reporting about the latest music video gaming media digital and mobile entertainment issues and trends **SPIN**, 1988-11

From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *Buzz Me In* Martin Porter, David Goggin, 2025-08-12

The inside story of Record Plant studios the real Hotel California that reveals how the greatest music of the seventies was recorded and why the artists checked out but rarely left In the seventies Record Plant studios was at the heart of the largest boom in record production in music history With studios in New York Los Angeles and Sausalito and a fleet of remote recording trucks Record Plant was everywhere there was music In 1976 alone three 1 albums Stevie Wonder's *Songs In The Key Of Life* the Eagles *Hotel California* and Fleetwood Mac's *Rumours* were all recorded in Record Plant studios Based on the memoirs and archives of studio cofounder Chris Stone and interviews with over one hundred studio employees music producers and recording artists *Buzz Me In* narrates this previously untold story of classic rock n roll as the authors received it from industry insiders working behind the iconic studio's locked doors alongside the great rock stars of the twentieth century This fast paced and engrossing book written by two seasoned music journalists tells the incredible story of the evolution of Record Plant Studios tape by tape and of the hits that were manufactured there Starting on New York's West Side in 1968 with the recording of Jimi Hendrix's *Electric Ladyland* Record Plant expanded to LA where Stevie Wonder produced his greatest hits and then on to Sausalito where Sly Stone Bob Marley and Fleetwood Mac encamped John Lennon made New York his post Beatles home and the Eagles conceived *Hotel California* while working in LA Each location showcased the founders proven formula of combining state of the art audio fantasy bedrooms and group Jacuzzis with sex drugs and celebrity jams **Billboard**, 1998-11-28

In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Future of Rock and Roll** Robin James, 2023-04-06

In 1983 an Ohio radio station called WOXY launched a sonic disruption to both corporate rock and to its conservative home region programming an omnivorous range of genres and artists while being staunchly committed to local independent art and media In the 1990s as alternative rock went mainstream and radio grew increasingly homogeneous WOXY gained international renown as one of Rolling Stone's Last Great Independent Radio stations The station projected a philosophy that prioritized such independence the idea that truly progressive transgressive futuristic disruptions of the status quo were possible only when practiced with and for other people In *The Future of Rock and Roll* philosopher Robin James uses WOXY's story to argue against a corporate vision of independence in which everyone fends for themselves and in favor of an alternative way of thinking and relating to one

another that disrupts norms but is nevertheless supported by communities Against the standard retelling of the history of modern rock James looks to the local scenes that made true independence possible by freeing individual artists from the whims of the boardroom This philosophy of community rooted independence offers both a counternarrative to the orthodox history of indie rock and an alternative worldview to that of the current corporate mainstream *How to Do Everything with Musicmatch* Rick Broida,Denny Atkin,2004-11-05 Digitize your music library rip and burn CDs tune in Internet radio share files and purchase songs online create custom playlists and much more with help from How to Do Everything with Musicmatch Find out how to copy songs to portable devices optimize PC sound quality work with audio players select the right speakers and more A color spotlight section takes you on a visual stroll through several projects **1000 + 1 Fortunes, Short Stories and Proverbs for Success** Canute Kelly,2014-11-05 No two human beings have the same fingerprint nor feel the same sensations in exactly the same way at exactly the same time and yet we can relate to a lot of the same emotions in similar ways I reflected on some of the things my grandmother would say to me thought about scenes I have seen in movies and how knowledge and habits are passed down through generations and it makes me think of how connected we are as human beings Some of the contents of things I have received from the papers in fortune cookies remind me of things my grandmother would say and sometimes take me back to pleasant memories from my childhood and just like how a cookie is shared I wanted to share the emotions the fortunes elicit **Billboard** ,2003-05-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Breaks in the Air** John Klaess,2022-08-22 In *Breaks in the Air* John Klaess tells the story of rap s emergence on New York City s airwaves by examining how artists and broadcasters adapted hip hop s performance culture to radio Initially artists and DJs brought their live practice to radio by buying time on low bandwidth community stations and building new communities around their shows Later stations owned by New York s African American elite such as WBLS reluctantly began airing rap even as they pursued a sound rooted in respectability urban sophistication and polish At the same time large commercial stations like WRKS programmed rap once it became clear that the music attracted a demographic that was valuable to advertisers Moving between intimate portraits of single radio shows and broader examinations of the legal financial cultural and political forces that indelibly shaped the sound of rap radio Klaess shows how early rap radio provides a lens through which to better understand the development of rap music as well as the intertwined histories of sounds institutions communities and legal formations that converged in the post Civil Rights era Billboard ,1995-09-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,1996-07-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends A New and Concise History of Rock and R&B through the Early 1990s Eric Charry,2012-01-11 This concise yet lively textbook explores the history and significance of American popular music from Tin Pan Alley to Public Enemy Ethnomusicologist Eric Charry provides a strong foundation for understanding how music the music industry and American culture intersect His innovative teaching style presents the material in a dynamic format suitable for general education courses in music The book is organized around a series of timelines tables and figures providing fresh perspectives on the social and cultural importance of the music Charry lays out key contemporary theoretical issues covers the technical foundations of the music industry and provides a capsule history of who did what when with particular emphasis on the rapid emergence of distinct genres and subgenres The book s figures distill the history and provide new insight into understanding trends Over a thousand artists albums and songs are covered such as Muddy Waters Elvis Presley Bob Dylan Aretha Franklin the Velvet Underground Janis Joplin Jimi Hendrix David Bowie Stevie Wonder Prince Madonna Talking Heads and many more
