Martin Dies Civil Liberties In American History:

Civil Liberties in American History Kermit Hall, Kermit L. Hall, 1987

America David Schultz, John R. Vile, 2015-04-10 Driven by the growing reality of international terrorism the threats to civil liberties and individual rights in America are greater today than at any time since the McCarthy era in the 1950s At this critical time when individual freedoms are being weighed against the need for increased security this exhaustive three volume set provides the most detailed coverage of contemporary and historical issues relating to basic rights covered in the United States Constitution The Encyclopedia of Civil Liberties in America examines the history and hotly contested debates surrounding the concept and practice of civil liberties It provides detailed history of court cases events Constitutional amendments and rights personalities and themes that have had an impact on our freedoms in America The Encyclopedia appraises the state of civil liberties in America today and examines growing concerns over the limiting of personal freedoms for the common good Complete with selected relevant documents and a chronology of civil liberties developments and arranged in A Z format with multiple indexes for quick reference The Encyclopedia of Civil Liberties in America includes in depth coverage of freedom of speech religion press and assembly as outlined in the first amendment protection against unreasonable search and seizure as outlined in the fourth amendment criminal due process rights as outlined in the fifth sixth seventh and eighth amendments property rights economic liberties and other rights found within the text of the United States Constitution Supreme Court justices presidents and other personalities focusing specifically on their contributions to or effect on civil liberties concepts themes and events related to civil liberties both practical and theoretical court cases and their impact on civil liberties

Japanese America on the Eve of the Pacific War Kaoru Ueda, Eiichiro

Azuma, 2024-02-01 The era sandwiched between the 1924 US Immigration Act and the 1941 Japanese attack on Pearl Harbor marks an important yet largely buried period of Japanese American history This book offers the first English translation of Yasuo Sakata's seminal essay arguing that the 1930s constitutes a chronological and conceptual missing link between two predominant research interests the pre 1924 immigration exclusion and the mass incarceration of Japanese Americans during World War II The anthology pays tribute to Sakata's role as a foremost historian of early Japanese America and transpacific migration while providing an opportunity for a younger generation of scholars to reflect on his contributions and carve out a new area of research in Japanese American history Original and translated essays from scholars of varied backgrounds and generations explore topics from diplomacy geopolitics and trade to immigrant and ethnic nationalism education and citizenship Together they attempt to catalyze further research and writing based on the thorough and careful analysis of primary source materials an effort that Sakata spearheaded in both the United States and Japan

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui
Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political

History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

[Encyclopedia of African American History, 1896 to the Present](#) Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century

[Meeting the Communist Threat : Truman to Reagan](#) Thomas G. Paterson Professor of History University of Connecticut, 1988-03-24 In this provocative new book the distinguished diplomatic historian Thomas G Paterson explores why and how Americans have perceived and exaggerated the Communist threat in the last half century Telling the story through rich analysis and substantial research in private papers government archives oral histories contemporary writings and scholarly works Paterson explains the origins and evolution of United States global intervention In penetrating essays on the ideas and programs of Harry S Truman George F Kennan Dwight D Eisenhower John Foster Dulles John F Kennedy Richard M Nixon Henry A Kissinger and Ronald Reagan as well as on the views of dissenters from the prevailing Cold War mentality Paterson reveals the tenacity and momentum of American thinking about threats from abroad Paterson offers a thorough

