**On Marriage and Concupiscence** Saint Augustine, Saint Augustine of Hippo, 2015-06-08 Augustine the man with upturned eye with pen in the left hand and a burning heart in the right as he is usually represented is a philosophical and theological genius of the first order towering like a pyramid above his age and looking down commandingly upon succeeding centuries He had a mind uncommonly fertile and deep bold and soaring and with it what is better a heart full of Christian love and humility He stands of right by the side of the greatest philosophers of antiquity and of modern times We meet him alike on the broad highways and the narrow footpaths on the giddy Alpine heights and in the awful depths of speculation wherever philosophical thinkers before him or after him have trod As a theologian he is facile princeps at least surpassed by no church father schoolman or reformer With royal munificence he scattered ideas in passing which have set in mighty motion other lands and later times He combined the creative power of Tertullian with the churchly spirit of Cyprian the speculative intellect of the Greek church with the practical tact of the Latin He was a Christian philosopher and a philosophical theologian to the full

**On Marriage and Concupiscence** Saint Augustine (of Hippo), 2014 On Marriage and Concupiscence St. Augustine, 2018-08-05 I Addressed two books to the Illustrious Count Valerius upon hearing that the Pelagians had brought sundry vague charges upon us how for instance we condemned marriage by maintaining Original Sin These books are entitled *On Marriage and Concupiscence* We maintain that marriage is good and that it must not be supposed that the concupiscence of the flesh or the law in our members which wars against the law of mind is a fault of marriage Conjugal chastity makes a good use of the evil of concupiscence in the procreation of children My first treatise contained two books The first of them found its way into the hands of Julianus the Pelagian who wrote four books in opposition to it Out of these somebody extracted sundry passages and sent them to Count Valerius he handed them to us and after I had received them I wrote a second book in answer to these extracts The first book of this work of mine opens with these words Our new heretics most beloved son Valerius while the second begins thus Amid the cares of your duty as a soldier

**The Catholic Church on Marital Intercourse** Robert Obach,2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church s theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism s biological perception that sexual activity was solely for the purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962 1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple s marital acts express their love for each other along the lines of Christ s love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other

**Original Sin and Time** Andre Barbera,2024-12-12 The Christian doctrine of original sin properly understood uniquely expresses the human condition People lament their sins and mistakes although they assume guilt only for the former Are they also responsible for their mistakes perhaps even for all that they deem unpleasant or catastrophic in the world earthquakes hurricanes volcanic eruptions and the cruelty of others Andr Barbera explores the latter possibility arguing that a proper understanding of original sin renders each and every person guilty for all misery and woe Two entirely common experiences provide clues for the argument that original sin and time are the same thing The first is waiting pure and simple Everyone waits every day The second experience is people s vain attempt to hold together one another in thought word and image This practice is especially conscious when the person whom someone attempts to hold together has died Time heals all is a euphemism for Sin kills love The argument regarding original sin and time pertains directly to the questions of predestination individual freedom divine foreknowledge and universal salvation By extension it could be applied to the discussion regarding pronouns and gender identification and to the rhetoric surrounding abortion Systematic

**Soul-Making by Grace** Matthew S. Hendzel, 2024-04-30 Purgatory holds a precarious position in the afterlife beliefs of most Christians Often viewed as a doctrine that is held only by Roman Catholics purgatory has historically been maligned by its detractors as unbiblical theologically problematic and a product and source of superstition Moreover it would appear that belief in purgatory has declined in the faith lives of Catholics as well many of whom now seem keen to forget the fears and anxieties that its existence might have raised for them about the afterlife In response to such criticisms and concerns this book argues that purgatory can indeed be a constructive and hope filled component of any Christian understanding of the afterlife In examining the history of the doctrine it seeks answers that explain purgatory's recent descent into obscurity However it also pursues present insights that can shed new light onto how purgatory might find renewed relevancy

*The Anti-Pelagian Writings* St. Augustine of Hippo, Both by nature and by grace Augustin was formed to be the champion of truth in this controversy Of a naturally philosophical temperament he saw into the springs of life with a vividness of mental perception to which most men are strangers and his own experiences in his long life of resistance to and then of yielding to the drawings of God's grace gave him a clear apprehension of the great evangelic principle that God seeks men not men God such as no sophistry could cloud However much his philosophy or theology might undergo change in other particulars there was one conviction too deeply imprinted upon his heart ever to fade or alter the conviction of the ineffableness of God's grace This book comprises St Augustine's writings and thoughts regarding the Anti Pelagian dispute
