SITUATION: The numbers are staggering. Every minute 27 girls are forced into marriage. That's 1 every 2 seconds. Child marriage is a global problem. The practice violates girls' human rights, curtails their education, harms their health and sharply constrains their future. The start of a solution is simple: more education. Getting girls to school means delaying marriage. And by becoming a Plan parent that's exactly what you're helping to achieve.

BRIEF: First of all, get the global problem of Child marriage to the living room. Secondly, activate people to become a Plan parent.

IDEA: Plan Belgium helped girls to speak and take over movie 'age warnings' in prime time on National Television, in movie theatres and - via Planit - in YouTube Movie trailers, in their teaching 'topictings'. It inspired girls tell an emotional story and paint a picture about the horrible tradition.

RESULT: Ann was helping the problem to the living room and by doing so created a lot of noise and conversations. And it did. Moreover, Child marriages were discussed on all national media and on numerous blogs, national and international. But most important of all there was an 85% increase of people who became Plan parents, compared to the campaign results of last year.

Marriage Campaign:

The Marriage Campaign Helen Bianchin, 2003 **The Future of Marriage** David Blankenhorn, 2007-11-01 The idea of this book began in a conversation David Blankenhorn had with the president of Freedom to Marry a group advocating equal marriage rights for same sex couples This man asked Blankenhorn a leading figure in the marriage movement to endorse his group s objectives Feeling a bit defensive Blankenhorn replied Every child deserves a mother and a father The Future of Marriage is the result of that conversation In their current demands Blankenhorn points out gay and lesbian leaders are not asking for marriage with an adjective in front of it but marriage itself So in that sense what marriage is and why it matters is ultimately what this debate is all about What exactly is this institution to which gay and lesbian activists are seeking access Why do we have it in the first place Where did it come from What is it for How is it changing These are some of the hard questions The Future of Marriage confronts David Blankenhorn says that if same sex marriage debate is to be redemptive rather than merely divisive it must accept the principle that all persons are equal in dignity But it must also help us to rediscover and renew marriage as the main protector of our children and our primary social institution *Arranged Marriage* Péter Berta, 2023-03-17 Arranged Marriage shows how arranged marriage practices have been undergoing transformation how the gendered and intergenerational politics of agency consent and choice work in the contexts of partner choice and management of marriage and how this type of marriage can be reshaped reinvented and reinterpreted flexibly in response to individual family religious class ethnic and other desires needs and constraints **The Battle over Marriage** Leigh Moscovitz, 2013-11-15 Over the past decade the controversial issue of gay marriage has emerged as a primary battle in the culture wars and a definitive social issue of our time The subject moved to the forefront of mainstream public debate in 2004 when San Francisco Mayor Gavin Newsom began authorizing same sex marriage licenses and it has remained in the forefront through three presidential campaigns and numerous state ballot initiatives In this thorough analysis Leigh Moscovitz examines how prominent news outlets presented this issue from 2003 to 2012 a time when intense news coverage focused unprecedented attention on gay and lesbian life During this time LGBT rights leaders sought to harness the power of media to advocate for marriage equality and to reform their community s public image Building on in depth interviews with activists and a comprehensive longitudinal study of news stories Moscovitz investigates these leaders aims and how their frames tactics and messages evolved over time In the end media coverage of the gay marriage debate both aided and undermined the cause Media exposure gave activists a platform to discuss gay and lesbian families But it also triggered an upsurge in opposing responses and pressured activists to depict gay life in a way calculated to appeal to heterosexual audiences Ultimately The Battle over Marriage reveals both the promises and the limitations of commercial media as a route to social change *Religious Controversy in British India* Kenneth W. Jones, 1992-01-03 This book opens the doors to a social and cultural sphere beyond the limited world of the English speaking elite and provides the basis for an understanding

of religious controversy and internal reform It explores the dynamics of religious interaction and conflict that points toward later developments of communalism and religious separatism still plaguing the subcontinent Religious Controversy in British India reveals a world expressed in South Asian dialects that has been closed to many scholars and students of the subcontinent During the nineteenth century polemical religious literature and those who wrote it mobilized groups and led them back to the fundamentals Sacred texts supporting movements were translated and made available in inexpensive editions Even texts from the well established oral tradition were put into print This process was often initiated in response to Christian missionary activity a response that ultimately expanded to include other religions In this book scholars examine the writings of Hindus Muslims and Sikhs responsible for significant changes within different communities and for a heightened sense of boundary defining identity

