**A Closer Look at God's Church** Mark R. Jackson, 2016-06 The Church of God Reformation Movement began in the early 1880s under the leadership of D S Warner and those who joined with him in search of a unified church Their goal was simply to be God's holy people free from all denominational division After more than 135 years of existence this movement has grown so that it has congregations located around the world Those affiliated with the Church of God have included well known individuals such as Charles Schulz the creator of Charlie Brown and singers and songwriters Bill and Gloria Gaither So what is the Church of God What are its beliefs and have those beliefs changed since its inception In this book Mark Jackson examines ten key beliefs of the Church of God and evaluates them in light of Scripture These beliefs are the authority of Scripture salvation and church membership the assurance of salvation church ordinances victory over sin the work of the Holy Spirit conditional security divine healing Christian unity and the kingdom of God Whether affiliated with the Church of God or not this book offers to readers a clear and biblical presentation of beliefs that should be important to all Christians I only wish this book could have been available when I began pastoring It would have helped me in pastoral preaching and in teaching new converts what the Bible teaches Arlo F Newell Editor in chief of Warner Press 1977 93 The clarity and conciseness of this work will be an effective tool for pastors teachers and students of the word of God In a day of numerous messages from media this book presents for the person who is searching for answers to life's most important questions a clear direction found in Jesus Christ Ronald V Duncan General Director of Church of God Ministries 2002 13

**The Church of God as Revealed in Scripture** Arlo F. Newell, 1983

**Distinguishing the Church** Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today's Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ's institution Moreover Martin Luther said that suffering is a telltale sign of God's people while Anabaptist and Reformed Christians included discipline among the distinguishing marks of the church These standards take on particular poignancy today The global church continues to live under severe persecution and the American church characterized by a lack of discipline has been wounded by its own sins of chasing sex and power In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride With contributions from Edward W Klink III Duane Litfin J Stephen Yuille J V Fesko Keith D Stanglin Greg Cochran Jeremy M Kimble Guy Waters Justin L McLendon

**God's People the Church** Bennie L. Ervin, 2017-03-02 It is my desire that this book will help believers in Christ to get a good understanding of

what the church is and the reason God called a people out of the world to be His church and to be a mighty force on earth To help and show the people of God how sacred and serious Gods work is therefore all believers in Christ are held accountable of how they handle His church and Gods word the Bible

**What Is Church?** Dub Karriker, 2024-02-20 An informative and emotional voyage of exploration for those active hurt by leaving looking at or curious about the Church Amid worldwide upheaval believers and non believers alike are asking profound questions One can't help but do that when something or someone they have depended on for guidance structure community comfort identity and meaning has been exposed to the light shaken to the core and found to be unreliable and untrustworthy What is Church is for believers in Jesus as well as those deconstructing their faith seekers skeptics and opponents to inform and help resolve the innate longing for answers truth meaning and belonging by plumbing the depths of divinely revealed knowledge Drawing on scripture history personal relationships experience and a deep love for Jesus and the Church Dub Karriker shares valuable insights that provide a different perspective on the Church and its role in the past present and future Rather than walking a well worn path of two thousand years of best intentions and church misdeeds Karriker reveals the Church as intended by its founders Jesus and His Apostles No matter what your relationship is with the Christian community What is Church is a fascinating soul stirring journey of inquiry and answers

*The Six*

*Symbols of the Gospel* Mark Randell McNees, Dr, Mark Randell McNees, John Bickley, 2013-01-05 IF THE GOSPEL IS THE GREATEST STORY EVER TOLD THEN WHY DON T CHRISTIANS TELL THE WHOLE STORY It s all too prevalent in the 21st century American church to find a Gospel that begins and ends with the cross And with it God s whole story is forgotten among Christians who have lost the context of their faith in Jesus This same one dimensional Gospel has kept the Church from embracing its full calling and finding hope in its future This book lays out the whole Gospel in six easy to remember symbols Each symbol reveals part of the whole narrative of God s love for His creation     Marks of the Church Rev Galen Friedrichs, 2019-09-30 How does one know the difference between the True Church and false churches or between Pastors sent by Christ or false teachers Are all churches the same or is there a difference Are all preachers the same or is there a difference In this day and age of egalitarianism and relativism is it possible to distinguish doctrine Is it appropriate to judge anyone in the matter of doctrine In this booklet the author identifies the Marks by which the True Church and her Pastors are known the Marks by which true doctrine is separated from false The Marks of the Church identified by Christ through His chosen ordained and sent Apostles are the Word of God taught and preached in its truth and purity Baptism administered according to the institution of Christ and the Lord s Supper distributed as Christ instituted it for the life of the Church     I Will Build My Church John W. V. Smith, 1985     God's Glorious Church Tony Evans, 2008-09-01 Tony Evans defines the church in vibrant terms it is a continuation of Christ s incarnation As such it is the most important spiritual institution in human history He helps the church discover its identity and purpose for existence and provides believers a biblically healthy context in which to grow and live out their lives This book will inspire you to help make your place of worship all that God intends it to be     *Identifying Marks of the Church* Jerry Moffitt,     **The Churches of God** G. H. Lang, 2012-09 If you ve ever wondered what the churches of the New Testament looked like how they functioned how they were governed how they conducted their evangelistic and missionary enterprises what ordinances they observed what their liturgy consisted of how decisions were made how discipline was administered if you ve ever wondered how far modern churches have drifted from the New Testament pattern if you ve ever wondered what it would take for your church and others like it to return to the New Testament model or if such a thing is even possible or desirable then this book is for you G H Lang s ability to elucidate Biblical truth was never more evident than in this small treatise on the constitution government discipline and ministry of the church of God His gifts as a diligent Bible student expositor and precise thinker together with his many years of experience as an itinerant Bible teacher in many different countries and cultural settings all combine to make this a go to reference on many issues relating to the local church About the Author G H Lang 1874 1958 was a gifted Bible teacher and prolific author who in his early life was associated with the exclusive branch of the Plymouth Brethren but later affiliated himself with the Open Brethren He traveled widely as an itinerant Bible teacher depending solely on God for his support Although Mr Lang himself was a prolific author it was his belief that no man should write a book until he is 40 He needs to prove his theories in

practice before publishing In his own case all but nine of his many books were written after he was 50 Kingsley Press has recently re published Lang s amazing autobiography An Ordered Life More information can be found on our web site [www.KingsleyPress.com](http://www.KingsleyPress.com)     The Churches of God George Henry Lang,1928     **A Glorious Church** Mike Gass,2009     **The Great White God was a Reality** Mark E. Petersen,1976     **Defining Church** Anthony Wood,2017-01-02 In an American culture where numbers dictate success and the ends justify the means it is easy for the modern evangelical church to be swayed into operating in this manner Principles that once deemed a church biblically healthy have sadly been replaced with the principles of corporate America The rate of churches forming in America is comparable to the steady advancement of technology gadgets With an array of churches to choose from including a variety of denominations understanding how to choose a church is imperative The factors of determining where one attends church must be based on the internal characteristics versus the external So how does a person choose a biblically grounded church In Defining Church Anthony Wood discusses the five core attributes of a local church challenging believers to biblically assess if their church is established on the foundations that God has prescribed in Scripture Readers will clearly understand God s intention for the church and the roles of its leaders and members God has left the Kingdom keys with believers making it our duty to serve Him well The role of a church is essential in attaining this goal Therefore it is important for believers to ask and confidently answer if their church is truly Christ s church     **Church** Edward Schillebeeckx,1990     **The Church God Meant Us to Be** R.
