Marriage Who When And Why:

The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment *The Good Marriage* explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about *The Good Marriage* is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead *The Atlantic* A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby *The New York Times Book Review* Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson *San Francisco Examiner Chronicle* Groundbreaking *Boston Globe* This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn *Newsday* Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using *The Good Marriage* by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise

sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health

Domestic Violence, Forced Marriage and 'honour'-Based Violence Great Britain. Parliament. House of Commons. Home Affairs Committee, 2008 Who Gets What--and why Alvin E. Roth, 2015 A Nobel laureate reveals the often surprising rules that govern a vast array of activities both mundane and life changing in which money may play little or no role If you've ever sought a job or hired someone applied to college or guided your child into a good kindergarten asked someone out on a date or been asked out you've participated in a kind of market Most of the study of economics deals with commodity markets where the price of a good connects sellers and buyers But what about other kinds of goods like a spot in the Yale freshman class or a position at Google This is the territory of matching markets where sellers and buyers must choose each other and price isn't the only factor determining who gets what Alvin E Roth is one of the world's leading experts on matching markets He has even designed several of them including the exchange that places medical students in residencies and the system that increases the number of kidney transplants by better matching donors to patients In *Who Gets What And Why* Roth reveals the matching markets hidden around us and shows how to recognize a good match and make smarter more confident decisions *Mother-headed Families and Why They Have Increased* Ailsa Burns, Cath Scott, Catherine Scott, 2013-06-17 The last two decades have seen a dramatic growth in the proportion of families headed by women Most of these families are poor and include dependent children causing the development of a large underprivileged class across the western world This book explores the causes and implications of this development Because the increase in mother headed families is an international trend an international perspective has been adopted The discussion centers on selected countries where certain trends are most visible Among the western nations particular attention is given to the United States Sweden and the former U S S R because of their high prevalence of mother headed families and trends in some countries with a middling prevalence are also discussed Japan is included because of its combination of advanced industrialization with a non western tradition and a low incidence of mother headed families Accordingly the book considers broad supranational influences and proposes some explanations that draw on material from history anthropology sociology psychology women's studies economics literature and religious studies The authors present definitive information on the incidence of mother headed families across historical epochs and culture groups This includes an exploration of the conditions under which such families have been many or few and have been treated well or poorly by their communities They also offer some theoretical explanations for the increasing frequency of this family form and consider whether these interpretations fit the facts that have been gathered Finally there is a detailed discussion revealing what these explanations may imply for the future that is whether the number of mother headed families is likely to increase stabilize or decrease **House documents** , 1892 Federal Register , 1977

Why Marriage Matters Evan Wolfson, 2007-11-01 At its core the freedom to marry movement is about the same thing every civil rights struggle has been about taking seriously our country's promise to be a nation its citizens can make better its promise to be a place where people don't have to give up their differences or hide them in order to be treated equally Why Marriage Matters offers a compelling intelligently reasoned discussion of a question that still remains in the national consciousness It is the work of one of the most influential attorneys in America who has dedicated his life to the protection of individuals rights and our Constitution's commitment to equal justice under the law Above all it is a clear straightforward book that brings into sharp focus the very human significance of the right to marry in America not just for some couples but for all Why is the word marriage so important Will marriage for same sex couples hurt the sanctity of the institution How can people of different faiths reconcile their beliefs with the idea of marriage for same sex couples How will allowing gay couples to marry affect children In this quietly powerful volume the most authoritative and fairly articulated book on the subject Wolfson demonstrates why the right to marry is important indeed necessary for all couples and for America's promise of equality

Strangers When We Meet Evan Hunter, 2017-06-06 New York Times Bestseller A passionate no holds barred story of an illicit suburban love affair from the acclaimed author of The Blackboard Jungle The New York Times Larry Cole has everything a man could want He loves his wife Eve and is devoted to their two small sons His career as an architect is both creatively satisfying and financially rewarding His house in suburban Pinecrest Manor is attractive and comfortable But then Larry sees a new neighbor standing at the school bus stop Margaret Gault is young blond beautiful and married She's everything Larry didn't realize was missing from his life and he must have her Maggie tells Larry she's never been in love But this isn't about love It's about need and desire Touch and taste and risk And lies Larry and Maggie surrender to lust knowing their secret motel rendezvous and lunch hour trysts will amount to nothing they will always be strangers to each other But actions have consequences And sometimes consequences can be deadly Author Evan Hunter adapted his riveting novel of infidelity into a film starring Kirk Douglas and Kim Novak A torrid tale of sexual compulsion and the secrets lurking beneath the most placid of surfaces Strangers When We Meet is an early masterpiece from the creator of the bestselling 87th Precinct series

What the Qur'an Meant and why it Matters Garry Wills, 2017 In this book Wills as a non Muslim with an open mind reads the Qur'an with sympathy but with rigor trying to discover why other non Muslims like Pope Francis find it an inspiring book worthy to guide people down through the

centuries There are many traditions that add to and distort and blunt the actual words of the text What Wills does resembles the work of art restorers who clean away accumulated layers of dust to find the original meaning *100 Reasons Why Sex Must Wait Until Marriage* Dr. D. K. Olukoya,2015-04-24 100 Reasons Why Sex Must Wait Until Marriage Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it Many do not understand that when sex is not done within the scripturally prescribed confines of marriage the temporary pleasure derived can lead to eternal pressure In this book Dr Olukoya has taken time to unlock some of the mysteries of sex Considerable attention has been given to the after effects of premarital sex to show why you should wait until marriage before engaging in it Steps are listed on how you can stay pure and avoid sex until marriage Sex outside marriage is a killer and it has successfully destroyed millions of destinies Do not let yours be next

Queer Public History Marc Stein,2022-03-22 Over the course of the last half century queer history has developed as a collaborative project involving academic researchers community scholars and the public Initially rejected by most colleges and universities queer history was sustained for many years by community based contributors and audiences Academic activism eventually made a place for queer history within higher education which in turn helped queer historians become more influential in politics law and society Through a collection of essays written over three decades by award winning historian Marc Stein *Queer Public History* charts the evolution of queer historical interventions in the academic sphere and explores the development of publicly oriented queer historical scholarship From the AIDS crisis of the 1980s and the rise of queer activism in the 1990s to debates about queer immigration same sex marriage and the politics of gay pride in the early twenty first century Stein introduces readers to key themes in queer public history A manifesto for renewed partnerships between academic and community based historians strengthened linkages between queer public history and LGBT scholarly activism and increased public support for historical research on gender and sexuality this anthology reconsiders and reimagines the past present and future of queer public history
