King, 1985 This index contains an alphabetical listing of brides and grooms from three sources of information Marriage Index to marriages 1813 1855 direct and indirect Appendix Z 1 Peter J Hamilton Colonial Mobile 1910 ed Foreword Creoles of Color of the Gulf South James H. Dormon, 1996 Although the book begins with an analysis of the Creole population s origins in the New Orleans area the subsequent essays focus on the Creole communities outside that city Throughout the volume the contributors demonstrate the persistence of the Creole ethnic identity Included are examinations of Creole populations in the cities of Pensacola and Mobile as well as those in the bayou and prairie regions of Louisiana In addition to dealing with sociohistorical aspects of the Creole experience the book features essays that examine language music and folklore The concluding essay which cuts across several disciplines covers the late twentieth century revitalization of the Gulf Creole communities **Narrative of James Williams, an American Slave** Hank Trent, 2013-11-05 The American Anti Slavery Society originally published Narrative of James Williams an American Slave in 1838 to much fanfare describing it as a rare slave autobiography Soon thereafter however southerners challenged the authenticity of the work and the society retracted it Abolitionists at the time were unable to defend the book and until now historians could not verify Williams s identity or find the Alabama slave owners he named in the book As a result most scholars characterized the author as a fraud perhaps never even a slave or at least not under the circumstances described in the book In this annotated edition of Narrative of James Williams an American Slave Hank Trent provides newly discovered biographical information about the true author of the book an African American man enslaved in Alabama and Virginia Trent identifies Williams s owners in those states as well as in Maryland and Louisiana He explains how Williams escaped from slavery and then altered his life story to throw investigators off his track Through meticulous and extensive research Trent also reveals unknown details of James Williams s real life drawing upon runaway ads court cases census records and estate inventories never before linked to him or to the narrative In the end Trent proves that the author of the book was truly an enslaved man albeit one who wrote a romanticized fictionalized story based on his real life which proved even more complex and remarkable than the story he told **American Genealogy Magazine** , 1988 **The Southern Genealogist's Exchange Quarterly** , 1965 Plugging Into Your Past Rick Crume, 2004 Shows how to find family genealogy online and includes a description of many different genealogical Web sites and strategies for searching them The Augustan Society Omnibus , 1986 **Rochon and Related Families** David Allen Sprinkle, 1992 Family history and genealogical information about the descendants of Charles Rocheron or Rochon who was born 25 July 1673 in Quebec Canada He was a descendant of Simon Rocheron or Rochon who was born 6 February 1836 in St Cosme le Vair Sarthe France Simon immigrated to America with his parents and settled in Quebec Canada Charles migrated to Mobile Alabama ca 1704 and married Henriette Colon ca 1712 He became the patriarch

of the Rochon families of the Gulf Coast including the modern day states of Louisiana Mississippi and Alabama Family Puzzlers ,1985 **The Harbin Newsletter** ,2000 *Civil War Flags of Tennessee* Stephen Douglas Cox,2024-01-12 Civil War Flags of Tennessee provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox s work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered *The Searcher* ,1992 **West Texas Genealogical Society** ,1987 **Swedish American Genealogist** ,1985 **MCGS Reporter** ,1984 **The Tree Tracers** ,1991 *The Wood-Woods Family Magazine* ,1986 **Genealogical & Local History Books in Print** ,1990 **Yellowed Pages** ,1993
