*The Infinite Elevator* Hugo Bainbridge, Tom our protagonist is the quintessential everyman He commutes He pays bills He dreams of winning the lottery but only if he doesn't have to work for it His life in short is as unremarkable as a beige wall Until that is he steps into an elevator that decides to redefine the

meaning of vertical transport This isn't just any elevator it's an elevator that doesn't believe in limits spatial temporal or otherwise It's a vertical Rorschach test projecting the reader's own anxieties and probably a few singing vegetables onto the canvas of reality Each floor presents a new and increasingly absurd scenario one minute he's dodging opera singing onions the next he's attempting a horizontal waltz on a gravity reversed planet while engaging in a profound philosophical debate with a squirrel who claims to be the reincarnation of Socrates The humor is derived from the contrast between the utterly impossible situations and Tom's consistently relatable reactions His bewilderment his attempts to maintain some semblance of order his increasingly desperate searches for an exit or even a decent cup of coffee This is a journey into the absurd a celebration of the unexpected and a gently mocking investigation into the very nature of existence all packaged within a surprisingly fast paced and hilarious narrative So settle in reader You're in for a wild ride Just remember to leave your expectations at the door you'll need the space

It's Only Words Bob Burrows A.I.B.,2025-01-03 Most of us can hum whistle or tap out a favourite tune but not too many of us can recall the lyrics the words Yet it is the skill of the wordsmith the lyricist who at the stroke of a pen can transport us if only for a moment into our own world recalling cathartic events romantic moments and nostalgic longings for times gone by In just a few short strokes of his pen the skilled lyricist can move us to tears or anger or is able to stimulate pride or joy Popular music is at an all time high and I would defy anyone reading this book not to be able to find a song that they could not identify with or indeed have been emotionally associated with at some point in their formative years or indeed in their twilight years During the writing of this book I admit to many moments good and bad when the words of skilled lyricists left their songs stimulating incidents and memories long since relegated to the back of my mind

Crapitalism Michael Faust,2016-03-30 Even more than an economic system capitalism is a psychological instrument for manipulating and exploiting gullible credulous suggestible human beings It's about working out what makes you tick in order to sell you more stuff Capitalism's task isn't to make you a perfect person but merely a perfect consumer Capitalism is purely about enriching those with capital It's about the Profit Principle Not only is it strictly amoral it turns out to be an ideal vehicle for empowering psychopaths Capitalism is a psychological experiment conducted economically Those conducting the experiment are the super rich elite committed to dynastic rule of the world via free market globalism John Maynard Keynes said Capitalism is the extraordinary belief that the nastiest of men for the nastiest of motives will somehow work for the benefit of all That's capitalism in a nutshell You need to be mad to believe that capitalism will have a good outcome for the human race
