Library, 1973 **Correspondance avec Karl Jaspers** Martin Heidegger, Karl Jaspers, 1996 Publier ensemble les deux Correspondances de Martin Heidegger avec Karl Jaspers 1920 1963 et avec Elisabeth Blochmann 1918 1909 a le mérite très particulier de donner connaître Heidegger sous deux aspects certes distincts mais en aucune manière divergents C'est en effet le même homme qui s'adresse ici un à un puis l'un de ses pairs avant que ne se distendent des liens qui ne seront pourtant pas rompus complètement et l'une jeune étudiante puis pratiquante de pédagogie au sens le plus noble du terme où il s'agit d'élever l'humanité que l'inhumanité de lois iniques va contraindre quitter l'Allemagne pour Oxford avant qu'elle ne revienne après la guerre achever sa carrière Marbourg sans que jamais elle ne retire sa confiance celui en qui elle a reconnu un ami vrai Tout ce que la première correspondance met au jour d'incompréhension incompréhension entre deux hommes et deux personnalités tout comme Jaspers n'arrivait pas comprendre le retrait de Heidegger hors de la sphère de la communication Heidegger ne pouvait se satisfaire de la place restreinte laissée chez Jaspers la philosophie proprement dite la seconde correspondance l'a dès le départ surmonté par un lien et une confiance mutuelle qui donnent l'échange l'inimitable ton de l'amitié Si l'on a pas tout donné Heidegger et Jaspers de devenir de vrais amis la correspondance avec Elisabeth Blochmann révèle quelle place minime pouvait tenir l'amitié dans l'existence et donc secrètement dans la pensée de Heidegger Français F. dier **Correspondence 1949-1975** Martin Heidegger, Ernst Jünger, 2016-07-11 Beginning in 1949 the German novelist and essayist Ernst Jünger began a correspondence with the philosopher Martin Heidegger that lasted until Heidegger's death in 1975 This volume contains the first English translation of their complete correspondence as well as letters from Heidegger's wife and son and others referred to in their correspondence It also contains a translation of Jünger's essay Across the Line über die Linie his contribution to a Festschrift celebrating Heidegger's sixtieth birthday Jünger's and Heidegger's correspondence is of enormous historical interest revealing how both men came to understand their cultural roles in post war Europe It is valuable as well for showing the emergence of themes pervasive in Heidegger's post war thought his cultural and political pessimism and his concern with the problem of global technology The correspondence also reveals the evolution of a philosophical friendship between two writers central to twentieth century European thought and the mutual influence that friendship worked on their writing *Le problème des réalités dans la philosophie moderne* Martin Heidegger, 2024-05-09 Une nouvelle traduction en de l'ouvrage de jeunesse de Heidegger Le problème des réalités dans la philosophie moderne publié originairement en 1912 sous le titre allemand Das Realitäts Problem in der Modernen Philosophie Cette édition contient une nouvelle postface du traducteur une chronologie de la vie et de l'œuvre de Heidegger un index philosophique des principaux concepts heideggeriens et un guide de

la terminologie existentialiste des 19e et 20e siècles Cette traduction est conçue pour être lisible et accessible la philosophie énigmatique et dense de Heidegger Les termes philosophiques complexes et spécifiques sont traduits aussi littéralement que possible et les notes de bas de page académiques ont été supprimées pour faciliter la lecture Cet ouvrage est essentiel pour comprendre son approche initiale de l'ontochronologie qui a conduit ses thèses avancées sur la phénoménologie du temps dans son œuvre majeure *Être et temps* Heidegger soutient ici que le temps dans les sciences historiques n'est pas une série mathématique homogène comme en physique mais plutôt un concept qualitatif dépendant du contexte Il souligne l'importance de comprendre le temps en relation avec les objectifs et les méthodologies spécifiques de la science historique et postule que le temps dans l'histoire a une signification et une fonction uniques profondément liées au contexte culturel et humain des événements historiques Cette approche reflète une enquête philosophique plus large sur la nature de l'être et de la temporalité que Heidegger développera dans ses œuvres ultérieures La métaphysique a triomphé du rationalisme et de l'empirisme en tant que seul domaine orienté vers la seule question qui compte

**Ma chère petite âme** Martin Heidegger, 2007 Ma chère petite me c'est ainsi que très souvent Martin Heidegger commence les lettres qu'il écrit sa femme Elfride Ce volume dit par leur petite fille Gertrud contient un septième environ des quelque mille lettres et cartes écrites entre 1915 et 1970 dont toutes celles conservées entre 1933 et 1938 avec de brèves notes factuelles permettant de les situer Compte tenu du cours des choses en France affaire Heidegger il se pourrait que nombre de lecteurs entrent dans cette correspondance armés d'une unique question dans le genre Voyons s'il y a là-dedans du nazisme et de l'antisémitisme Cette entrée s'avérera décevante Car la vraie question tout fait porte par la vie du couple telle que ces lettres nous la montrent est la suivante Heidegger est certainement un grand philosophe qui a été aussi et en même temps un nazi très ordinaire C'est comme ça Que la philosophie s'en débrouille Cette correspondance permet d'accompagner de l'intérieur sur la longue durée les intérêts de pensée et les sources d'inspiration Mais la nouveauté la plus clamante est d'ordre biographique voire existentiel Heidegger Elfride un couple de l'époque existentialiste On est frappé par l'alliance avec laquelle Heidegger accepte le fils adultérin Hermann dont la brève postface ici même est de l'ordre du coming out Pour qui comme Nietzsche est convaincu qu'en définitive une philosophie est la biographie de son auteur le portrait de lui même que Heidegger dessine pour son épouse est clairement déchiffrable comme un claircissement des procédures de sa pensée C'est bien l'image d'une province catholique allemande et d'un chalet de montagne qu'il faut se représenter l'originel la patrie l'accueil ou le lieu C'est bien l'image d'Elfride qu'il faut se représenter la sainteté latente de l'autre Et inversement on lit dans le recteur excitant l'intrigant des commissions académiques le mari dont les infidélités incessantes trament la fidélité quelque chose qui excède absolument leur apparence qui les noue de façon intime et puissante une pensée neuve

