U.S.S.R.: L-N (ix, 897 pages) United States. Geographic Names Division,1970 **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born. At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period. The *Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes and an extensive bibliography. The dictionary section has almost 2 000 cross referenced entries on individuals, political and governmental institutions and political parties and military formations and concepts as well as religion, art, film, propaganda, uniforms and weaponry. This book is an excellent access point for students, researchers and anyone wanting to know more about the Russian Civil War. *Gazetteer*, 1955 *U.S.S.R. United States. Geographic Names Division,1970* The "Russian" Civil Wars, 1916-1926 Jonathan Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR, profoundly affecting the history of the twentieth century. Indeed the reverberations of those decade long wars echo to the present day, not despite but because of the collapse of the Soviet Union which re-opened many old wounds from the Baltic to the Caucasus. Contemporary memorialising and de-memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars, overlain with examinations of the attempts of many non-Russian national and religious groups to divide the former empire. The reasons why some of the latter were successful (Poland and Finland for example) while others (Ukraine, Georgia and the Muslim Basmachi) were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks. Tellingly the work begins and ends with battles in Central Asia, a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow. Modernization of Russia. Peoples of the USSR Ronald Wixman,2017-07-28 First Published in 2017 This book is a short reference on the peoples of Russia and the USSR. It includes approximately 3 000 entries, cross references and spelling variations, fifteen original maps and information on dialects, literary languages and religions. It is intended for anyone who needs basic information about the ethnographic groups of the Russian Empire and the USSR in the nineteenth and twentieth centuries. The Peoples of the

USSR Ronald Wixman,1988-06 Civil War in South Russia, 1918 Peter Kenez,2023-11-10 The Soviet Union was created as much by the Civil War as by the revolutions of 1917 indeed the revolutions and the struggle which followed them are inseparable Perhaps communism in Russia would have evolved differently had the bitter necessities of the Civil War not forced the regime to develop features which had nothing to do with the Marxist ideology Aside from the obvious historical significance of the Civil War it is also a subject with great intrinsic interest modern European history provides no better example of anarchy and its effects on social institutions and on human beings The approach which is followed here is that of a case study Extrapolating from one part of Russia to the entire country is perhaps the best way to become aware of the many different issues that were at stake and of the difficulty in reducing the problems of the Civil War to simple formulae South Russia is of special interest because it is a microcosm in which one can see most of the ills of Russia and because the events there were of great importance it was in South Russia that foreign intervention assumed greatest magnitude there the Whites put in their field their most substantial and persistent armies and perhaps nowhere else did the anti Bolshevik movement suffer more from dissension and from competing claims of national minorities Kenez contends that the events of 1918 contained the seeds of ultimate disaster for the Whites While the soldiers of the Volunteer Army showed exceptional valor and the generals proved themselves able military leaders they failed politically Because Denikin and his fellow leaders wrongly believed that politics could simply be avoided they did not develop a positive program They also failed to bring unity to the anti Bolshevik camp It would have required a common ideology and exceptional wisdom to rise above the petty issues which separated the competing anti Bolshevik groups and the leader of the Whites possessed neither This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 **Modernisation de la Russie. Postimpérialisme transit , Memory Politics and the Russian Civil War** Marlene Laruelle,Margarita Karnysheva,2020-11-12 In examining the re emergence of Russia's White Movement Memory Politics and the Russian Civil War gets to the heart of the rich 20th century memory debates going on in Putin's Russia today The Kremlin has been giving preference to a Soviet lite nostalgia that denounces the 1917 Bolshevik revolution but celebrates the birth of a powerful Soviet Union able to bring the country to the forefront of the international scene after the victory in World War II Yet in parallel another historical narrative has gradually consolidated on the Russian public scene one that favours the opposite camp namely the White movement and the pro tsarist groups defeated in the early 1920s This book offers the first comprehensive exploration of this White Revenge looking at the different actors who promote a White and pro Romanov rehabilitation agenda in the political ideological and cultural arenas and what this historical agenda might mean for Russia both today and tomorrow **Russia's Iron General** Jamie H. Cockfield,2019-10-09 This study provides a