Out in the Periphery Omar G. Encarnación, 2016-01-04 Known around the world as a bastion of Catholicism and machismo Latin America has emerged in recent years as the undisputed gay rights leader of the Global South Even more surprising is that several Latin American nations have surpassed many developed nations including the United States in legislating equality for the LGBT community So how did this dramatic and unexpected expansion of gay rights come about And why are Latin American nations diverging in their embrace of gay rights a point highlighted by the paradoxical experiences of Argentina and Brazil Argentina a country with a dark history of repression of homosexuality legalized same sex marriage in 2010 a first for a Latin American nation and since then it has enacted laws to ensure transgender equality to abolish ex gay reparative therapy and to provide reproductive assistance to same sex couples By contrast Brazil a country famous for celebrating sexual diversity proved incapable of legalizing same sex marriage via the legislature leaving the job to the courts and Brazilian anti gay discrimination laws are among the weakest in Latin America In Out in the Periphery Omar G Encarnación breaks away from the conventional narrative of Latin America's embrace of gay rights as a by product of the global spread of gay rights from the developed West Instead Encarnación aims to decenter gay rights politics His intention is not to demonstrate how the local has trumped the global in Latin America but rather to suggest how domestic and international politics interacted to make Latin America one of the world's most receptive environments for gay rights Economic and political modernization constitutional and judicial reforms and the rise of socially liberal governments have all contributed to this receptivity But the most decisive factor was the skill of local activists in crafting highly effective gay rights campaigns Inspired by external events and trends but firmly grounded in local politics and realities these campaigns succeeded in bringing radical change to the law with respect to homosexuality and in some cases as in Argentina in transforming society and the culture at large

Political Campaigns Costas Panagopoulos, 2017 *Political Campaigns* is a detailed comprehensive in depth look at modern campaigns that reflects on both theory and practice It summarizes scholarly research on campaigns but also provides an in depth and inside look into how contemporary campaigns are conducted

Law and Religion in the Commonwealth Renae Barker, Paul Babie, Neil Foster, 2022-06-30 This book

examines law and religion from the perspective of its case law Each chapter focuses on a specific case from a Commonwealth jurisdiction examining the history and impact of the case both within the originating jurisdiction and its wider global context The book contains chapters from leading and emerging scholars from across the Commonwealth including from the United Kingdom Canada Australia Pakistan Malaysia India and Nigeria The cases are divided into four sections covering Foundational Questions in Law and Religion Freedom of Religion around the Commonwealth Religion and state relations around the Commonwealth Rights Relationships and Religion around the Commonwealth Like religion itself the case law covers a wide spectrum of life This diversity is reflected in the cases covered in this book which include Titular Roman Catholic Archbishop of Kuala Lumpur v Home Minister on the use of the Muslim name for God by non Muslims in Malaysia The Church of the New Faith v Commissioner of Pay roll Tax Vic which determined the meaning of religion in Australia Eweida v UK which clarified the application of Article 9 of the European Convention on Human Rights R v Big M Drug Mart on the individual protections of religious freedom under the Canadian Charter of Rights The book examines how legal disputes involving religion are among the most contested in the courts and shows that in these cases passions run high and the outcomes can have significant consequences for all involved The Global Trajectories of Queerness Ashley Tellis, Sruti Bala, 2016-06-10 The Global Trajectories of Queerness interrogates the term queer by closely mapping what space the theorizing of same sex sexualities and sexual politics in the non West inhabits From theoretical discussions around the epistemologies of such conceptualizations of space in the Global South to specific ethnographies of same sex culture this collection hopes to forge a way of tracking the histories of race class caste gender and sexual orientation that form what is called the moment of globalization The volume co edited by Ashley Tellis and Sruti Bala asks whether the societies of the Global South simply borrow and graft an internationalist read Euro US language of LGBT queer rights and identity politics whether it is imposed on them or whether there is a productive negotiation of that language Contributing Authors Sruti Bala Laia Ribera Ca nquez Soledad Cutuli Roderick Ferguson Iman Ganji Krystal Ghisyawan Josephine Ho Neville Hoad Victoria Keller Haneen Maikey Shad Naved Guillermo N ez Noriega Stella Nyanzi Witchayanee Ocha Julieta Paredes Mikki Stelder Ashley Tellis and Wei Tingting *Against Equality* Ryan Conrad, 2015-03-20 When rights go wrong Does gay marriage support the right wing goal of linking access to basic human rights like health care and economic security to an inherently conservative tradition Will the ability of queers to fight in wars of imperialism help liberate and empower LGBT people around the world Does hate crime legislation affirm and strengthen historically anti queer institutions like the police and prisons rather than dismantling them The Against Equality collective asks some hard questions These queer thinkers writers and artists are committed to undermining a stunted conception of equality In this powerful book they challenge mainstream gay and lesbian struggles for inclusion in elitist and inhumane institutions More than a critique Against Equality seeks to reinvigorate the queer political imagination with fantastic possibility LGBTQI+ Allies in Education, Advocacy, Activism,

