Marriages And Families Making Choices And Facing The Change:

Marriages and Families Mary Ann Lamanna,2006 *Study Guide for Marriages & Families: Making Choices & Facing Change, Third Ed*, by Mary Ann Lamanna and Agnes Riedmann David Treybig,1988 *Marriages and Families* Mary Ann Lamanna,1997 **Marriages and Families** Mary Ann Lamanna,Agnes Czerwinski Riedmann,1994 **Woman, Marriage and Family** Man Singh Das,Vijay Kumar Gupta,1995 The book discusses about various issues related to women s adjustment role commitment satisfaction decision making etc in marital relations In general the book is a good source material for those who are doing research in the related field 21st Century Sociology: A Reference Handbook Clifton D. Bryant,Dennis L. Peck,2006-11-17 21st Century Sociology A Reference Handbook provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource The two volumes of this Reference Handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry *The American Ritual Tapestry* Mary Jo Deegan,1998-09-24 American rituals are vital to the creation and renewal of cultural meanings and rules for social interaction These rituals are rooted in tradition yet are rapidly changing a contradiction of hyper modern society This phenomenon was first explored by Professor Deegan in her 1989 study American Ritual Dramas The theory examines both participatory rituals and mass media rituals to show how everyday people become attached to and alienated from other rituals Elaborating on the critical dramaturgy theory the essays in this collection show how patterns can be changed to create a more emancipatory and celebratory society The topics covered in the collection include an analysis of Santa Claus skinheads hate crimes and strip dancing among other topics Each contributor has participated in these rituals and many examine related cultural artifacts such as music brochures and so forth As the essays show postmodern theory has gratly underestimated the power and coherence of these events An important study for scholars and other researchers involved with sociological theory social psychology and popular culture **Marriages and Families** Mary Ann Lamanna,Agnes Czerwinski Riedmann,1991-01-01 *Family Ministry* Charles M. Sell,1995-02-28 A practical resource for developing congregational stability this updated book guides your church toward being capable of encouraging and sustaining healthy family life Police Women Sandra K. Wells,Betty L. Alt,2005-09-30 It is often said that a woman must do a job twice as well as a man in order to get half the credit This is particularly true of women in law enforcement Women have been involved in various forms of policing for the last 100 years but it wasn t until the Equal Employment Act of 1970 that women could move from the job of meter maids to patrol and detective work Yet less than 1% of all top level cops are women and there remain significant obstacles in the career paths of women in the force This book looks at the history of women police officers and provides first hand accounts of women at every level including those who drop out It addresses discrimination competition lack of mentoring differential treatment and sexual harrassment examining what issues play into

the decision to stick it out or leave that many policewomen face It also considers the family issues these women return home to at the end of the day It is often said that a woman must do a job twice as well as a man in order to get half the credit This is particularly true of women in law enforcement Women have been involved in various forms of policing for the last 100 years but it wasn't until the Equal Employment Act of 1970 that women could move from the job of meter maids to patrol and detective work Yet less than 1% of all top level cops are women and there remain significant obstacles in the career paths of women in the force This book looks at the history of women police officers and provides first hand accounts of women at every level including those who drop out It addresses discrimination competition lack of mentoring differential treatment and sexual harassment It looks at what plays into the decision to stick it out or leave that many policewomen face It also considers the family issues these women return home to at the end of the day Unlike other treatments of the subject Alt and Wells show how women have changed police work into a more community oriented model of policing reduced police violence served as a strong force to promote a more effective response to domestic violence within police departments and helped with community police relations With a combination of first hand accounts careful research and lively analysis the authors are able to convey the actual experiences of women who have made their careers behind the shield

International Social Work Practice Joanna E. Bettmann, Gloria Jacques, Caren J. Frost, 2013 *International Social Work Practice* compares and contrasts divergent social work approaches in countries around the world providing students with a unique perspective on social work as it is actually practised Using case studies from frontline practitioners from across the globe this innovative new textbook stimulates critical thinking about international social work practice issues Providing a review of both country specific social work practices and universal social work issues the text looks at a variety of core social work topics framed here in terms of CSWE competencies Set within a theoretical framework presented in the introductory chapter the subjects covered include child welfare intimate partner violence family conflict and communication elder care substance abuse trauma Each chapter presents several case studies exploring range of issues within the broader topic and each case study is commented on by two narratives from social work academics and practitioners from different countries providing different cultural perspectives Taking a practical hands on approach this text includes a dedicated section for classroom use with discussion questions classroom exercises and additional cases for your own analysis It will be particularly useful to BSW and MSW students taking courses in international social work practice social welfare and human behaviour

The Poetics of Intimacy and the Problem of Sexual Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term

and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality

Marriages & Families Mary Ann Lamanna, Agnes Czerwinski Riedmann, 1988-01-01

Fleeing Grandma and Grandpa Betty L. Alt, Sandra K. Wells, 2004-09-30 Falling for a scam or con is humiliating for anyone and can have terrible consequences But for the elderly being the victim of fraud can be disastrous and they are the most common and vulnerable targets of everyday scams cons and frauds From identity theft to gambling scams from power of attorney issues to pyramid schemes there is no dearth of creativity in the ways some criminals will relieve the elderly from their money and their homes Here Alt and Wells

describe the most common scams offer the stories of actual victims and detail ways to protect yourself and your family from becoming easy targets What makes the elderly such easy marks for con artists How can they avoid the common traps Knowing about them is one place to start and this book helps readers to understand and identify the most common scams perpetrated against the elderly Because such cons are so hard to prosecute it is important to know the methods criminals employ to separate innocents from their hard earned money This lively vivid account of one of the most insidious forms of crime will help families and individuals protect themselves and their loved ones from the machinations of those who view them as easy marks Gender Inequality in Our Changing World Lori Kenschaft,Roger Clark,Desiree Ciambone,2015-07-24 Gender Inequality in Our Changing World A Comparative Approach focuses on the contemporary United States but places it in historical and global context Written for sociology of gender courses this textbook identifies conditions that encourage greater or lesser gender inequality explains how gender and gender inequality change over time and explores how gender intersects with other hierarchies especially those related to race social class and sexual identity The authors integrate historical and international materials as they help students think both theoretically and empirically about the causes and consequences of gender inequality both in their own lives and in the lives of others worldwide *Fundamentals of Sociology* Kevin Everett,Peggy Shifflett,2005-02-14 **Of Children** Guy R. Lefrançois,1992 This revised and expanded text approaches the study of child development from an inside outside perspective looking at children from a research based point of view as well as from a personal or experiential perspective
