Marriage and Home ,1870 God's Wisdom for Marriage & the Home Scott Markle,2010 Through wisdom is an house builded And by understanding it is established Proverbs 24 3 Brethren how important is it for us to know understand and follow God s wisdom concerning the home Certainly all of us in one manner or another either as a child as a spouse as a parent or as a sibling have had and may yet have a relationship with the home In fact most of us expect to have some relationship with the home for the entire extent of our lives Thus the home is a significant element of our lives from beginning to end Furthermore the marriage relationship itself is of primary significance in most of our lives Yes our Lord does indeed call some to be single Yet the majority of us will enter into the marriage relationship and for most of us that relationship will extend over the majority of our lives Yea even before we enter into the marriage relationship we generally spend some period of time thinking about planning for and developing relationships that might lead to marriage Thus the marriage relationship is indeed a significant element in our lives Finally the marriage and home relationships are the foundational building block of society As goes the marriage so goes the home As goes the home so goes the church and so goes the country Since marriage and the home are so significant to our existence in this present life certainly it is of great importance that we find trustworthy guidance concerning their success How much more trustworthy guidance may we find than that of the wisdom of the Lord our God Shepherding the Flock Ministries 7971 Washington St Melvin MI 48454 810 378 5323 shepherdingtheflock earthlink net *Creating a Happy Home* Maryrose Chinwe MBANEFO,2021-04-22 Creating a Happy Home Creating a Happy home is all about joining human beings together in a relationship where each of the individuals lives and feels satisfied contented joyful finds refuge safety assistance care rest attention and help An ideal happy home needs to be established and built for better living Happiness and success in life depend on the marriage and the home behind every successful man there is a woman The state of your marriage and your home affects your life and the society at large Marriage is the vocation that builds the home There is a miracle that takes place when a man and a woman come together in holy matrimony which is a union of the two hearts and lives It is a game of understanding that will yield a strong and permanent relationship This relationship is a lifetime commitment to oneness both in good and bad times The couple shares everything together as one they work towards the marriage as a lifetime project and it must be built on Christ for it to stand There can be no happiness in the home without daily prayers a meditation on the word of God that keeps you in union with him The way the choice of partner is made and what transpired during the courtship period is very important in determining the state of the home The families as instituted by Christ are meant to nurture all the Christian virtues which

can only be achieved through the new birth Unity Mutual love and Permanence are the essential properties of marriage that are not just attained A prize must be paid in other to get them and experience happiness in marriage This prize is not measured it is consisting of discipline and attitude loyalties and the ability to blend each other s personalities harmoniously However marriage is what you make it Marriage is meant to be the man s happiness but the devil fights it with suffering problems and hardship which have become part and parcel of any marriage and they pose a lot of challenges to the couples To follow Jesus we must be prepared to accept and face our challenges as facts of life We need to know that wine and music can make you happy but a happy marriage is even better Sir 40 20 A lot of impediments or hindrances to building a happy home were identified and the couple should investigate discovered and removed these impediments during courtship before the marriage is contracted The qualities of an ideal husband wife are identified with the expectations from them The roles duties of each member of the family were identified and the responsibilities of the parents to their children were clearly explained the steps towards building and managing a happy home and the sins against married life were stated The book attempts to make the married and singles conscious understand and appreciate the meaning of Christian marriage purpose and its fundamental characteristics as God s given vocation There is also an attempt to salvage troubled marriages through the practice of Christian virtues and making couples realize that the ups and downs in marriage are part and parcel of it The author demonstrated a depth of research and frank analysis of marriage to enable anyone have enriching insight of its physical psychological moral spiritual and pastoral nature It calls for total examination of ones married life and family setting whether one is really playing his her role as a wife husband father or mother in the home The teachings are for your happiness success in life and salvation in the vocation of marriage The book is recommended for priests pastors of souls parents and prospective spouses marriage counselors and in fact a must read and use the material for all marriage course in all churches
