Martin Faber, Vol. 2 of 2 ,2018-01-16 Excerpt from Martin Faber Vol 2 of 2 The Story of a Criminal And Other Tales

Thou hast most traitorously corrupted the youth of the realm in erecting a grammar school and whereas before our forefathers had no other books but the score and tally thou hast caused print ing to be used and contrary to the king his crown and dignity thou hast built a paper mill It Will be proved to thy face that thou hast men about thee that usually talk of a noun and a verb and such abominable words as no Christian ear can endure to hear Thou hast appomted justices of peace to call poor men before them about matters they were not able to answer Moreover thou hast put them in prison and because they could not read thou hast hanged them when indeed only for that cause they had been most worthy to live Smxsruus
