## **Marriage Family And Society Canadian Perspectives:**

*Marriage, Family and Society* S. Parvez Wakil, F. A. Wakil, 1975      *Marriage, Family and Society* F. A. Wakil, 1975

*The Changing Position of Women in Family and Society* Lupri, 2022-03-28      *Marriage, Family and Society* S. Parvez Wakil, F. A. Wakil, 1975      *Telling Tales* Catherine A. Cavanaugh, Randi R. Warne, 2011-11-01 Women played a vital role in the shaping of the West in Canada between the 1880s and 1940s Yet surprisingly little is known about their contributions or the differences sex and gender made to the opportunities and obstacles women encountered *Telling Tales* contributes to the rewriting of western Canada's past by integrating women into the shifting power matrix of class race and gender that undergirded its colonization and settlement This book covers a range of topics African American settlement on Vancouver Island prairie childbirth narratives and Mennonites as domestic servants are but three examples They focus on women of both minority and dominant cultures and reflect the West's characteristically mixed population *Telling Tales* challenges founding myths of the region and invites a retelling of the story of western Canadian colonization and settlement

**Perspectives Canada**, 1980      *Perspectives Canada III* H. J. Adler, D. A. Brusegard, 1980 Statistics on and insights into social trends in Canada      **Opportunity and Uncertainty** Paul Anisef, Paul Axelrod, Etta Baichman-Anisef, 2000-01-01 Based on the longest running survey of its kind in Canada this book examines events in the lives of a generation of Ontario residents who graduated from grade 12 in 1973 and recreates the world in which these high school students faced the future

**Perspectives Canada III**, 1980      **Courtship, Marriage, and the Family in Canada** G. N. Ramu, 1979 This book provides a systematic introduction to the key aspects of courtship marriage and the family in Canada      *The Canadian Family* Karigoudar Ishwaran, 1983      *Children in Canadian Families* Sylvia T. Wargon, 1979      *The Summer Slide* Karl Alexander, Sarah Pitcock, Matthew C. Boulay, 2016 This book is an authoritative examination of summer learning loss featuring original contributions by scholars and practitioners at the forefront of the movement to understand and stem the summer slide The contributors provide an up to date account of what research has to say about summer learning loss the conditions in low income children's homes and communities that impede learning over the summer months and best practices in summer programming with lessons on how to strengthen program evaluations The authors also show how information on program costs can be combined with student outcome data to inform future planning and establish program cost effectiveness This book will help policymakers school administrators and teachers in their efforts to close academic achievement gaps and improve outcomes for all students Book Features Empirical research on summer learning loss and efforts to counteract it Original contributions by leading authorities Practical guidance on best practices for implementing and evaluating strong summer programs Recommendations for using program evaluations more effectively to inform policy Contributors Emily Ackman Allison Atteberry Catherine Augustine Janice Aurini Amy Bohnert Geoffrey D Borman Claudia Buchmann Judy B Cheatham Barbara Condliffe Dennis J Condon Scott Davies Douglas Downey Ean Fonseca Linda Goetze

Kathryn Grant Amy Heard Michelle K Hosp James S Kim Heather Marshall Jennifer McCombs Andrew McEachin Dorothy McLeod Joseph J Merry Emily Milne Aaron M Pallas Sarah Pitcock Alex Schmidt Marc L Stein Paul von Hippel Thomas G White Doris Terry Williams Nicole Zarrett A comprehensive look at what's known about summer's impact on learning and achievement It is a wake up call to policymakers and educators alike Jane Stoddard Williams Chair Horizons National Provides the reader with everything they didn't know about summer learning loss and also provides information on everything we do know about eliminating summer learning loss Do your school a favor and read this book and then act upon what you have learned Richard Allington University of Tennessee

**The Double Standard** Margrit Eichler, 2024-07-31 First published in 1980 The Double Standard is a powerfully written book challenging the logic of much of the feminist literature in the social sciences Although loyal to the tradition of feminist scholarship Margaret Eichler argues that many feminist writers have unintentionally reinforced the sexual stereotypes that they seek to destroy by using the wrong conceptual tools and the wrong language The terms like sex roles and sex identity have been especially distorting because they are ambiguous and in themselves become instruments of sexism In both the language they employ and the explanations they offer feminists must transcend sex as a criterion of social difference if they wish to overcome sexism in language and thought This book argues that the double standard is the only relevant criterion for determining whether an identified sex difference is a matter of concern and not A double standard implies that two things which are the same are measured by different standards Although usually employed in a strictly sexual sense the concept may be used for all types of behavior in which sex plays a role The arguments of the book are controversial and provoking but they sharpen the thinking of the feminist critique in a way that few other books have achieved This is a must read for scholars and researchers or feminism sociology of gender and gender studies

*Canadian Families 1900-2000* Benjamin Schlesinger, 2000 This partially annotated bibliography of 943 articles relating to Canadian Families covers the period from 1900-2000 The concept is unique in its attempt to give the reader an overview of what has been published in English on the major issues relating to Canadian Families during a century Items in the bibliography are organized into 50 topical headings and include articles books reports surveys and other entries from published sources Also included is a selection of relevant websites An introductory essay highlights some of the major events relating to Canadian Families during the 1964-2000 period Historical entries let the reader examine what family life was like during the first 50 years of the 20th century An author index of 968 names allows for quick reference to specific bibliographic items

*Canadian Perspectives on Law and Society* W. Wesley Pue, Barry Wright, 1988-01-01

*The Working Classes and Higher Education* Amy E. Stich, Carrie Freie, 2015-12-22 Within the broader context of the global knowledge economy wherein the college for all discourse grows more and more pervasive and systems of higher education become increasingly stratified by social class important and timely questions emerge regarding the future social location and mobility of the working classes Though the working classes look very different from the working

classes of previous generations the weight of a universal working class identity background amounts to much of the same economic vulnerability and negative cultural stereotypes all of which continue to present obstacles for new generations of working class youth many of whom pursue higher education as a necessity rather than a choice Using a sociological lens contributors examine the complicated relationship between the working classes and higher education through students distinct experiences challenges and triumphs during three moments on a transitional continuum the transition from secondary to higher education experiences within higher education and the transition from higher education to the workforce In doing so this volume challenges the popular notion of higher education as a means to equality of opportunity and social mobility for working class students     Social Science ,1977     **Social Sciences** ,1977     **Proposals for a Saskatchewan Matrimonial Homes Act** Law Reform Commission of Saskatchewan,Saskatchewan. Dept. of the Attorney General,1976 Report to the Attorney General