review of postwar American attitudes toward totalitarianism the causes of international conflict and foreign aid and he then demonstrates how Truman acted upon these views launched the containment doctrine and exercised American power in both Europe and Asia A fresh look at Eisenhower's policy in the Middle East explains how the United States became a major player in that volatile region Paterson also presents an incisive critique of Kennedy's foreign policy describing an administration propelled by lessons from Truman's era an assertive can do style and a grandiose notion of America's nation building responsibilities in the Third World Arrogance ignorance and impatience Paterson argues combined with familiar exaggerations of Soviet capabilities and intentions to produce a rash of crises from the Bay of Pigs and missile crisis in Cuba to the war in Vietnam Other chapters study the flawed record of 1970s detente CIA covert actions and the failure of congressional oversight from the 1940s to the present and Reagan's rewriting of the history of the Vietnam War In the last chapter Paterson demolishes the argument that the Vietnam War could have been won and probes the analogy between Vietnam and Central America in the 1980s Americans did not invent the Communist threat Paterson contends but they have certainly exaggerated it nurturing a trenchant anti communism that has had a devastating effect on international relations and American institutions An important backdrop to recent foreign policy Meeting the Communist Threat combines extensive scholarship and perceptive analysis to provide a vivid account of Cold War policy in America *The Publishers' Trade List Annual*, 1985 CASTING HER OWN SHADOW Allida Mae Black, 1996 Examines Eleanor Roosevelt's influence on the Democratic party and civil rights organizations during the seventeen years after the death of her husband *The Encyclopedia of the Supreme Court* David Shultz, 2005 An illustrated A Z reference containing over 500 entries related to the history important individuals structure and proceedings of the United States Supreme Court **The Economics of Human Rights** Elizabeth Wheaton, 2018-09-21 Economics plays a key role in human rights issues as decision makers weigh the incentives associated with choosing how to use scarce resources in the context of committing or escaping human rights violence This textbook provides an introduction to the microeconomic analysis of human rights utilizing economics as a lens through which to examine social topics including capital punishment violence against women asylum seeking terrorism child abuse genocide and hate Whether analyzing the decisions made in capital punishment cases the causes and consequences of genocide or the impact of terrorist acts on domestic and international decision making the science of economics provides tools and a systematic method of analysis and policy recommendation This key text presents a method for integrating the social sciences of economics and human rights to create new opportunities for the investigation of social issues Within each chapter readers gain a fundamental understanding of a specific human rights issue the decision makers and the decision making process involved and the benefits and costs leading to the decisions Experts on each issue drawn from a variety of fields contribute to each chapter and present first hand accounts and different perspectives on each issue The detailed analyses and accounts provided also explore the potential incentives involved in the prevention and termination of human

rights violations Aiming to further economic inquiry and enhance interdisciplinary research this textbook serves as a multi purpose guide for a range of readers Students researchers and educators as well as those working in organizations supporting victims of human rights violations and policy makers facing human rights challenges will find this book informative and engaging

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878

1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

Political Violence in America Lori Cox Han, Tomislav Han, 2022-03-29 This multivolume encyclopedia surveys America s long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation s very inception which saw a campaign of violent rebellion against British rule Since then America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a

politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country s political discourse that would reduce such outbreaks of bloodshed This authoritative multivolume encyclopedia provides answers to all these questions and more *The Most Democratic Branch* Jeffrey Rosen, 2006-06-19 Many critics attack federal judges as anti democratic elitists activists out of step with the mainstream of American thought But others argue that judges should stand alone as the ultimate guardians of American values placing principle before the views of the people In *The Most Democratic Branch* Jeffrey Rosen disagrees with both assertions Contrary to what interest groups may claim he contends that from the days of John Marshall right up to the present the federal courts by and large have reflected the opinions of the mainstream More important he argues that the Supreme Court is most successful when it defers to the constitutional views of the American people as represented most notably by Congress and the Presidency And on the rare occasion when they departed from the consensus the result has often been a disaster To illustrate Rosen provides a penetrating look at some of the most important Supreme Court cases in American history cases involving racial equality affirmative action abortion gay rights and gay marriage the right to die electoral disputes and civil liberties in wartime Rosen shows that the most notorious constitutional decisions in American history the ones that have been most strenuously criticized such as *Dred Scott* or *Roe v Wade* have gone against mainstream opinion By contrast the most successful decisions from *Marbury v Madison* to *Brown v Board of Education* have avoided imposing constitutional principles over the wishes of the people Rosen concludes that the judiciary works best when it identifies the constitutional principles accepted by a majority of Americans and enforces them unequivocally as fundamental law Jeffrey Rosen is one of the most respected legal experts writing today a regular contributor to *The New York Times Magazine* and the Legal Affairs Editor of *The New Republic* The provocative arguments that he puts forth here are bound to fuel heated debate at a time when the federal judiciary is already the focus of fierce criticism *Bowker's Law Books and Serials in Print* ,1995 *Deadly Farce* Robert M. Lichtman, Ronald D. Cohen, 2004 The book traces the rise and fall of Harvey Matusow a wise guy professional informer witness of the McCarthy era whose dramatic recantation led to his own imprisonment but hastened the end of the era No issue so possessed the nation in the first half of the 1950s as alleged Communist subversion in the United States Communist Party member an undercover FBI informer inside the Party and then a leading witness for the government during the McCarthy era until he recanted his testimony His story illuminates a disturbing time in American history one with renewed relevance today Matusow was easily the most flamboyant of the professional ex Communists a celebrity informer who considered himself booked by Congressional committees not just to testify but to entertain He testified that Communists fostered loose sex taught politicized Mother Goose rhymes to small children and tried to infiltrate the Boy Scouts He also named more than 200 people as Communists and was a prosecution witness in major criminal cases transcripts personal

