LEAVES OF A STUNTED SHRUB Vol One ,2009 **Captain Billy Bush and the Bush Settlement, Clark County, Kentucky, A Family History** Harry G. Enoch,2015-10-23 No one played a more important role in the settlement of Clark County than Capt William Billy Bush Born in Orange County Virginia Billy came out with Daniel Boone in 1775 resided for a time at Fort Boonesborough then spent the rest of his life living a few miles from the fort He thus became one of the first permanent settlers in Kentucky Billy was also a key figure in establishing Providence Baptist Church the first church in Clark County Their place of worship the Old Stone Church is now the oldest church on Kentucky soil Billy Bush laid claim to thousands of acres of land between Winchester and the Kentucky River and Daniel Boone ran the surveys for him This land became the foundation of the Bush Settlement *Rucker Heritage* ,1993 Book Two Research of Family Names Joyce Sutton,2011 I was always told that we had forefathers that served in the American Revolutionary War I decided that I wanted to find out for sure and that is when I first became addicted to researching It s been fun time consuming but if compiling all this information helps someone find which branch of the family tree they came from then it has been worth it **The Tip of the Sword** H. Eddie Fields,2025-06-18 The religious and faithful aspect of our Christian forefathers fight for freedom is a fascinating struggle especially when studied from the proper perspective The facts demonstrate God s hand and influence upon the colonies and our nation s founders It is a history that should be diligently studied and understood How can we as a nation ever determine where we are going if we do not understand our past How do we grasp and hold onto our nation s fundamental beliefs values and principles if we do not understand what they are or how they came to be Do not our beliefs values and principles make us this great nation that has been blessed by Almighty God All Americans should know their forefathers pursued liberty and fought for reasons far beyond economic freedom and political power American secular historians who simply list a desire for religious freedom as one of many causes of the revolution fail us at every level of understanding the persecution that colonists endured Consider the majesty and faith of the words of the founding fathers in the profound commitment of the signatories at the end of the Declaration of Independence And for the support of this Declaration with a firm reliance on the protection of Divine Providence we mutually pledge to each other our lives our fortunes and our sacred honor There is no question upon whom they relied and no doubt about their faith or commitment to

one another The early American statesman Daniel Webster clearly and concisely stated his beliefs when he said History is God s providence in human affairs Webster could never have conceived that anyone would write a history excluding God from the story If it is truthful history must acknowledge God s role in it That is the driving theme in this history of the pioneers patriots and preachers of Sinking Creek Baptist Church and the Watauga Settlement It is my hope that every reader will recognize and embrace the influence of God in the lives and circumstances of our founding fathers
