The Service-Dominant Logic of Marketing Robert F. Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article Evolving to a New Dominant Logic for Marketing this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice

Greener Marketing Martin Charter, Michael Jay Polonsky, 2017-09-29 Building on the strengths of the material published in the hugely successful first edition of Greener Marketing this important new title examines on a global scale the progress of environmental marketing in the 1990s and considers how social issues are increasingly becoming critical factors in how corporations meet the ever growing demands and expectations of customers Despite the fact that such issues are increasingly important in marketing activities around the world it is difficult for practitioners to keep up to date with complex and rapidly changing information and ideas The purpose of this book is to provide practitioners and academics with best practice examples and actionable recommendations on how to implement and appraise green marketing activities It will provide information and ideas for those involved in marketing on how to incorporate environmental and social considerations as well as providing new perspectives on marketing for environmental managers To achieve a comprehensive viewpoint the book is split into three

sections The first sets out the strategic issues and rationale for green marketing the second addresses tactical issues in more detail and the third provides detailed international case studies Topics addressed by the global set of contributors include the growing area of products versus services environmental product development green marketing alliances environmental communications green consumers eco tourism and environmental marketing in developing countries reener Marketing is not only a sequel to the successful first volume but redefines global progress towards the successful marketing of greener products and services

The Top Books of the Year Marketing Today The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Marketing Today : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
