between 1800 and 1880 and includes an essay charting recent trends in the study of millennialism

Making Ireland English Jane Ohlmeyer, 2012-06-26 This groundbreaking book provides the first comprehensive study of the remaking of Ireland's aristocracy during the seventeenth century It is a study of the Irish peerage and its role in the establishment of English control over Ireland Jane Ohlmeyer's research in the archives of the era yields a major new understanding of early Irish and British elite and it offers fresh perspectives on the experiences of the Irish English and Scottish lords in wider British and continental contexts The book examines the resident peerage as an aggregate of 91 families not simply 311 individuals and demonstrates how a reconstituted peerage of mixed faith and ethnicity assimilated the established Catholic aristocracy Tracking the impact of colonization civil war and other significant factors on the fortunes of the peerage in Ireland Ohlmeyer arrives at a fresh assessment of the key accomplishment of the new Irish elite making Ireland English

New Directions in Irish-American History Kevin Kenny, 2003 The writing of Irish American history has been transformed since the 1960s This volume demonstrates how scholars from many disciplines are addressing not only issues of emigration politics and social class but also race labor gender representation historical memory and return both literal and symbolic to Ireland This recent scholarship embraces Protestants as well as Catholics incorporates analysis from geography sociology and literary criticism and proposes a genuinely transnational framework giving attention to both sides of the Atlantic This book combines two special issues of the journal *Irish Studies* with additional new material The contributors include Tyler Anbinder Thomas J Archdeacon Bruce D Boling Maurice J Bric Mary P Corcoran Mary E Daly Catherine M Eagan Ruth Ann M Harris Diane M Hotten Somers William Jenkins Patricia Kelleher Liam Kennedy Kerby A Miller Harvey O'Brien Matthew J O'Brien Timothy M O'Neil and Fionnghuala Sweeney

The Rise and Fall of Christian Ireland Crawford Gribben, 2021 The Irish experience of Christianity has never been simple or uncomplicated Here Crawford Gribben describes the ancient emergence long dominance sudden division and recent decline of Ireland's most important religion as a way of telling the history of the island and its peoples from earliest times to the present day
