Marriage And The Catholic Tradition:

Marriage in the Catholic Tradition Todd A. Salzman, Thomas M. Kelly, John J. O'Keefe, 2004 The greatest scholars in the Catholic West offer these essays on marriage from a Catholic perspective Textbook style and including study questions and useful sidebars *Marriage and the Catholic Church* Michael G. Lawler, 2002 In this collection of theological essays Michael Lawler confronts difficult questions in the Catholic theology of marriage Lawler addresses questions about marriage and sacrament faith and sacrament divorce and remarriage cohabitation and Catholic models of marriage honestly historically accurately and pastorally He identifies and explores debated issues embraces a position on them and sustains his position with reasoned Catholic insight and pastoral sensitivity With an excellent command of the sources he offers a fresh look at the Catholic theology of marriage for a new millennium **Catholic Church Saved My Marriage** Dr. David Anders, 2018-06-14 The Catholic Church saved my marriage and quite possibly my life So begins David Anders in this remarkably forthright book In it David reports that by the early 2000s his marriage was so painful he actually longed for death It wasn't simple incompatibility he and his wife had just one thing in common contempt for each other Today David and his wife are happy together not because of marriage therapy but because they came to know and fully embraced the Catholic Church's teachings on marriage Many people who encounter such teachings are shocked by their rigor Yet the Church offers much more than rules about sexual restraint she offers a way to make marriage into something supernatural even mystical Here Dr Anders shares his personal discovery of the Church's teaching on marriage and offers a robust defense of the Church's most controversial teachings including divorce remarriage gay marriage and contraception With the Church's teachings and the writings of the saints as his guide he also offers practical time tested ways to improve your marriage such as how to live in peace despite an unhappy marriage the value of suffering and ways to overcome your reluctance to forgive grave offenses In a culture that breaks apart marriages and undermines human dignity Dr David Anders offers a hope filled alternative for those who live moral and spiritual lives in union with Christ and His Church Catholic Marriage John Burke, 1999 **Sex and Marriage in the Catholic Tradition** Douglas Richard Letson, 2001 What Binds Marriage Timothy Buckley, 2002-01-07 From apostolic times the Church has wrestled with the dilemma of how to defend its belief in the sanctity and permanence of marriage while at the same time ministering the love and compassion of Christ to those traumatised by the experience of marital breakdown Timothy Buckley is a Redemptorist priest who produced a report for the Catholic bishops of England and Wales on the pastoral situation among priests and people argues that the theology of the bond of marriage is responsible for an impasse which often limits the Church's official solutions to the granting of annulments By tracing the history of the teaching on the bond he concludes that the present discipline is based on disputable theology and he proposes a way forward An enlightened sound and original look at marriage today *Marriage in the Catholic Church*, 1984 *Marriage and Sacrament* Michael G. Lawler, 2017-06-15 At a time in human history when women and men are more

concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage Marriage and Sacrament offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament Marriage and Sacrament is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage How to Survive Being Married to a Catholic Rosemary Gallagher, Michael Henesy, 1986-06 There are thirteen down to earth chapters it tells you what Catholics believe and what difference it makes to their lives Also answers to over eighty of questions people most commonly ask about Catholics and the Catholic Church

Mixed Marriages in the Catholic Church Leo Herbert Lehmann, 1948 **Partners in Life and Love** Joseph R. Giandurco, John S. Bonnici, 1996 This booklet is designed to give couples an introduction to the Catholic Church's teaching on the sacrament of Marriage based on the new Catechism of the Catholic Church and to help them prepare their wedding liturgy *Marriage is Love Forever* James Socias, Reverend Rev Rev Rev Rev James Socias, 1994 **Christian Marriage and Family** Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *101 Questions and Answers on Catholic Married Life* Catherine A. Johnston, Rebecca Nappi, Daniel Kendall, 2014-05-14 Examines marriage as lived in the context of the Catholic community which supports the couple spiritually emotionally and in many other ways An Inculturation Model of the Catholic Marriage Ritual David William Antonio, 2002 In An Inculturation Model of the Catholic Marriage Ritual David William Antonio presents a model of how the Catholic Ritual of Marriage may be adapted to the language culture and traditions of a particular people specifically the Ilocanos of Northern Luzon in the Philippines Vatican II called for the revision and adaptation of the rite of marriage exhorting local churches to develop their own rites suited to their people's particular customs and traditions The work of preparing a rite of marriage for a particular region cannot be limited to merely translating the typical edition There has to be a thorough examination of both the editio typica and the

people's religious and cultural traditions the socio economic and political realities that confront them attending to the positive values expressed therein Only a dialogical process such as this will guarantee a liturgy that is faithful to the Christian tradition and meaningful to a given people An Inculturation Model of the Catholic Marriage Ritual will serve as a model for people of other cultures who have to do similar liturgical preparation and will be important especially to churches whose membership includes people who experienced colonization but never lost the riches of their own cultures in the blending of cultures and beliefs that followed