and Participatory Collaborative Research Wendy M. Cumming-Potvin, 2022-07-07 This topical book explores the ally perspective in advocating for Lesbian Gay Bi sexual Transgender Queer and Inter sex LGBTQI human rights across American Canadian and Australian educational contexts This book aims to clarify the terms and dynamics of mobilizing heterosexual and cisgender privilege in the interests of promoting safe welcoming and inclusive educational communities for all stakeholders particularly those students who self identify as LGBTQI By highlighting concrete examples of allies engaged in participatory collaborative research and by investigating the historical and theoretical dimensions of ally work more generally this volume presents a comprehensive research account of allies role in education advocacy and activism This book will benefit researchers academics and educators in higher education with an interest in gender and sexuality the sociology of education and schools and schooling more broadly Those specifically interested in gender studies as well as the politics of higher education will also benefit from this book

Reformer's Pledge Bill Johnson, Lance Wallnau, Chuck Pierce, Heidi Baker, C. Peter Wagner, James W. Goll, John Arnott, Cindy Jacobs, Lou Engle, Jim Garlow, 2010-11-01 Too often Christian leaders trying to reform society are perceived as intolerant right wing conservatives without an ounce of compassion The truth is many people trying to bring about positive societal reformation are very compassionate and loving people The selected writers who contributed to this book are compassionate reformers I am privileged to know each author and consider all of them dear friends Ch Ahn The Reformer's Pledge is an exciting collection of ten essays by the following respected and dedicated Church leaders Bill Johnson James W Goll Lance Wallnau John Arnott Chuck Pierce Cindy Jacobs Heidi Baker Lou Engle C Peter Wagner Jim Garlow With insight and anointing each author presents a clear picture of reforms that need to be made and the kind of actions required by believers to be in step with God's plan Poignant topics include racism love prayer defending the sanctity of marriage and other fundamental issues facing the Church today Each important topic is addressed thoroughly and sensitively in Spirit inspired chapters sure to stir your soul ignite your calling and fulfill your God given destiny

Life After Katie Ganshert, 2017-04-18 It could have been me Snow whirls around an elevated train platform in Chicago A distracted woman boards the train takes her seat and moments later a fiery explosion rips through the frigid air tearing the car apart in a horrific attack on the city's transit system One life is spared Twenty two are lost A year later Autumn Manning can't remember the day of the bombing and she is tormented by grief by guilt Twelve months of the question constantly echoing Why Why Why Searching for answers she haunts the lives of the victims unable to rest Paul Elliott lost his wife in the train bombing and wants to let the dead rest in peace undisturbed and unable to cause more pain for his loved ones He wants normalcy for his twelve year old daughter and young son to see them move beyond the heartbreak But when the Elliots and Autumn are unexpectedly forced together he fears she'll bring more wreckage in her wake In Life After Katie Ganshert's most complex and unforgettable novel yet the stirring prose and authentic characters pose questions of truth goodness and ultimate purpose in this emotionally resonant tale