comprehensive biography of Russian general Aleksei A Brusilov 1853 1926 commonly considered Russia's greatest general in World War I Following in the footsteps of his military family he entered the cavalry and quickly rose through ranks to the status of general by 1906 Brusilov's great fame largely rests on his successful offensive in the summer of 1916 when he inflicted a stinging defeat on Austro-German forces As commander of the Southwest Front he initiated his broad front tactics and attacked on a 250 mile front inflicting a million and a half casualties His successes crippled Austria permanently making it totally dependent on Germany for the remainder of the war thus insuring no German victory in the east When the Revolution began in March 1917 Brusilov readily gave his allegiance to the republican Provisional Government and cooperated with the socialist Petrograd Soviet and their commissars and soldiers committees The government eventually made him commander in chief of all Russian forces He died a hero to the Russian people and remains so to this day In Russia's Iron General Jamie H Cockfield extensively examines all facets of Brusilov's life that led to his renowned reputation that continues decades after his death This study analyzes Brusilov's political positions over several wars and changing political powers his military history theories and tactics and his personal and familial life The Russian Empire and Soviet Union Steven A. Grant, John Halit Brown, 1981 Voices from the Past Orest M. Gladky, 2011-06-02 The anthology Voices From The Past by the late Russian immigrant writer Orest M Gladky presents a six part collection of short stories preserving facts and thoughts about the tumultuous history of Russia Soviet Union from 1917 to 1971 In the first Part of this stirring collection In Whose Name stories follow the period when the civil war engulfed the Motherland and the White Army volunteers are defending Holy Russia from the Reds In The Dispossessed stories describe tragic times when Stalin reneges on the promise of the revolution All land to the peasants and launches an onslaught on peasants through forced farm collectivization and deportation of millions to Siberia Stories in I Believe tell how the Communists imposed Marxist dogma to eradicate belief in God they close churches kill and send clergymen to the concentration camps and conduct relentless anti religious propaganda In the fourth part State secret police watchdogs relentlessly hound The Enemies of the People and send millions without trial to prisons and gulags In The Humdrum Life in Socialist Paradise stories capture snapshots of ordinary citizens days in the Socialist Communist state and their struggle to survive under Soviet rule and Bolshevik dictatorship The last Part Behind the Iron Curtain tells with wry humor stories about events after World War Two Cold War Years and Collective Leadership in Soviet Union **Red Attack, White Resistance** Peter Kenez, 2007-07-01 The first of a two volume history and analysis of the Russian Civil War this volume covers events in 1918 The republication of Professor Kenez's classic volumes is to be warmly welcomed Based on copious archival research and a close reading of published memoirs and mixing careful narrative with judicious analysis they still provide the definitive history of the anti Bolshevik movement in South Russia Their original publication provided an inspiration for a generation of scholars of the Russian Civil War the new edition will certainly inspire another The armchair historian too as well as all those interested in the fate of contemporary Russia will

find much to admire and much to ponder upon in this well told tale of one of the most bloody and tragic episodes in recent European history Jonathan D Smele University of London The profession will be delighted to learn that this classic study of the Russian Civil War 1917-21 on its most crucial battleground is again available Kenez's work was the first in any language to cut through the rhetoric of partisan memory and historiography in order to present a complicated and balanced view of both sides While demythologizing Soviet historical explanations Kenez is especially keen in displaying the enormous variety of the White or anti Communist movement and analyzing the causes of its defeat Richard Stites Georgetown University **A Dictionary of Jewish Surnames from the Russian Empire** Alexander Beider, 2008 The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on War, Revolution, and Peace, 1969 *Tuna*, 2008 Eesti arhivaaride hingu v ljaanne Monthly List of Russian Accessions Library of Congress. Markov I Markovtsy Introduction

In today's digital age, the availability of Markov I Markovtsy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Markov I Markovtsy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Markov I Markovtsy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Markov I Markovtsy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Markov I Markovtsy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Markov I Markovtsy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Markov I Markovtsy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Markov I Markovtsy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Markov I Markovtsy books and manuals for download and embark on your journey of knowledge?
