The American Ruling Cases as Determined by the Courts, Including the Fundamental Cases of England and Canada, Also All Reviewing and Illustrating Cases of Material Value from the Latest Official Reports, Completely Annotated Basil Jones, 1920 **Britpop and the English Music Tradition** Jon Stratton, 2016-04-15 Britpop and the English Music Tradition is the first study devoted exclusively to the Britpop phenomenon and its contexts The genre of Britpop with its assertion of Englishness evolved at the same time that devolution was striking deep into the hegemonic claims of English culture to represent Britain It is usually argued that Britpop with its strident declarations of Englishness was a response to the dominance of grunge The contributors in this volume take a different point of view that Britpop celebrated Englishness at a time when British culture with its English hegemonic core was being challenged and dismantled It is now timely to look back on Britpop as a cultural phenomenon of the 1990s that can be set into the political context of its time and into the cultural context of the last fifty years a time of fundamental revision of what it means to be British and English The book examines issues such as the historical antecedents of Britpop the subjectivities governing the performative conventions of Britpop the cultural context within which Britpop unfolded and its influence on the post Britpop music scene in the UK While Britpop is central to the volume discussion of this phenomenon is used as an opportunity to examine the particularities of English popular music since the turn of the twentieth century **Fodor's London 2018** Fodor's Travel Guides, 2018-01-30 Written by locals Fodor s travel guides have been offering expert advice for all tastes and budgets for 80
