The Ultimate Online Dating Guide Suzanne MacGowan, 2003 What Makes The Ultimate Online Dating Book Different from Other Books on this Subject The Ultimate Online Dating Guide Secrets of How Savvy Women Find Great Matches has a unique twist that sets this book apart from others of its type Ms MacGowan came to the conclusion that many of the shortcomings that exist in Internet dating can be resolved by using proven business techniques from the recruiting and hiring of workers Her skills in attracting the right mate or the right talent are enhanced with extensive background in human resource and skills as a journalist The Ultimate Online Dating Guide modifies the recruitment tools from business into an easy to use guide for recruiting selecting and managing great Internet dates Why Does The Ultimate Online Dating Book use this Approach These techniques are shown to be easily adaptable to dating and relationships They dramatically increase the odds of finding a great match while having an enjoyable interesting and safe dating experience The Ultimate Online Dating Guide coaches readers through a step by step process of self discovery that defines what s important to them in a great Internet date and to naturally attract and choose men who share their interests values attitudes and personality traits Ms MacGowan teaches readers basic principles of advertising and writing Strategies for finding and choosing men recruiting and selection are extensively covered How to analyze men s behavior to choose the best matches draws on how recruiters analyze human behavior to find the best workers The Internet is quickly becoming one of the best ways of meeting new dates Its rapid growth proves that it s not only acceptable but also preferable Women can broaden their visibility and meet men they wouldn t otherwise have had an opportunity to meet It s increasingly important to get the right man s attention for successful dating because there are now millions of men browsing these ads However women need to learn how to use this wonderful new resource correctly to fully reap its benefits Internet dating without sound back up principles can be compared to buying an item on eBay without knowing how to compare prices assess an item s quality or knowing the strategies of bidding The Ultimate Online Dating Book Women Approach to Internet Dating After the self discovery process the reader develops her ad using her interests in the headline to attract men who share these interests But many women have trouble with creative writing Ms MacGowan shows them how to use advertising headlines from women s magazines to construct an appealing attention grabbing headline that attracts men Ms MacGowan includes examples of well written ads for the reader to use as models A great photo attracts Tips that get results are covered as well as how to read men s photos The reader also learns how to organize her email responses so she won t get her correspondents mixed up Next is the advantage of creating canned responses that guide her in what to say about herself She sees them as a timesaver that will provide consistency to her responses to men s emails Strip em Naked Questions or Finding the Man beneath the Facade is an unusual approach to analyzing men s responses Each series of questions there are over 100 to choose from begins with a hard hitting discussion of what a woman should think about when she reads and later hears a man s answer She ll learn if he has attitude personality

or behavior problems Now it s time to learn about problem personality types There are 16 whimsical personalities to avoid which are described A practice session reading and critiquing men s ads ties it nicely together in *The Devil s in the Emales You ve Got Tails* Let s conduct a telephone interview Recruiters do this using prepared questions In this chapter Ms Mac

Designing A Program To Nurture Great Men of Faith, Character and Service in the Local Church Rev. Dr. Charles Falcone,2014-03-05 This thesis is written to investigate the gender gap that exists in current church membership throughout Western Christianity Numerous studies have established that throughout all Christian churches in the United States women outnumber men in attendance and membership This paper is written with the hope of understanding the causes for disproportional involvement of men in the local church We will investigate the factors of theological climate in the mainline church sociological factors revolving around the Christian family changing notions of work vocation and gender roles and sociological factors of heath and longevity Our goal is to see an awakening in the masculine spirit at the church where the author currently serves

The Gender Line Nancy Levit,1998-04-01 Despite tremendous advances in civil rights we live in a world where the sexes remain sharply segregated from birth to death in names clothing social groupings and possessions in occupations civic association and domestic roles Gender separatism so pervasive as to be almost invisible permeates the fabric of our daily social routines Preferring a notion of gender that is fluid and contextual and denying that separatism is inevitable Nancy Levit dismantles the myths of gender essentialism Drawing on a wealth of interdisciplinary data regarding the biological and cultural origins of sex differences Levit provides a fresh perspective on gendered behaviors and argues the need for careful cultivation of new relations between the sexes With its focus particularly on men *The Gender Line* offers an insightful overview of the construction of gender and the damaging effects of its stereotypes Levit analyzes the ways in which law legitimizes the social segregation of the sexes through legal decisions regarding custody employment education sexual harassment and criminal law In so doing she illustrates the ways in which men s and women s oppressions are intertwined and how law molds the very definition of masculinity Applying feminist methodology to the doctrine of feminism itself Levit artfully demonstrates that gender separatism infects even our contemporary views of feminism Levit asks questions that have been too long been unspoken those that lie at the core of the feminist project yet threaten its very foundations Revealing masculinity as both a privileged and a victimized condition she calls for a step forward past the bounds of contemporary feminism and its conflicts toward a more egalitarian and inclusive feminism This brand of feminism would reshape traditional masculinity invite men into feminist dialogue and claim men as political allies