interviews private papers and other primary sources most never before utilized to describe the unusual role of ex Communist informer witnesses during the McCarthy era The Justice Department kept several dozen political informers on the government s payroll to testify in hundreds of deportation sedition and contempt of Congress cases Some informers achieved celebrity as the result of high profile appearances at criminal trials and before Congressional committees But as the era continued instances of perjury began to appear Harvey Matusow s sensational recantation in 1955 gave him his biggest audience yet It led to the dissolution of the Justice Department s informer stable and ended the public s infatuation with the group Matusow s unrepentant and at times vaudevillian appearances before the Senate red hunting committee investigating his recantation followed by his prosecution for perjury for the recantation not his original testimony and prison sentence mark the climax of Deadly Farce McCarran and Elizabeth Bentley among many others offers an inside entertaining and closely documented view of a largely untold part of McCarthy era history The columnist Murray Kempton described Matusow as a truly remarkable witness in the opera bouffe sense demanded by inquisitions of the 1950s **Labor and Liberty** Jerold S. Auerbach,1966 USA Monograph on the senate subcommittee known as la follette civil liberties committee and its investigation of violations of human rights and freedom of association includes historical background of such types of government investigation and describes and comments on the committees examination between 1936 and 1940 of the extent of violation of government policy labour legislation provisions etc concerning collective bargaining trade union rights etc

References Education of an American Liberal Lucille Llc Milner,2013-02 Lucille Milner describes her early years as a reformer She documents her work as a co founder of the American Civil Liberties Union and work with other progressive organizations **The First to Cry Down Injustice** Ellen Eisenberg,2008-01-01 Although American Jews had already embraced the principle of fighting prejudice in all forms western Jews often did not apply it to specific local issues involving Japanese Americans during World War II In The First to Cry Down Injustice Eisenberg analyzes the range of Jewish responses including silence opposition to and support for the policy to the mass removal of Japanese Americans as the product of a distinctive western ethnic landscape Routledge Revivals: Encyclopedia of American Civil Liberties (2006) Paul Finkelman,2018-04-17 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of civil liberties in America The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students **Insist That They Love You** John Van Hoesen,2025-05-31 Set against the vibrant backdrop of New York and Chicago Insist That They Love You presents a comprehensive biography of Craig Rodwell an unheralded yet pivotal figure in the militant gay rights movement of the 1960s and 1970s Award winning journalist John Van Hoesen explores cities grappling with social change while highlighting Craig

Rodwell's transformative impact The book traces Rodwell's journey from a complicated childhood in a Christian Science boarding school and turbulent teenage years to his prominent role as an activist in adulthood Founder of the first bookstore of its kind dedicated to gay and lesbian literature the Oscar Wilde Memorial Bookshop Rodwell played a crucial role in the early protests for gay rights the Stonewall Riots and the inaugural pride march of 1970 The book also thoughtfully considers the trajectory of Rodwell's tumultuous personal life including his relationship with Harvey Milk Insist That They Love You honours Rodwell's vital contributions to the gay rights movement bringing to life for readers the fearless determination and hard work that built today's freedoms This compelling biography inspires readers to reflect on the power of truth courage and action to further social change
