When Bad Things Happen to Good Marriages Les and Leslie Parrott, 2009-08-30 No matter how good your marriage is, it's not invulnerable. Bad things happen to the best of marriages. The question isn't whether you'll face struggles as a couple, but how you'll handle them when they come. When the going gets tough, what does it take to preserve and, in the long run, even strengthen your union? Relationship experts and award-winning authors Les and Leslie Parrott believe the same forces that can destroy a marriage can become the catalyst for new relational depth and richness provided you make wise choices. You can even survive any of the four most heartbreaking crises a marriage can endure: infidelity, addiction, infertility, and loss. The stories and insights of couples who have made it through the worst will encourage you that your marriage is worth fighting for, not just because quitting is so devastating, but because the rewards of sticking it out are so great. The Parrotts explain why every marriage starts out good but inevitably bumps into bad things. Then, drawing on their wealth of professional and personal experience as a married couple, they discuss Three Good Things That Turn Bad for Some Couples, One Bad Thing Every Marriage Can Make Better, Six Bad Things That Sneak Up on Good Marriages, Four Bad Things That Jolt Good Marriages to Their Core, and How Good Marriages Battle Bad Things. In the next to last chapter, the Parrotts take you inside the very soul of your marriage, why it so often aches, and how a vital connection with God can join your hearts together in ways you've never imagined. Designed for use with its accompanying individual workbooks for husbands and wives, *When Bad Things Happen to Good Marriages* could be a life saver for your relationship. It can make the difference between a marriage that founders on the shoals of circumstance and one that grows through hardship to release undreamed-of goodness and blessing in your lives.

When Bad Things Happen to Good Marriages Leslie Parrott, 2001 No marriage is immune to problems, but if handled wisely and correctly, bad things can strengthen and improve a marriage. Experts Les and Leslie Parrott look at five possible reasons why good marriages bump into bad things. Includes end-of-chapter discussion questions designed to help readers pull together when life tries to pull them apart.

Love and Romance in the Christian Marriage Frankie Simmons, 2021-11-03 While God created us equal, most Christian married couples do not succeed because everyone wants to be an equal. Married couples have devised their marriages on equality. They have forgotten the Word of God, thereby forgetting what role they play. Are you equal in love and romance? Are you the man wanting to be the woman, or are you the woman wanting to be the man? God has given us His word for our guide. God's word makes us accountable for the truth and for being who we are as husbands and as wives. We are to seek God for the betterment of our lives.
