Married Womens Work:

Should Married Women Work? Ruth Enalda Shallcross,1940 Married Women's Work Clementina Black,1915

Women, Work, and Divorce Richard R. Peterson,1989-03-09 This book considers how women cope with the economic hardship which accompanies divorce using national longitudinal data on a generation of women in the United States These women came of age at a time when they were expected to give priority to family roles over work roles Yet by the time many of them were divorced in the 1970s with the climate of changing perceptions of gender roles women were expected to work and were unprepared for the economic disruption caused by divorce Peterson analyzes the experiences of women drawing upon sociological and economic approaches to the study of labor market outcomes and of life cycle events He shows how over the long term most divorced women can make at least a partial recovery but divorced women with children have a more difficult time making work adjustments and experience greater economic deprivation Given the continuing high rates of divorce Peterson s findings highlight the importance of work rather than marriage for women s economic security

Women Working Longer Claudia Goldin, Lawrence F. Katz,2018-04-19 Today more American women than ever before stay in the workforce into their sixties and seventies This trend emerged in the 1980s and has persisted during the past three decades despite substantial changes in macroeconomic conditions Why is this so Today s older American women work full time jobs at greater rates than women in other developed countries In *Women Working Longer* editors Claudia Goldin and Lawrence F Katz assemble new research that presents fresh insights on the phenomenon of working longer Their findings suggest that education and work experience earlier in life are connected to women s later in

life work Other contributors to the volume investigate additional factors that may play a role in late life labor supply such as marital disruption household finances and access to retirement benefits A pioneering study of recent trends in older women s labor force participation this collection offers insights valuable to a wide array of social scientists employers and policy makers

Family Economics Review, 1982 [Transforming Women's Work](#) Thomas L. Dublin, 2018-07-05 I am not living upon my friends or doing housework for my board but am a factory girl asserted Anna Mason in the early 1850s Although many young women who worked in the textile mills found that the industrial revolution brought greater independence to their lives most working women in nineteenth century New England did not according to Thomas Dublin Sketching engaging portraits of women's experience in cottage industries factories domestic service and village schools Dublin demonstrates that the autonomy of working women actually diminished as growing numbers lived with their families and contributed their earnings to the household From diaries letters account books and censuses Dublin reconstructs employment patterns across the century as he shows how wage work increasingly came to serve the needs of families rather than of individual women He first examines the case of rural women engaged in the cottage industries of weaving and palm leaf hatmaking between 1820 and 1850 Next he compares the employment experiences of women in the textile mills of Lowell and the shoe factories of Lynn Following a discussion of Boston working women in the middle decades of the century particularly domestic servants and garment workers Dublin turns his attention to the lives of women teachers in three New Hampshire towns

Integrating Work and Family Life Betty Beach, 1989-01-01 What happens when work and family space are shared Beach examines the lives of home working families and describes the interaction of work and family life Detailed focus on the family system demonstrates how space and time are utilized how spouses and children respond and how the family may perceive home work as an adaptive effort to integrate work and family life Beach highlights the often overlooked role of children in contributing to this home work style **Married Women's Work, 1915** Clementina Black, 2015-06-16 Excerpt from *Married Women's Work 1915* Being the Report of an Enquiry Undertaken by the Women's Industrial Council

Incorporated The enquiries on which this Report of the industrial work of married women and widows was based were made mainly during the years 1909 and 1910 The delay in the publication of the Report has been due to many causes of which the latest is the European war This delay is not one by which the book suffers since up to the outbreak of war the conditions described continued to prevail These conditions of Englishwomen s life and industry later events have shown to be unequal to the strain caused by the war It is hoped that a detailed realisation of what these conditions were may be a real help towards that immense social reconstruction which is now seen to be needed The thanks of the Council are due to a large body of investigators who have visited personally every case recorded in this book The remarkable accuracy of their information is evident from the fact that all these separate witnesses tell practically the same story Nothing has struck me more in going over the whole of the papers than the similarity of the general facts Of the reports each has been written in complete independence of any other and their agreement can hardly fail to impress a careful reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
