Married Anne Roiphe, 2004 We live in a world where the concept of marriage is an unfashionable one Where individuals protest their independence their inability to commit or their lack of faith in the institution against a culture of bestsellers films television series and magazines all obsessed with the finding and keeping of a mate With clarity Anne Roiphe gives us an unfettered view of an institution which continues to play an important role in all our lives In doing so she offers an elegant defence of married life from the perspective of a wife and mother who has survived the fifties the sexual revolution and the woman's movement

Couples Kate Figes, 2010-01-21 These days many of us enjoy unrivalled freedom and equality when it comes to choosing and building a relationship Yet new myths about how to live and love compromise that happiness Kate Figes argues that whether married or cohabiting gay or straight remarried or a couple living apart the quality of our intimate relationship is fundamental to our long term health and happiness because our need for commitment and love hasn't changed This is not a handbook There are no easy Mars and Venus universal recipes for success because relationships are far too complicated individual and important for easy answers But learning how others sustain lifelong love and what really goes on in other people's lives can help us to understand our own partnerships and take responsibility for making them work *Couples* is an incisive and important look at how we can learn to make love endure

Coming of age on Park Avenue in the 1950s Anne Roiphe had an adolescence entrenched in privilege petticoats and social rules Young women at the time were expected to give up personal freedom for devotion to home and children Instead Roiphe chose Beckett Proust Sartre and Mann as her heroes and became one of the girls draped across the sofa at parties with George Plimpton Norman Mailer and William Styron sometimes with her young child in tow For a time she was satisfied to play the muse but at the age of twenty seven divorced and finally freed of the notion that any sacrifice was worth making for art she began to write Here in her clear sighted perceptive and unabashed memoir Roiphe shares with astonishing honesty the tumultuous adventure of self discovery that finally led to her redemption **Emotionally Engaged** Allison

Moir-Smith, 2006-12-26 From the country's foremost expert on cold feet a smart and compassionate guide for the bride to be who thinks she should be blissfully happy but is freaking out instead For most brides the elation of engagement is accompanied by a cocktail of unexpected emotions Anxiety about making a lifelong commitment Sadness about leaving their single life behind Confusion when even simple decisions should we serve chicken cordon bleu or beef Wellington bring them to tears Worst of all since everyone around them expects them to be happy few brides feel there's anyone to turn to with these conflicting feelings Written by one of Modern Bride's 25 Trendsetters of 2006 and targeting the 2.5 million women who get engaged each year Emotionally Engaged is the only book geared toward helping brides survive their engagements and emerge as stronger happier better adjusted married women In the book Allison Moir Smith shares her threestage tried and true process from her workshops and individual therapy sessions along with the stories of over a dozen brides to be and

Marriage, Writing, and Romanticism Eric C. Walker, 2009 Marriage Writing and Romanticism studies marriage in two sets of literary texts from the Regency decade the novels of Jane Austen who avoided marriage in her own life but seems to have written about nothing else and a set of non canonical and generally unfamiliar poems by William Wordsworth who seems never to turn to the subject of his own marriage With other Romantic writers who also figure in this study Austen and Wordsworth confronted the impossibility of writing about anything other than marriage and the imperative either to celebrate or condemn it Thanks to the latest scholarly editions of Wordsworth Walker introduces previously undiscussed material Walker reads conjugality as the compulsory ground of modern identity an Enlightenment legacy we still grapple with today and offers new perspectives on literature through the writing of Austen and Wordsworth and theories of marriage in Godwin Wollstonecraft Hegel Kierkegaard and in our time Adam Phillips and Stanley Cavell A More Perfect Union Hana Schank, 2007-02-20 From a year in wedding land comes this humorous yet poignant memoir from choosing the perfect gown to balancing advice from well intentioned loved ones to avoiding the dreaded label bridezilla **Modern Jewish Women Writers in America** E. Avery, 2007-05-28 This collection includes groundbreaking essays and interviews with scholars and writers which reveal that despite pressures of assimilation personal goals and in some cases anti-Semitism they have never been able to divorce their lives or literature from their heritage *Begetting* Mara van der Lugt, 2024-04-30 An investigation of what it means to have children morally philosophically and emotionally Do you want to have children is a question we routinely ask each other But what does it mean to create a child Is this decision always justified Does anyone really have the moral right to create another person In *Begetting* Mara van der Lugt attempts to fill in the moral background of procreation Drawing on both philosophy and popular culture van der Lugt does not provide a definitive answer on the morality of having a child instead she helps us find the right questions to ask Most of the time when we talk about whether to have children what we are really talking about is whether we want to have children Van der Lugt shows why this is not enough To consider having children she argues is to interrogate our own responsibility and commitments morally and philosophically and also personally What does it mean to bring a new creature into the world to decide to perform an act of creation What does it mean to make the decision that life is worth living on behalf of a person who cannot be consulted These questions are part of a conversation we should have started long ago Van der Lugt does not ignore the problematic aspects of procreation ethical environmental and otherwise But she also acknowledges the depth and complexity of the intensely human desire to have a child of our own blood and our own making **Secrets of the City** Anne Roiphe, 2007-12-18 From the pages of *The Forward* comes celebrated author Anne Roiphe's episodic and brilliant novel of a big city mayor and the