Trans-Pacific Japanese

American Studies Yasuko Takezawa, Gary Y. Okihiro, 2016-09-30 Trans Pacific Japanese American Studies is a unique collection of essays derived from a series of dialogues held in Tokyo Kyoto and Los Angeles on the issues of racializations gender communities and the positionalities of scholars involved in Japanese American studies The book brings together some of the most renowned scholars of the discipline in Japan and North America It seeks to overcome past constraints of dialogues between Japan and U S based scholars by providing opportunities for candid extended conversations among its contributors While each contribution focuses on the field of Japanese American studies approaches to the subject vary ranging from national and village archives community newspapers personal letters visual art and personal interviews Research papers are divided into six sections Racializations Communities Intersections Borderlands Reorientations and Teaching Papers by one or two Japan based scholar s are paired with a U S based scholar reflecting the book s intention to promote dialogue and mutuality across national formations The collection is also notable for featuring underrepresented communities in Japanese American studies such as Okinawan war brides Koreans women and multiracials Essays on subject positions raise fundamental questions Is it possible to engage in a truly equal dialogue when English is the language used in the conversation and in a field where English language texts predominate How can scholars foster a mutual respect when U S centrism prevails in the subject matter and in the field s scholarly hierarchy Understanding foundational questions that are now frequently unstated assumptions will help to disrupt hierarchies in scholarship and work toward more equal engagements across national divides Although the study of Japanese Americans has reached a stage of maturity contributors to this volume recognize important historical and contemporary neglects in that historiography and literature Japanese America and its scholarly representations they declare are much too deep rich and varied to contain in a singular narrative or subject position

Biblical Porn Jessica Johnson, 2018-04-19 Between 1996 and 2014 Mark Driscoll s Mars Hill Church multiplied from its base in Seattle into fifteen facilities spread across five states with 13 000 attendees When it closed the church was beset by scandal with former attendees testifying to spiritual abuse emotional manipulation and financial exploitation In *Biblical Porn* Jessica Johnson examines how Mars Hill s congregants became entangled in processes of religious conviction Johnson shows how they were affectively recruited into sexualized and militarized dynamics of power through the mobilization of what she calls biblical porn the affective labor of communicating promoting and embodying Driscoll s teaching on biblical masculinity femininity and sexuality which simultaneously worked as a marketing strategy social imaginary and biopolitical instrument Johnson theorizes religious conviction as a social process through which Mars Hill s congregants circulated and amplified feelings of

hope joy shame and paranoia as affective value that the church capitalized on to grow at all costs **Queer Women in Urban China** Elisabeth L. Engebretsen, 2013-10-30 Lala lesbian and gay communities in mainland China have emerged rapidly in the 21st century Alongside new freedoms and modernizing reforms and with mainstream media and society increasingly tolerant lalas still experience immense family and social pressures to a degree that this book argues is deeply gendered The first anthropological study to examine everyday lala lives intimacies and communities in China the chapters explore changing articulations of sexual subjectivity gendered T P tomboy wife roles family and kinship same sex weddings lala gay contract marriages and community activism Engebretsen analyzes lala strategies of complicit transgressions to balance surface respectability and undeclared same sex desires why being normal emerges a deep aspiration and sign of respectability and why openly lived homosexuality and public activism often are not Queer Women in Urban China develops a critical ethnographic analysis through the conceptual lens of different normativities tracing the paradoxes and intricacies of the desire for normal life alongside aspirations for recognition equality and freedom and argues that dominant paradigms fixed on categories identities and the absolute value of public visibility are ill equipped to fully understand these complexities This book complements existing perspectives on sexual and gender diversity contemporary China and the politics and theories of justice recognition and similitude in global times **Religious Interests in Community Conflict** Paul A. Djupe, Laura R. Olson, 2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of organized religious interests as they confront public problems in their local communities **Lawyers in Practice** Leslie C. Levin, Lynn Mather, 2012-03-30 How do lawyers resolve ethical dilemmas in the everyday context of their practice What are the issues that commonly arise and how do lawyers determine the best ways to resolve them Until recently efforts to answer these questions have focused primarily on rules and legal doctrine rather than the real life situations lawyers face in legal practice The first book to present empirical research on ethical decision making in a variety of practice contexts including corporate litigation securities immigration and divorce law Lawyers in Practice fills a substantial gap in the existing literature Following an introduction emphasizing the increasing importance of understanding context in the legal profession contributions focus on ethical dilemmas ranging from relatively narrow ethical issues to broader problems of professionalism including the prosecutor's obligation to disclose evidence the management of conflicts of interest and loyalty to clients and the court Each chapter details the resolution of a dilemma from the practitioner's point of view that is in turn set within a particular community of practice Timely and practical this book should be required reading for law students as well as students and scholars of law and society *Laboring for the State* Rachel Hynson, 2020-01-23 The Cuban revolutionary government engaged in social engineering to redefine the nuclear family and organize citizens to serve the state