*Martin Heidegger à Hannah Arendt* Pio Colonnello, 2014-05-02T00:00:00+02:00 Hannah Arendt fut tout d'abord l'élève puis la muse et l'amie de Martin Heidegger avant de devenir la collègue et la critique sive de son ancien maître A la différence de Heidegger qui pour un laps de temps plutôt bref adhéra au parti nazi lorsqu'il fut lu

recteur de l'université de Fribourg en 1933 Hannah Arendt fut quant elle contrainte de se réfugier aux États-Unis cause de ses origines juives Pendant une vingtaine d'années toute relation entre le maître et son élève fut interrompue En 1950 Hannah Arendt rentra en Europe et contre toute attente voulut revoir son ami d'autrefois C'est cette époque que reprit leur relation épistolaire Cet ouvrage reporte le lecteur au tout début de leur amitié retrouvée travers un jeu nigmatique d'allusions et de renvois Heidegger voque dans une longue lettre les épisodes majeurs de sa vie politique académique et de penseur l'amour pour son élève et des fragments d'événements oubliés dans le passé retrouvés grâce à la puissance de l'imagination et de la mémoire

*Correspondence: 1919-1973* Martin Heidegger, Karl Löwith, 2021-11-04 This volume consists of over one hundred epistolary exchanges between Martin Heidegger and one of his earliest students Karl Löwith who became a renowned and accomplished philosopher in his own right The letters span a period of just over fifty years and range from casual to philosophical in tone The more philosophically oriented letters shed important light on the ideas and writings of both Heidegger and Löwith while the more casual letters provide insight into Heidegger the teacher the man and the friend as well as into Löwith the devoted but reflectively critical student By providing previously untranslated materials this volume contributes to a greater understanding of the lives and the work of these two crucially important philosophers Additionally through the various bibliographical and cultural details that are disclosed along the way this volume contributes to a greater understanding of German intellectual and cultural history during the span of its most challenging and devastating years

*Martin Heidegger- Erhart Kästner* Hubert Carron, 2021-02 *Letters, 1925-1975* Hannah Arendt, Martin Heidegger, 2004 When they first met in 1925 Martin Heidegger was a star of German intellectual life and Hannah Arendt was his earnest young student What happened between them then will never be known but both would cherish their brief intimacy for the rest of their lives The ravages of history would soon take them in quite different directions After Hitler took power in Germany in 1933 Heidegger became rector of the university in Freiburg delivering a notorious pro-Nazi address that has been the subject of considerable controversy Arendt a Jew fled Germany the same year heading first to Paris and then to New York In the decades to come Heidegger would be recognized as perhaps the most significant philosopher of the twentieth century while Arendt would establish herself as a voice of conscience in a century of tyranny and war Illuminating revealing and tender throughout this correspondence offers a glimpse into the inner lives of two major philosophers

**Correspondence 1949-1975** Martin Heidegger, 2016 A complete English translation of the correspondence between the philosopher Martin Heidegger and the novelist and essayist Ernst Jünger together with a translation of Jünger's essay *Across the Line* *Martin Heidegger* George Steiner, 2021-01-20 **De l'essence de la vérité** Martin Heidegger, 1948 *Letters to His Wife* Martin Heidegger, 2008-09-22 There is something absolute about the letters between you The letter is a form of communion of the soul spirit one that is faded yet unimpeded complete wrote Martin Heidegger to his fiancée Elfriede Petri shortly before their wedding In the course of a marriage that lasted almost sixty years Martin and Elfriede were often apart

and the letter thus remained a vital means of communication right through to the final years The letters he sent her are snapshots of the ups and downs the crises and everyday minutiae from Heidegger's life their engagement the building of the Cabin at Todtnauberg the part he played in the two world wars the difficulties of his early professional career their financial problems his dealings with women and his constant concern with expounding his ideas Apart from three letters now in the hands of the German Literature Archive in Marbach Elfride Heidegger kept all of the countless letters and cards from her husband locked away in a wooden chest After reading them one final time in 1977 she gave the key to this chest to her granddaughter Gertrud Heidegger on condition that she should not open it until after Elfride's death After years spent deciphering transcribing and ordering the letters with the help of her father and her uncle Gertrud Heidegger has here made a selection of them available to the public and added a commentary that provides relevant background material This selection from the many letters written by Martin Heidegger to his wife provides an invaluable insight into their life together their friendships and relationships and sheds fresh light on the ideas and beliefs of one of the twentieth century's greatest philosophers
