Marriage William F. Wunsch, 1973-07-01 **Marriage** Emanuel Swedenborg, William F. Wunsch, 1973 **Emerson and the Doctrine of Correspondence** Clarence Paul Hotson, 1929 **Marriage Ideals and Realization** William F. Wunsch, 2013-10 This is a new release of the original 1929 edition *Marriage and the American Ideal* Floyd Mansfield Martinson, 1960 *My Ideal of Marriage* Christian Daa Larson, 1916 Christian Marriage David Michael Thomas, 1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one's marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple's collaboration with God's creative power in bringing new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1 , Appleton's Magazine , 1906 New-Church Messenger , 1928 **Appleton's Booklovers Magazine** , 1906

Kierkegaard and Philosophy Alastair Hannay, 2003-12-16 Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time These seventeen essays written over a period of over twenty years have all been substantially revised or specially prepared for this collection with a new introduction by the author In the first part Alastair Hannay concentrates on Kierkegaard's central philosophical writings offering closely text based accounts of the silent concepts Kierkegaard uses The second part shows the relevance of other thinkers treatments of shared themes pointing out where they differ from Kierkegaard The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable Written by the world's foremost Kierkegaard scholar and translator Kierkegaard and Philosophy is an indispensable resource for all students of Kierkegaard's work *The Christian Century* , 1929 *The Urantia Book* , Realizing the Dream of R.A. Kartini Joost Coté, 2008 *Realizing the Dream of R A Kartini Her Sisters Letters from Colonial Java* presents a unique collection of documents reflecting the lives attitudes and politics of four Javanese women in the early twentieth century Joost J Cot translates the correspondence between Raden Ajeng Kartini Indonesia's first feminist and her sisters revealing for the first time her sisters contributions in defining and carrying out her ideals With this collection Cot aims to situate Kartini's sisters within the more famous Kartini narrative and indirectly to situate Kartini herself within a broader narrative The letters reveal the emotional lives of these modern women and their concerns for the welfare of their husbands and the success of their children in rapidly changing times While by no means radical nationalists and not yet extending their horizons to the possibility of an Indonesian nation these members of a new middle class nevertheless confidently express their belief in their own national identity

Realizing the Dream of R A Kartini is essential reading for scholars of Indonesian history providing documentary evidence of the culture of modern urban Java in the late colonial era and an insight into the ferment of the Indonesian nationalist movement in which these women and their husbands played representative roles
